Projects

Have you heard about the Centennial Bazaar? The date is November 11, and the place, the former cafeteria of Wardenberg Health Center. Some of the Interest Groups and other volunteers will have hand-made crafts, baked goods and non-perishable foods, plants and garden supplies and white elephants for sale. Coffee, tea and goodies will be served from 9:00 A.M. until 2:30 P.M. All contributions and helping hands will be most welcome.

A raffle is planned to make use of the license that we were required to buy last spring and which is in effect until Jan. 1. Several lovely articles have been donated and will be raffled at 25¢ a ticket. You may see them and purchase tickets at the Oct. 6th luncheon or by calling Claire Baird (494-6392).

If you are willing to help or to donate please call Rosemary Plane (494-6089), Jean Loeffler (494-5058), Esther McGuire (443-3286) for food; Val Havlick (494-0664), Mildred Anderson (494-7712), or Herta Dobbins (442-5022) for crafts; Mary Brown (442-6020) for plants; and Eleanor Taylor (494-6388) or Joyce Price (494-8706) for white elephants.

Club members who make arts and crafts articles too expensive to donate, may sell them on consignment, 25% going to the Club. Please contact the chairman, Flo Grieder (442-7481).

Our projects make it possible to give a gift at the end of the year to Norlin Library, the Student Loan Fund and Wardenberg Health Center. But in addition we hope it will be fun and give us an opportunity to know each other better.

It was suggested to the 1975-76 Executive Board that we consider a project that has been successful in many schools and universities; to provide cakes or plants to students for special occasions on order of their parents or anyone who wished to do it for them. We found it financially impossible to use the mail as is usually done, so the following method was devised. A thousand copies were made of the following form and distributed to residence halls and sororities and fraternities and also printed in the Colorado Daily, Friday, Sept. 3rd. There is no assurance that this project will succeed but it is hoped that it will and can become an on-going project of the Club. If or when orders come, we would like to have four people available each month, one to drive and one to deliver. If you are willing to help in this way or to bake a cake (ingredients furnished) call Flo Grieder (442-7481) or President Jeanne Meyers (494-8982).

to become a group where each member invests a minimum amount each month for a joint purchase. It was suggested that any member who is unfamiliar with investment terms, should read at least one book about investing in the stock market by the next meeting.

This meeting will be Wednesday, October 27 at 1:00 at Sue McMillan's home at 485 Baseline Rd. At this time a local stock broker will speak to the group. New members are invited to join.

The Centennial Bazaar on Nov. 11th was a great success despite unpleasant weather. We made a net profit of \$781.24. Expenses were few, thanks to the staff at Wardenberg who allowed us to use the old cafeteria and helped us in other ways, and to the generosity of many of our members. Special thanks goes to the chairmen listed in the last Messages, to those who volunteered to help, and to the many who contributed baked goods, handicrafts, plants, books and white elephants.

Raffle prizes were donated by Jeanne Meyers, Eleanor Taylor and Joyce Price; Jean Glass, Gwen Shurm, Clare Baird and Flo Grieder. They were won by Vivian Kalk, Val Havlick, Betty Shadle, June Dunham, Katty Clough and Clare Baird.

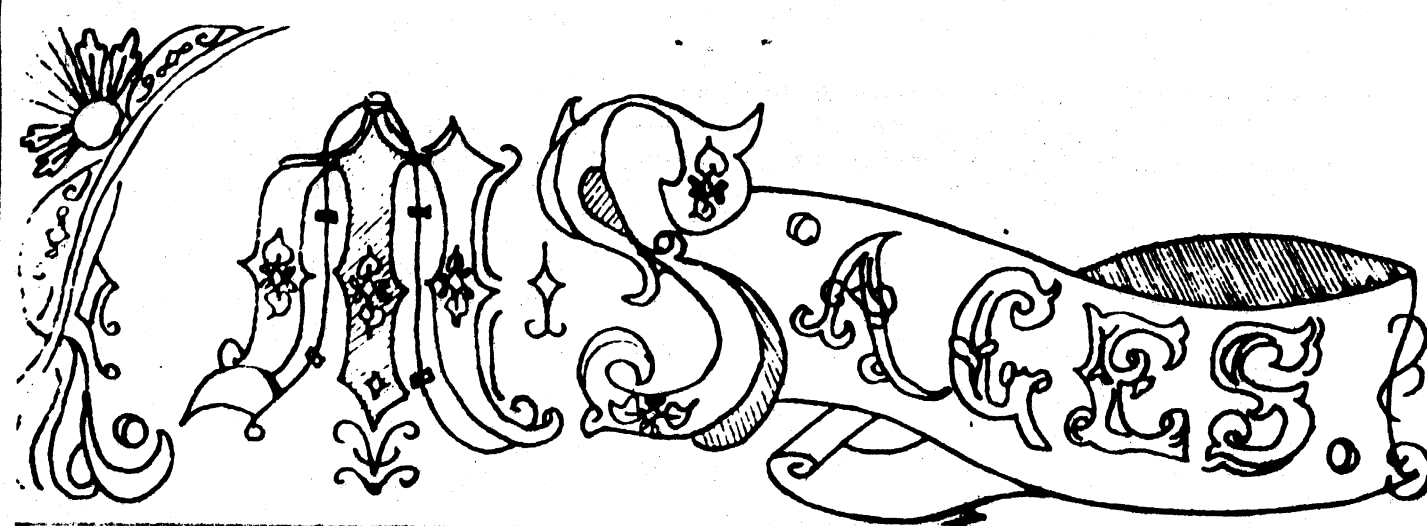

Everyone seemed to enjoy the day though there were some tired feet by closing time. The consensus seemed to be "Let's do it again."

The TLC for Students project is moving slowly, an order a month, which financially is far from profitable. However, we are encouraged to continue when we receive notes from those who ordered thanking us for the "wonderful service." Another commented that she now knows the University is not the cold unfriendly place she had thought it was. If we can build good-will it seems to be worth continuing. Every member can help by spreading the word. The recipient need not be a student. Cakes have been made or will be made by Sharleen Beberness, Thelma Brinton, and Margaret McKean, and delivered at the appropriate time by other volunteers.

HERE WE GO AGAIN! Due to popular demand, the Club will have another bazaar this year. It will be held downstairs at Wardenburg on November 10th. If there is a particular area in which you would like to work - such as the kitchen, craft table, "white elephants," etc. - please let your wishes be known by calling Clare Baird, 494-6392. Those who worked last year can tell you what fun we had! So pass the word and when you're packing for that vacation trip this summer, be sure to take along your knitting needles or sewing kit and whip together a few little things for the bazaar. There will not be a raffle this year.

The R.S.V.P. Pink Elephant Sale will take place at the Armed Forces Reserve Center on Table Mesa Drive on May 19, 20, 21. Please call R.S.V.P. office 443-1852 if you have any donations.
