NOVEMBER MEETING

Date: Tuesday, November 14, 1978

Time: 12:00 noon

Place: UMC East Ballroom
Lunch -- Aspen Room

Program: Professor Charlotte Ireby and the Colorado Dance Caravan

Cost: \$3.75 per person. Guests welcome.

Reservations: Phone Doris Goodrich, 494-6764 or
Caryl Kassoy, 494-9017 by November 9.

The program for this meeting promises to be unique and interesting. Professor Charlotte Ireby is Director of the University Dance Department. She is in charge of the Dance Wing of the Colorado Caravan. The Dance Caravan is a group of modern dance majors who travel in two groups throughout the state during each Spring semester and present a lecture-demonstration in high schools. Occasionally they teach a dance class and sometimes perform for community audiences.

The group was organized to serve several purposes. Its primary purpose was to introduce the art of dance to high school students and communities who have little opportunity to see live performances. The lecture-demonstration is designed to introduce the audiences to the basic elements of dance and to show how these elements may be used in creating a dance. The presentation finishes with the performance of two or three dances.

After the dance demonstration, we will adjourn to the Aspen Room at 1:00 p.m. for lunch. The entree will be a quiche of bacon, mushrooms, and onions. This will be accompanied by tossed salad, rolls and butter, broccoli, beverage and walnut cake for dessert. Fall flower arrangements will be our table decorations and may be purchased after lunch.

We look forward to a pleasant, informative, and entertaining afternoon. Bring a friend if you like and please join us!

Remember, call Doris or Caryl by November 9 for your reservation.

NOSTALGIC NIGHT ON THE CAMPUS

The next University Women's Club program, "Nostalgic Night on the Campus" will be Saturday, April 23 and will be a fun filled evening of "those good old songs" in the Chapel of Old Main and the unique opportunity to "eat to your heart's content" at a dessert pot luck at the University Foundation Center, 1305 University Avenue.

The program will start at 7:30 p.m. with the Boulder Timberline Chorus, a chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Inc., presenting their diversified and popular songs.

The chorus is composed of men from a variety of professions who were brought together by their love of music and the Barbershop style of singing. Barbershop is one of three native American music forms, the other two being jazz and spirituals.

We ask that everyone who plans to attend the program bring a favorite dessert. The University Foundation Center will be open from 7:00 to 7:15 p.m. so you can drop your dessert off prior to going on to the program at Old Main. Refrigeration will be available for the desserts that need it. (Please cut your dessert before bringing it, or bring your own knife to the Center.) Coffee and tea will be served with the desserts.

Bring your husbands and invite your friends to this entertaining evening. Please call Anne Turner, 494-7358 or Alvena Rogers, 499-6508 by April 23 to make your reservations.

Six couples make up each Dinner Group, meeting on either Saturday or Sunday evenings. They have dined on delicacies from such countries as Italy, France, Germany, the Yucatan Peninsula, the City of New Orleans, and a 13-course Chinese Feast.

Both Luncheon Groups have twelve members, pairing off to prepare six lunches during the year. So far they have enjoyed French, Italian, Russian and German cuisines to name a few. Although the dinner and luncheon groups consist of a nuclei of members who participate year after year, new members are heartily welcomed. Sign up in the Fall!

THE UNIVERSITY OF COLORADO WOMEN'S CLUB
AND
THE FRIENDS OF THE LIBRARY - BOULDER

The University of Colorado Women's Club and The Friends of the Library are embarking on a joint project of publishing a collection of recipes to benefit the University of Colorado Libraries. A good cookbook can generate funds for many years. With the donation of your favorite recipes, and your help in putting it all together, we can make this a terrific cookbook.

Because we want profits to be as great as possible, most of the publishing process will be done by volunteers. Besides the obvious jobs of collecting and testing recipes, we will need help with layout, typing, publicity, marketing, processing orders, handling receipts and even naming the cookbook.

Please enter as many recipes as you like and encourage your friends and relatives (male and female) to do the same. It is not necessary to be a member of either sponsoring organization to have recipes considered or your services gratefully accepted. All are welcome; all recipes will be tested and evaluated to insure a quality cookbook. Start thinking today about forming individual testing groups to work over the summer or to get started in the Fall.

Many hands, many talents and great enthusiasm will make this a successful venture. Your efforts in all phases of the work will be greatly appreciated. Please join us. We will be glad to answer any questions, just call Sheryl Kuempel, 494-6370 or Nancy Cateora, 499-7659.

Please read the following pages of this issue of the MSages for they contain more information about the cookbook.

COOKBOOK

PLEASE send in your recipes!! The potential income of a successful cookbook can help make our CU libraries outstanding and the profits can continue for many years. This is something we can all be proud of being a part of, but we need your constant support in donating recipes, testing them, typing, and the dozen other jobs as yet unknown.

The guidelines are just that!, to help answer questions, to jog your memory, etc. Not every recipe will need all the information outlined. And remember, you are encouraged to turn in many recipes. Variety will make our cookbook a best seller. Do it today!

FROM YOUR PRESIDENT, 1979-1980

Plans for our upcoming year are being made and promise another exciting year. The cookbook project will continue through the summer and most of next year. Please keep it high on your list of priorities and volunteer for some of the many jobs.

The Welcoming Tea will be held Wednesday, September 19, the location to be announced. We want to emphasize contacting and inviting new faculty and staff for this event.

The October meeting will be lunch and a bus tour of historic Boulder homes conducted by Jane Barker.

November plans include a behind the scenes tour of the Museum of Natural History.

December 8 is set for the annual President's Holiday Ball.

During our usually quiet month of January, we hope to have a series of tasting luncheons. All those recipes must be tested!

February - to be announced.

The annual Fashion Show Luncheon will be held Tuesday, March 18, 1980 at the UMC Ballroom.

April is scheduled to be "mini-month." We are planning a series of programs throughout the month. In order to determine the degree of interest, we are asking you to respond to a brief poll at the end of this newsletter. Please take a few minutes and let us know how we can make your club more interesting for you.

May's program is undecided at this time, but will include our annual tribute to retiring members.

Please join us in all our activities next year and encourage your friends within the University community to join our organization. We want all of you to make a special effort to seek out new faculty and staff and invite them to join us.

While you are thinking about UCWC and answering our poll, send in next year's dues (\$5.00); you will receive the regular September mailing for interest group sign ups. With all our "regulars" paid we can concentrate on newcomers and lapsed old timers.

Fill out the form on the following page, answer the poll and save a stamp by including your membership fee for 1979-80. It is important for all of you to respond to the poll; we need to hear from you in order to plan programs that will interest you enough to attend them. Please respond!
