

## DECEMBER 12: THE CHRISTMAS PARTY!

The holiday season comes into full swing with the President's Annual Reception and Holiday Dance at the Glenn Miller Ballroom. The Club has undertaken the entire organization of this festive event with the decorating committee and the party chairmen having spent many hours of preparation. It promises to be quite colorful! The receiving line will form at 8:30 p.m. and the Program highlighting Spanish-Mexican folk-dancers will begin at 10:00 p.m. The breaking of the "pinata" will signify the beginning of the Holiday Season. Professor E. J. Hilty of the Music School will play the Carillon, from 8:45 to 9:45 p.m. and dancing and refreshments will be enjoyed throughout the evening.

## THE LAST TWO MEETINGS. . .

presented the members of our Club with challenging and thought-provoking subjects. Dr. Massey, Dr. Cooper of the C.U. Medical School and Dr. Elise Boulding handled their topics in such a manner that inspired intellectually all those who attended. Our special thanks go to the chairmen and their committees for organizing these worthwhile events.
