You Are Cordially Invited to Morning Coffee!

The University Women's Club Fall Membership Coffee

Monday, September 17, 2001

9:00 a.m. - 11:00 a.m.

University Memorial Center Glenn Miller Ballroom

The University Women's Club will begin the season with the Annual Fall Meeting in the Glenn Miller Ballroom of the UMC on Monday, September 17. Interest and Service Groups will have sign-up sheets and chairpersons available to answer your questions.

Come join us for coffee and refreshments. Greet old friends and introduce yourself to someone new to the UWC. Bring a friend if you like. We have activities of interest for everyone. But, please, RSVP for everyone in your party, as it is important that we know how many will attend. There is no charge, but if you would like to make a donation, it will be greatly appreciated.

Please call in your **reservation by September 10** to Betsy Sharpe, 303-247-9960. If you plan to bring a guest, please include their name, address and phone number in the reservation.

2001-2002 Membership dues of \$25 (checks payable to the University Women's Club) must be paid by October 10 in order to have your name included in the Yearbook. Dues may be paid at the Membership Coffee but to avoid the line, you may mail your check in advance to Joan Podgorski, c/o UWC, P.O. Box 18844, Boulder, CO 80308-1844. Please use the membership form found in this issue of Messages. **Note: You must R.S.V.P. to the coffee, even if you mail your membership check in advance.**

After the Coffee, please join us for a brainstorming session regarding our social events and fundraising efforts for the coming year.

Judy Reid, President-Elect

President's Letter

Welcome to the University Women's Club and our 83rd year of promoting friendships among members, promoting community service through our service projects, and promoting service to the University of Colorado at Boulder by annually funding scholarships for non-traditional women students.

In this first issue of MESSAGES you will have an opportunity to RSVP to the September Membership Coffee at the UMC Ballroom, note the dates of our popular Lecture Luncheon Series, and most importantly - complete the Membership Form by not only sending in your dues, but also making an additional contribution toward our tax-deductible Scholarship Fund. The reality is if every single member contributed at least \$25 to the scholarship fund, we would collect \$8,700! This figure represents more money than any single fundraising event this organization has seen in its history and only with a lick of a stamp! Members benefit because the entire contribution is tax-deductible, not just \$5.00 from an event ticket price. While this represents a significant departure from our traditional fundraising activities, the Board encourages our membership to seriously choose this alternative. Considering our busy lives and limited time, this alternative method of fundraising makes good business sense.

We look forward to a wonderful 2001-2002 year. We will be reevaluating what you as members said in the survey taken last year; what you expect of your organization, taking a realistic look at your willingness to contribute both time and resources, changing demographics of our membership and considering our busy lives.

President's Letter... continued from Page 1

The survey results were divided into four sections/committees: constitution/bylaws, scholarship, membership, and events/tradition. These four committees have met over the summer and you can look forward to hearing more about their findings throughout the coming year.

There are two Board positions yet unfilled and your help is requested. Both would do well with co-chairs, so volunteer with a friend today!

Spring Event (April 2002)

Honors Reception (May 2002)

Plans for the popular Winter Party are well under way so check the calendar for date and location; the event will include dinner and dancing to a live band. Look in the next MESSAGES for the date and location of a New Member Tea to take place this fall.

We have a fantastic Board this year which includes both seasoned members and newcomers. When the Membership Directory comes out in October, please review it carefully, noting the many varied service projects and

interest groups. You are all encouraged to participate in both, strengthening our community involvement, meeting new members, learning about everything from antiques to travel, and just having fun!

The University Women's Club has experienced a strong and vibrant history because of its diverse and talented membership dedicated to the mission of the organization. To continue in this path, let's all get involved this year. The Board and I welcome your comments and suggestions. See you in September!

Presenting Jeannie Dixon CU Assistant Athletic Director

**Tuesday, October 9, 2001
11:30 a.m.**

Make Your Reservations by Tuesday, October 2

**"Connecting Our Athletes with the World Outside...
The CU Athletic Mentoring Program"**

Jeannie is the assistant athletic director for community relations, the first and only person in this position in college athletics. She has initiated several programs at CU, and oversees 15 different projects including Read with the Buffs, Kids on the Court, Read Across America, the Student-Athletes Speaker Bureau and UCAMP, the University of Colorado Athletic Mentoring Program.

Jeannie grew up in Denver, graduated from Manual High School where she was a gymnast and cheerleader, and from Metro State where she majored in education and psychology. One of her children was recently on the CU football team.

Jeannie will tell us what she has been doing to encourage connections between the student athletes and the community as well as supporting their academic growth. We may find that we would like to volunteer and get involved as well! Plan to join us for this dynamic speaker followed by a question and answer period.

President's Letter

A warm welcome to our new members who joined at the September Coffee or on their own. We look forward to your signing up for a number of interest groups and attending our Lecture Luncheons which start in October. UWC is a wide spectrum body of women and we know you will make great new friendships through participation in our activities.

If you would like to add a new interest group (dance; additional language, i.e. Italian, Spanish, German; interior design, tennis, writing), to name a few examples, contact Marcia Cipriani at 303-666-8850. Also consider being a co-chair of a group so that you could help out if the chair is away and perhaps be the chair next year!

I hope you will all continue to send in your contributions to the scholarship fund. It is a painless way to reach our goal instead of a large fundraising event. Last year members said they would rather make a direct contribution than spend countless hours on a fundraiser. The more we give the more we can give away in scholarships. Last year we gave \$6,000 in scholarships.

As of September 10, I still need persons to head up the Spring Event and the Honors Tea. They are both one-time events and would do well with co-chairs.

See you at the October Lecture Luncheon and the Music Event.

"Antiquity in the Depths:
Deepwater Archeology in the Mediterranean"

During the 20th century, marine archaeology evolved from salvage to science. Sponge divers recovering amphoras and statues from the sea were replaced by diving archaeologists trained in the use of SCUBA. With this equipment, scholars were able to explore the shallow coastal floor of the Mediterranean, confirming its richness in materials. Now more sophisticated technology has been developed for investigations in the deepest waters of the Mediterranean, a region one might call a the final frontier of explorations on earth.

Bob is a Professor of History at the University whose specialty is marine archeology in the Mediterranean, where he has done extensive research. He will give a slide lecture tracing the development of marine archaeology from its beginnings to the present, with a look ahead to tomorrow's discoveries.

Luncheon Scholarships Available

There are luncheon scholarships available for any member who is not able to pay the cost. We are trying to keep the luncheons at \$12 but recognize there is sometimes a need for help. Please contact Judy Reid 303-440-6040 for more information.

Music Program Cancelled

Due to not enough reservations, the Music Program had to be cancelled. Perhaps it was a combination of events resulting from the September 11 tragedy. If you had some other reason for not making a reservation, please let the Board know so we can correct the problem in the future.

President's Letter

Thanks to many of you, we are off to a great beginning again this year. We have 24 new members as of the Membership Tea in September, and have received over \$3,200 in Scholarship Fund donations. Your support for the Scholarship Fund continues to be overwhelming and is proving to be so much easier than putting together a large fundraising event.

You will see in this issue of MESSAGES, a "contribution form" which will give you the opportunity to make your tax-deductible donation prior to the end of the year, if you have not already done so. You are welcome to make an additional donation some time during the 2001-2002 UWC year or pass along the opportunity for non-members (friends, family, associates, etc.) to support non-traditional women's scholarships through UWC.

The Membership Directory will be mailed out the end of October. If you missed the chance to sign up for Interest Groups or Service Projects, you will see a list in the directory with names and phone numbers to contact. It is never too late to join in.

Have a safe and fun Halloween and we'll see you at the Lecture Luncheons.

"The Coldest March: New Insights Into Scott's Fatal Antarctic Expedition"

Capt. Robert Falcon Scott's tragic 1911-12 South Pole expedition has long been an Antarctic legend, viewed by some as a saga of heroism and by others as a cautionary tale of human folly. Susan Solomon, an authority on Antarctic science, presents extraordinary evidence that unusually cold weather-not failures of leadership-doomed Scott and his men.

Drawing on her recently published book, The Coldest March, Solomon will debunk other myths about the expedition, and offers new insights into the lives and deaths of Scott and his heroic companions. The Coldest March was published by Yale University Press in 2001. Signed copies will be available for sale after the lecture.

Susan Solomon is widely recognized as a leader in the field of atmospheric science. Since receiving her Ph.D. degree in chemistry from the University of California at Berkeley in 1981, she has been employed by NOAA as a research scientist. Her scientific papers have played a major role in explaining the reasons for ozone depletion, particularly the spectacular Antarctic ozone "hole."

In 1986 and 1987, as Head Project Scientist of the National Ozone Expedition at McMurdo Station, Antarctica, she made some of the first measurements that pointed towards chlorofluorocarbons as the cause of the ozone hole. An Antarctic glacier was named in her honor in recognition of that work.

She is a member of the U.S. National Academy of Sciences and a foreign associate of both the French and European Academies of Sciences. In March 2000, she received the National Medal of Science, the United States' highest scientific honor, for "key insights in explaining the cause of the Antarctic ozone hole."

President's Letter

I don't know about you but I feel the tug of the holidays on my sleeve! After Halloween it is all down hill. But how I love this time of year and regardless of how hectic it gets, we must all stop and think of the true meaning of the holidays. And this year particularly we must gather our families and give thanks for all our blessings.

Our membership is just short of 300 as of last month and members have donated a total of \$3,810 dollars for the scholarship fund. Congratulations one and all! If you have not yet made your donation, it is not too late. Simply put your contribution in the mail to our treasurer Kathleen Brewer. The amount of scholarship money we give will be determined in the Spring after all the donations come in and we see how many recipients we have.

You will see in an upcoming newsletter proposed bylaw changes. Please read them carefully and contact me or one of the Board members if you have any questions. The changes will be voted on at the March Lecture Luncheon after notification to all members through the newsletter.

We are exploring a Web site with CU and like everything else in this world, there is an initial cost and occasional update cost. Is there anyone out there who has Web site preparation experience who could help us? The cost could be equaled out by using it for our newsletters instead of mailing them, and would increase our visibility in the community and on campus. Please contact me or Joan Podgorski if you can help.

Plans for the Winter Party are well under way and I hope you will all put February 2, 2002 on your calendar. See the November MESSAGES flyer for further info. New member Ann McCarroll has agreed to chair the Spring Event. Bravo to Ann - that's what I call jumping in and getting involved! She will need your help so please say "yes" if you are called.

Have a safe and joyful holidays! See you in 2002.

Travel Tips

I have started compiling a list of hotels and restaurants that UWC members have recommended. We are such a well-traveled bunch, and are already sharing such information. Perhaps we can gather enough to put into a booklet to sell among ourselves as a small fundraiser for our scholarships.

If you have any tips you would be willing to share, please email them to me at reidjudy@hotmail.com, or mail to 604 Mapleton Avenue, Boulder, Colorado 80304

Please give your name, the approximate date you stayed at the hotel or ate at the restaurant (year is enough), the name, address, phone, fax, and email address (as much as you have—the name is the only essential!), plus any short remarks as to why you liked it. I'm organizing them by country, but would like US referrals also (such as the Hearthstone Inn in Colorado Springs).

Do send along any bits and pieces you have; we can edit and enlarge on them later. *Judy Reid*

McKenna Building Restoration

Plans are underway to restore the McKenna Building, formerly the old Women's Club Building. The building, located next to Macky Auditorium overlooking Varsity Pond, was built in 1937 with an initial gift of \$26,000 and \$31,000 from the WPA.

It was used specifically by the University Women's Club for social activities and living quarters for 16 women students. In 1947 a wing was added on to provide larger living/boarding space with 40 plus rooms for students. In 1961 the building became the Academic Language Building, home of Spanish, Portuguese, German and Slavic languages.

President's Letter

As the winds blow about me while I am writing this message, I am reminded how quickly the seasons come and go these days. Of course it does not necessarily mean the end of winter here just because March and April are coming! I have to remind myself that I am not back in Georgia where the flowers bloom those months!

In addition to one more lecture luncheon, we have our big Spring event in April. It is a luncheon and the theme is "Music Makes the World Go Round". We have a great committee planning all sorts of surprises for us and you all must put April 23rd on your calendar. This a fundraiser for the UWC and the money goes towards our scholarships.

We have two important votes that will be made at the March luncheon. One is the Constitution and By-Law changes, and the other is the Slate of Officers. Both are listed in this newsletter so be sure to review them and come and vote.

Two of our scholarship winners from last year will be featured at the next two luncheons (February and March). They are so appreciative of our scholarship money and it is nice to touch base with them to see how they are doing in their studies and how our money is being put to use.

I look forward to seeing you at the next luncheon.

\$1 million needs to be raised for restoration. The university hopes to then get matching grants through State Historical Funds totaling \$3 million for structural repairs. Boulder Police Department Recruiting Victim Advocates

The Boulder Police Department is currently accepting applications for Victim Advocate volunteers. Advocates work with Police Officers to provide assistance to victims of crime, accidents and critical events. Victim Advocates are given the opportunity to touch the lives of others and really make a difference for people who may have had their worlds instantly and dramatically altered.

A required 40-hour training to prepare volunteers to become Advocates is provided. The training starts in early April, covers a wide variety of topics, and is a great learning experience. The deadline to apply to become a Victim Advocate is **March 15, 2002**. If you are interested in learning more about this valuable opportunity, or becoming a part of this critically important volunteer service, please call Diane Herzberg at the Boulder Police Department, 303-441-3334.

President's Letter

This month of April marks our 45th annual Spring Fundraising Event. It is what we are all about – raising money for scholarships. This year the theme is “Music Makes the World Go ‘Round” and it promises to be fun as always. We will be entertained by two people from the CU Music Department as well as a pianist. See the flyer enclosed for more details. This is our one big fundraising event of the year so plan to bring friends and neighbors with you.

We have eight candidates who have qualified for our scholarship and the committee is currently reading through the applications. We will announce the winner(s) at the luncheon in April. It is always both exciting and moving to hear the stories and plans behind the winners. I hope you will all plan to be in attendance to congratulate and support our scholarship winners.

The slate of officers for both 2002-03 and 2003-04 was approved at the March luncheon as well as the constitution and by-law changes. Thank you Claudine Garby for all your hard work on that project. A copy of the constitution/by-laws with the new changes will be available at the September membership meeting or can be obtained from Claudine if you can't wait that long!

Be sure to put Tuesday, May 7 on your calendar. That is the date of the Honors Tea. We are fortunate to be able to hold it again at President Hoffman's home. Past presidents will be honored at the tea as well as awarding the Margaret Willard Award and President's Award. Look for more information to come in the May MESSAGES.

Enjoy these early Spring days. I look forward to seeing you all at the Spring Event!

President's Letter

It is hard to believe our calendar year is just about at an end. The Spring Event will be April 23, shortly after you receive this last issue. Many thanks to Ann McCarroll and Sylvia Campbell who are co-chairing the Spring Event. I am looking forward to seeing many of you there and hearing from our scholarship winners. You will be very pleased to see where your generous donations have taken us this year!

The Honors Tea May 7th will be our last group event and my thanks to Jo Copeland for taking charge of that event. We will again be at President Hoffman's house and it is a special event to honor past presidents, present the President's Award, and announce the recipient of the Margaret Willard Award.

We are one of only a handful of groups who are fortunate to be able to use the President's residence for a social event, so take advantage of the occasion!

I would like to take this opportunity to thank my wonderful board for all their hard work this year: Judy Reid, Sylvia Campbell, Kathleen Brewer, Claudine Garby, Bev Sears, Betsy Sharp, Marcia Cipriani, Connie Farnbach, Anne Hearn, Vicki Averett, Joan Podgorski, Ann Buckley, Nancy Raymond, Maureen Buchholz, Pat Summers, Jamie Zukowski, Jo Copeland, Marilee DeGoede, Nancy Brown, Treisha Morreale, Sherry Bruff, and Gail Ferguson. There are many "little" things that need to be done to keep this big organization running smoothly and efficiently, and we have accomplished our goals for the year 2001-02.

UWC has done well raising money for women's scholarships in 2001-2002. This continues to be the focal point of the organization. We not only awarded

scholarship money but were also able to put money in the Endowment Fund which assures scholarship and financial stability for the years ahead.

The second UWC priority is interest groups with the building of friendships and the sharing of common identities; all 19 of these groups are active, and in addition to being learning experiences, having fun!

We also had great speakers at our Lecture Luncheons and enjoyed hearing and talking with two of our last year's scholarship winners.

It has been an honor to serve as president to this group of such special and distinguished women. I wish you all a safe, healthy and glorious summer. See you in September!

Best regards,

Anne Hager, President
