COOK OUT & NEW WIZARD OIL COMBINATION WILL BE
FEATURED OCTOBER PROGRAM

Mark your calendars now for Friday evening, October 9, 6:30-10:15 P.M. for you will want to join us for a gala evening at Koenig Alumni Center.

The cook out will begin at 6:30 -- we ask that you bring an appetizer, salad, or dessert to pass. Hamburgers and trimmings and beverages will be provided -- the cost is estimated to be \$1.00 each. Following the cook out, we are truly delighted that the New Wizard Oil Combination will be our guests and promise to make our hearts sing in tune with our contented tummies. This group of male singers is composed of lawyers, doctors, and professors in the Denver area who get together weekly to practice because they love to sing. Their talents are in great demand and we are fortunate they have agreed to be with us.

Please call either of the two co-chairpersons for the event, Doris Garcia, 494-8860 or Kathryn Romney, 494-9492 by Wednesday, October 7 to make your reservations and to give them your choice of what you will be bringing.

A SPECIAL NOTE TO C.U. STAFF

This mailing is being sent to wives of C.U. staff and women staff who have joined the university community within the past year. Our group originated as the Faculty Woman's Club, but was changed several years ago to include C.U. staff as well, for we would like to encourage close ties between the two groups on campus.

We apologize to each of you that we did not obtain your names in time to invite you to the membership reception on September 16. The best part of the academic year lies ahead. We hope you will become a member and help us get acquainted with you.

FROM OUR PRESIDENT

A sincere and heartfelt thank you to the many UWC board members who carried through with great helpfulness to bring about the September 16th membership reception. A special word of thanks must be given to Frances Nakosteen and Barbara Klemme for their efforts in co-chairing the event. It was a wonderful send-off for our new school year, and their planning made it all happen.

There is still time to send your \$5 membership dues to our treasurer, Anne Turner. The membership form and interest group choices are reprinted in this issue for your convenience. C.U. faculty and staff wives as well as full time women faculty and staff are eligible for membership. We have intentionally balanced the number of daytime and evening programs to enable those of you who work outside the home to participate. We need your ideas and your friendship. Please join us for what promises to be an exciting year.

Sincerely,

Val Havlick

FROM YOUR PRESIDENT

The October cook out and New Wizard Oil Combination program were every bit as much fun as we had hoped they would be. It was exciting to see so many of you there -- and I'm glad you were able to read between the lines that it was for husbands and guests -- not ladies only. My deep thanks to Doris Garcia and Kathryn Romney who served as co-chairpersons and to Ellen Draper whose knowledge of Koenig was invaluable.

The membership directory is being typed -- we plan to have it to you by early November. Our membership is growing, but we need you and your friends to make the year successful.

YOU ARE INVITED TO THE COLORADO WOMEN'S ENERGY FORUM----

Are you concerned about our nation's energy future? If so, perhaps the Colorado Women's Energy Forum is of interest to you. It will be held November 4-6, 1981 at the Marriott Southeast in Denver, and Gulf Oil Corporation which is funding the workshop has made four invitations available to the University Women's Club. They will provide your hotel accommodations (double occupancy rooms) and meals during the Forum. If you are interested in more information, please call Lois Linsky, 499-2689. We must return our confirmations within the week -- no later than October 23.

THE COLORADO COOK BOOK

As all of you know (we hope) the cookbook is a reality and certainly something we can all be proud of. Thanks to each of you who helped in so many capacities over the last two years. Now the rest of the job needs to be done!!! We still have 14,000 books to sell and there are many jobs waiting for volunteers. These are quite different from the earlier jobs so please go over the list below and select one you find interesting. We are on the threshold of having an honest to goodness best seller on our hands so we need all hands to follow through. Some jobs are on a weekly basis, some are just occasional hours but each one is essential. Join the Cook Book Bunch now!!

PLEASE CONTACT SHERYL KUEMPFL OR NANCY CATEORA IF YOU CAN HELP US OUT WITH ANY OF THESE JOBS. Call Sheryl at 494-6370, early mornings or evenings are best. Call Nancy at 499-7659. Or call Library Administration at 492-7511 or Personnel Business Services at 492-8684 and ask for us or leave a message and we will get right back to you.

COOK BOOK BUNCH JOBS

1. **Book Distribution - Commercial**
Make initial personal contact with book stores, kitchen and gourmet shops, and selected gift shops in an assigned area. Cover assigned area once a month to check that stock of cook books is sufficient. After first personal contact, telephone contact is possible. All necessary information will be given you.
 2. **Book Sales - Special Events**
Sign up to sell the cook book at any or all of these events for just a few hours or all day.
 - a. **Boulder's Potter's Guild Sale** - We have been invited to sell at this sale. It is a very well attended event and would be well worth our while to be there. We would like the table manned November 6 from 12 - 9, and November 7, 8, 13 and 14 from 10 - 6.
 - b. **Parents Weekend** - November 7 from 9:30 a.m. to just before game time at the events center. We have made arrangements with the organizers of this event for a table, but we must man it. They are planning for a very large turnout. HELP! us sell the book here.
 - c. **YWCA Christmas Fair** - Help is needed at this very popular event on November 27 from 3 - 8 and on November 28 from 8 - 6.
 3. **Book Sales Chairman - UMC**
Organize sale of books at the UMC from November 11 through November 24. We would like the tables manned from 9 to 5. Your job would be to recruit enough people to be sure the table is covered at all times. We will also have some student help. You will be given all information necessary. Everyone working at this time should be available for a brief meeting sometime the week before. This should be a fun place to work if you like student contact. We are hoping that the cook book will be THE Christmas gift for students' friends and relatives.
 4. **Traveling?**
If you are going on a trip and would like to sell some books - let us know. Anywhere in the USA. We will supply you with sample copies and proper ordering information. Especially important will be the coverage of the winter tourist towns. Going to your cabin? Sell a few books.
 5. **Office Help!**
 - a. Help with a mailing of a letter introducing the cook book to merchants in the state of Colorado and surrounding areas. This will probably just involve typing address labels and applying them.
 - b. **Book Boxing Chairman** - Person will organize a book boxing and book checking session once a month at the library.
 6. **Delivery Detail**
Make commercial deliveries, especially in Boulder but also some select Denver and suburban deliveries.
-

DECEMBER, 1981

 From your president. A big thank you to Peggy Earnest and Fran Dickinson for making arrangements for the November program at the Henderson Museum. It was a super afternoon!

If you have not received a membership directory, please check the address label on this newsletter - a smiling face indicates we have not received your 1981-82 dues. We miss you and hope you still want to be part of the group. Just send your dues to Anne Turner, 210 Kiowa, Boulder, Colorado 80303.

Please read the article about our Colorado Cook Book. The board at the November meeting endorsed the distribution of the cook book as the major UWC contribution towards Norlin Library this year. Each member is being asked to help with distribution - be it by giving books for wedding or holiday gifts, or by going with another UWC member to some retail stores suggested by our marketing team.

I hope you are all able to attend the Chancellor's Holiday Party on Saturday, December 12, 9:00 to midnight. Dancing and light refreshments - a perfect way to begin the holidays. May they be filled with joyful moments with family and friends.

 *Val Herlihy*

Colorado Cook Book. We still need a lot of support to sell out our first printing (8000 sold, 12,000 to go). We believe The Colorado Cook Book can become a regional number one best seller by using volunteer help if each of you will promote it to family, friends, and businesses. We will be happy to check out books on consignment. Pick up points are Eleanor Taylor, 214 Seminole; Ellie Pollack, C.U. Key Shop, stadium gate 9, lower level (parking available), or call Sheryl Kuempel evenings, 494-6370, or Nancy Cateora, 499-7659.

The cookbook sells itself if you simply point out its features, leave the book on your coffee table, or mention to friends that the recipes they are enjoying come from the book.

 Cookies Needed....Meals on Wheels. First of all, thanks to all of you who have volunteered to bake cookies for Meals on Wheels. These home-made treats are truly appreciated and help to make the delivered lunches more special. However, the present number of volunteers will provide cookies for only eight months. Let's provide them for twelve months!! If you haven't already volunteered to bake or if you would be willing to bake twice this year, please call Betty Fischer, 447-0147. We ask for three dozen cookies once a year. Drivers are needed to deliver these meals. If you can help in this way, please call Sheila Quick, 441-3148.

Recently some of us cleaned out the UWC storage room in the UMC. There are many records and reports dating back 20 years or so - it would be a fascinating project for a history buff. Any volunteers for Historian? Please call me at 494-0664 or Carol Smythe at 494-9393 if you are sort of interested.

Last but not least, please, please help us market the cookbook. Any amount of time that you can give will be appreciated. Simply fill out the coupon in this newsletter or call:

FROM YOUR PRESIDENT

One of the nicest parts about being your president this year is the chance I have had to meet many new people. In previous years I never attended all the monthly programs for the club, but this year I have felt a commitment to do so. I realize now the golden opportunity I have missed - and so are many of you!

The Progressive Dinner on February 12 is a case in point. Sixty-seven of us enjoyed great food, the lovely view from eleven stories up in the Physics Tower, old friends, and new friendships. A big thank you to Libby Lipstreu and Jane Beagle who did a superb job of organizing the evening with warmth and gracious hospitality. Accolades are also due those who offered their homes for the middle part of the evening - Betty and Bill Fischer, Claudine and Lou Garby, Henrietta and David Potter, and Anne and Dick Turner.

Still to anticipate are The Marriage of Figaro and dessert evening on March 12, the annual Fashion Show and Luncheon on April 13, and the luncheon on May 7 in honor of this year's retirees. Why not plan to come and invite someone who might enjoy becoming a member of our group! Let's each try to introduce one other person to the Women's Club. Both faculty and staff are eligible for membership, and it is one of the very nicest ways available to create friendships within the University community.

Have a happy month!

COOKBOOK CORNER

Ooops, we slipped----

When credits were given to people who have spent many hours helping the Colorado Cookbook, we neglected to mention Heather Southwick, Marie McBride, and Liz Hallick. We are sorry - we do truly appreciate all you've done.

Incidentally, we still need lots of help with many areas. If you can spare an hour or two to help with boxing, correcting, labeling, or selling, please call: Sheryl Kuempel, 494-6370, or Nancy Cateora, 499-7659, or leave a message at the Norlin Library Office, 492-7511 or 492-8275. We have sold over 12,000 copies of the book now - still 8000 to go of the first printing. Let's get them all sold this spring!!!

Cookbook Correction: Page 261, part 6, top of page should read: "6. Beat egg yolks, add a little milk mixture, stir, and blend all back into milk. Boil one minute."

FROM YOUR PRESIDENT

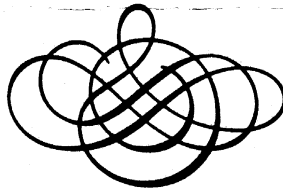

First of all, a big thank you to Erika Runnels and Joan Knaub who shared responsibility for The Marriage of Figaro evening, especially the informal time together in Koenig after the show. I'd also like to thank our treasurer, Anne Turner, who collected the money and purchased the tickets. What a happy evening it was!

There is still time to order your tickets to Spring Kaleidoscope, this year's Fashion Show Luncheon. It is our main fundraiser; \$4.00 of this year's ticket price is tax deductible. These proceeds will benefit student scholarships at C.U., so invite your friends and neighbors and order your tickets today!!!

Many of our board meetings this year have devoted considerable time to discussions on how we can change our image from that of a "faculty women's club" to a total university women's club which we voted to become some ten years ago. Apparently very few women staff spouses and women staff are aware that they are eligible for membership in UWC. We must also keep trying to make our programs versatile so that those who have full time employment find them interesting and at convenient times for them. I would welcome your ideas on how we can make ourselves known and appealing to the staff and to more faculty as well.

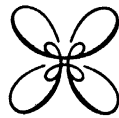

Last, but not least, another goal for this year was to provide a free luncheon in May for all members in honor of retirees. This is happening on May 7. **SAVE THIS DATE** - from 12:00 noon to 2:30 p.m. - for your treat for being so supportive and helpful throughout this year.

FROM YOUR PRESIDENT

I find it hard to believe summer is almost here and another school year will soon end. It has been a good year for the Women's Club, I think. We have joyfully added many new faces, but sadly find some familiar ones missing. On the optimistic side, we have some new ideas for better exposure of our group to staff and faculty next year. We are very excited about the scholarships we are offering for fall, 1982 to one or more older female C.U. students who show serious desire to complete a college degree after some time away from the student life. These moneys come from Fashion Show proceeds. The May luncheon honoring this year's retiring faculty and staff women or wives should be a nice way to end the year.

A big thank you to Rosemary McBride and Bev Graham for their coordination of the April Fashion Show as well as to Ticket Chairwoman, Jean Gless, and Decorations Chairwomen Edith Dell'Apa and Roz Pfaff. They are part of a long list of UWC members who have unselfishly served on my board and the board-elect, who have helped with one or more programs this year, who have sold cookbooks, baked Meals on Wheels cookies, volunteered at Wardenburg, and participated in interest groups. I am deeply grateful to all of you.

In May, your new president, Carol Smythe, takes office. My best wishes to Carol for a very happy and successful year. With her at the "helm", I look forward to an exciting year!

BULLETIN BOARD

May Board Meeting: Thursday, May 13, 10:30 a.m. A salad potluck for the three boards -- place, Val Havlick's, 665 Emporia Road. Each current board member and board member elect is asked to bring a salad to serve 6 to 8. Each current board member should have her notebook updated and ready to turn over to her successor. A report in triplicate of responsibilities for this year, as well as any suggestions for next year should be included. Remember to cull out all papers for years before 1977 for the University historian.

Interest Group Chairwomen: All interest group chairwomen are asked to write up a report of their group's activities for the year. It should be done in triplicate and mailed to Jean Loeffler before May 11. It is also extremely helpful for beginning in the fall if you can choose a chairwoman for next year now and include her name in your report.

Would you like to become more involved in the art community?
The University Fine Art Galleries is starting a docent program and needs a few interested, enthusiastic volunteers. The program involves a classroom session on the nature of art and visual perception, and tips on public speaking in the gallery. Docents will meet with the Gallery Director and attend the visiting artist lectures. The demand on the docents' time will be minimal, as we are in the pilot stages of development. No tours will be conducted this summer, but if the response to the program is positive, we hope to conduct tours next fall. If you're interested in art and would like to share your enthusiasm with others, please direct all inquiries and questions to Ellen Guenin, 447-1524.

Board decisions: The proceeds of the April 13th Fashion Show have been designated to benefit C.U. student scholarships. At our April Board Meeting it was decided to award one or two scholarships to resident females at least 24 years of age, who have returned to school after interrupting their educations for different reasons. These scholarships are for undergraduate and/or graduate students who have already completed at least one semester of work with a minimum 3.0 GPA and who show serious intent to finish school. Applications are available from the financial aid office in the basement of the Environmental Design Building.

The last meeting of the Book Discussion Group for this year will be on Thursday, May 13 at 8:00 p.m. at the home of Debby Taylor, 3290 Heidelberg Drive. Liz Stimmel will review Candida by G.B. Shaw.
