UNIVERSITY WOMEN'S CLUB • BOULDER

OCTOBER, 1982

MESSAGE FROM YOUR PRESIDENT

It was nice to see many new faces and greet friends at the University Women's Club Membership Luncheon on September 22.

My sincere thanks to Ellie Pollack, Joyce Smith and Barbara Klemme for their support and planning of the luncheon. I would also like to thank the UWC Board members and Interest Group chairmen for their assistance and for being available to answer questions about our organization.

There are numerous interest groups and programs planned for mornings, afternoons, evenings and weekends, so we look forward to having many of you participating in our activities. Service groups needing volunteers are Wardenburg Health Center, Cookies for Meals on Wheels, Recording for the Blind, and the Cookbook project. A copy of our program, interest groups and a membership form is attached to this newsletter. Just a reminder - if you are attending an interest group, you must have paid your \$5.00 membership fee.

Plan to join us Sunday, October 17, at the Fiske Planetarium for a family tour, show and refreshments.

Sincerely,

Carol

People unable to attend the Luncheon but who want to participate in Interest Groups, call Jean Loeffler 494-5058

Proceeds from our last Spring Fashion Show were used for scholarships for two single mothers on campus:

She has taught a course in self defense and Creative Writing at the Free School.

Pia Piro, at age 35, decided to return to school. She has a son. Pia has worked with children who are emotionally disturbed and taught theatre to Special Education classes. She has been involved in theatre for some time and shared her talents with shut-in and incarcerated persons. Pia is majoring in Education, with emphasis on Communications.

SUNDAY OCTOBER 17

2-4:30 P.M.

FISKE PLANETARIUM TOUR
SHOW

Did you know that

the largest planetarium between Chicago and the West Coast is Fiske Planetarium?

Have you seen

Fiske Planetarium's Zeiss star projector, presently worth \$2-3 million, which can project 9,000 stars, the sun, moon and visible planets?

Have you experienced

Fiske's lazer system which uses a 2 watt lazer to produce vivid reds, blues, yellows and greens?

Have you seen

Fiske's auxiliary projection systems which utilize over 250 projectors to produce striking panoramas?

Have you heard

Fiske's sound system which produces magnificent sound, using computer designed speakers, DBX noise reduction and 300 watts of amplification?

Did you know that

This remarkable facility is located right in Boulder on C.U.'s campus?

The University Women's Club has reserved Fiske Planetarium for our own private tour and show followed by refreshments on Sunday, October 17, from 2-4:30 P.M. At 2 P.M. we will have the opportunity of taking a special "behind the scenes" tour to see how this fascinating facility works. At 3 P.M. we will see the dramatic show, "The Last Question" based on science fiction author Isaac Asimov's book. This extraordinary presentation examines mankind's attempt to answer, through computers, the ultimate question, "What will we do when the universe's energy is gone...when the stars (the sun!) begin to fade and burn out?"

Members of the University Women's Club and their families and guests are welcome to attend (children over the age of 6 are invited.) The reduced cost is \$2.00 for adults, \$1.50 for children and youth ages 6-16.

We hope you will mark your calendar now and plan to join us for this unique opportunity to tour Fiske Planetarium and to experience at this private showing the awesome presentation of "The Last Question".

NOVEMBER, 1982

MESSAGE FROM YOUR PRESIDENT

If you haven't already done so please take advantage of these cold, rainy days to catch up on such things as mailing your membership dues to our Treasurer, Eleanor Taylor, 214 Seminole Dr., Boulder, CO 80303. This way you can sign up for Interest Groups or some of the many volunteer activities the University Women's Club has to offer.

The membership directory is being compiled and should be mailed by the end of October.

Our next program will be a "Behind the Scenes Tour of Henderson Museum" with three faculty members explaining their contributions to the Museum and exhibits. November 10 (Wednesday, from 1:00 to 3:30) is the date and time for this unusual tour. The CU Medical Wives have been invited. Plan to join us then.

Sincerely,

Women interested in assisting as hostesses on Blood Donor Days, November 4 and 5, from 9:00 A.M. to 3:00 P.M. in Glenn Miller Lounge, please call:

Dolores McDonald 449-7731 9:00 A.M. - 10:00 A.M.

or

4:00 P.M. - 5:00 P.M.

DAYTIME INVESTMENTS GROUP

The Daytime Investments Group of University Women's Club will host an information meeting on Tuesday evening, October 26, at 8:00 P.M., at Koenig Alumnae Center. Anyone interested in investment clubs, investment strategies in the stock market, forming a new daytime or evening group, etc. is welcome to attend.

If you have any questions concerning the meeting, please call Muriel Briggs at 443-9375.

Guess Who planned a big get-together at Fiske Planetarium on the very same Sunday afternoon as WHO decided to have a Concert in the Stadium? Right!!! University Women's Club, in spite of looking at all possible (we thought) fall calendars for Campus activities, did just that! Those of us who braved the hordes of young concert-goers had a really great time touring, gazing, listening and having refreshments. "The Last Question" fascinated and awed all of us.

How about this for a Neiman-Marcus type of Christmas Gift for the "one who has everything"

In the gift shop in the lobby you can purchase
books, posters, etc. of science and astronomy
fiction

and

.....

the ultimate gift

..... 1000-acre plots of LAND ON MARS!

BEHIND THE SCENES TOUR OF HENDERSON MUSEUM

Wednesday, November 10 1:00--3:30 P.M.

Our November 10 meeting will provide us with the opportunity to glimpse behind the scenes of Henderson Museum.

We will have three faculty members on hand to show us some of the interesting and detailed work they do. These faculty members will be: 1) Anne Hedlin, Curator of Southwestern Ethnology and Textile Technology 2) John Rohner, Curator of Museography and 3) Bill Weber, Curator of Botany.

We will meet at Henderson at 1:00 P.M. and, in small groups, visit each of these three areas for a chance to see what work is done before the collections become exhibits.

Our Behind the Scenes Tour will be followed by light refreshments in the lobby of the Museum. We hope many of you will join us for what promises to be an enjoyable and informative afternoon.

CAMPUS EXPLORATION I

This visit to the administration area of the University is the first in a series of "in-depth" tours designed to give UWC members a broader view of C.U. activities.

Campus Exploration, initiated at the suggestion of Edna Weber, is sponsored by the Hostess for Campus Tours group. The January 27th tour will be limited to 25 participants, so reservations are necessary.

U.W.C. YEARBOOK

Many of you may have noticed the new seal on your membership yearbook. Al Slobodin from C.U.'s Graphic Arts executed the suggested layout for our new logo.

1918 was the date of the beginning of our organization. At that time we were called Faculty Wives. Since then we have broadened our membership to include staff of C.U.; thus the change in name to University Women.

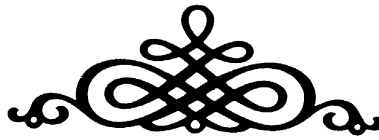

We selected Hellems building to be featured on our logo for a number of reasons:

1918 marked the beginning of construction of Hellems. Hellems was the first building on campus to feature Charles Klauder's rural Italian architecture which sets apart the beauty and continuity of our C.U. campus. In addition, Hellems serves as the entry to the Mary Rippon Theatre. Mary Rippon was a woman who played a prominent role in the early history of C.U.

The flame at the top of the logo is an integral part of the C.U. seal just as University Women play an integral role in a part of the University of Colorado. We hope you like it.

Developing a logo and putting together our annual directory during busy November printers' time, I'm indebted to Vivian Kalk. Vivian typed a neat membership list ready for press. Also thanks to Mary Jane Husbands, Dot O'Sullivan and Eleanor Taylor for their patient cooperation. Our membership is now at 253.

Rosemary McBride, Membership Chairman

WINE, CHEESE & SONG!

Our program for February will be a Wine & Cheese party with the evening's entertainment, a variety of music in the "barber shop" style, provided by the Mountain Melody Chapter of Sweet Adelines, Inc.

For those who are not familiar with this outstanding singing group, Sweet Adelines is an international non-profit barber shop harmony organization for women whose motto is "Harmonize the World." The Mountain Melody Chapter is very active with frequent local performances and extensive participation in regional and international activities. Since chartering in the fall of 1977, the chapter has won the Small Chorus Award three times, and placed third in annual regional competitions.

We hope many of you will join us for what promises to be an entertaining evening. Remember -- spouses and guests are especially welcome at this event.

DATE: Friday, February 4, 1983

TIME: 7:30 P.M.

PLACE: Koenig Alumni Center

COST: \$2.00 per person

Please send money for reservations no later than January 28th to:

FEBRUARY, 1983

FROM YOUR PRESIDENT

A request for volunteers has come from Sharon Gause in Norlin Library to help list and "tag" all books in the library. This is an enormous job and if you have a few hours during the week to volunteer on a regular basis it would be a great contribution to the library. If you have a willing friend, some of us found it helpful, but not essential, to work in pairs. I hope many of you will be able to support this service project on campus. Contact Sharon Gause or Steve Wrede at 492-7477 in library circulation for further details.

Those of us who attended the January 27th tour of the President's Office, Regents' Room, Finance and Admission Offices, not only had the opportunity to see these facilities and enjoy coffee and cookies in the President's Office, but we were able to hear such knowledgeable people as Ted Volsky, Vice President; William Fischer, Vice President for Budget; Vice Chancellor Kay Howe; Peter Barden, Director of Financial Services; Jana Lynn, Assistant Director of Admissions; and Ann Miller, Assistant Registrar. My thanks to all of the above and to Susan McLane and Cynthia Shultz for planning this very informative tour. Be sure and plan to jump the bus for the Housing Tour on March 24th. Check for details elsewhere in this copy of MSages.

By the time you receive this we will have heard the Sweet Adelines perform at our party at the C.U. Foundation. My thanks to Emily Sherman and Jeanne Duffy-Meyers for planning the evening and to Penny Kisslinger and the Sweet Adelines for the entertainment.

This committee to nominate a President, Secretary and Treasurer for 1984-85 has been appointed:

Valerie Havlick, Chairman
Jane Beagle
Helen Duhon
Libby Lipstreu
Rosemary McBride

If you have suggestions for these offices or would like to volunteer your services, run to the telephone and call Val Havlick.

Happy Valentine's Day!

Carol

Better Living through Diet and Exercise group will meet on March 1 at 7:30 P.M. at the home of Wil Shull, 1490 Patton Drive. A program on stress-management is planned. For further information, call 492-5620.

THANK YOU

20 Dec. 1982

Dear Carol:

Harrison and I want to express our appreciation to the members of the Women's Club who worked so hard sending out invitations and attending to the many details that made the inauguration so lovely. We know those hours, especially before Christmas, are a sacrifice and we consider the talents and efforts a splendid gift both to the University and to us personally.

May you all have a holiday season as happy as you have made ours and the best of New Years.

With sincere thanks,

Wil Shull

SPRING BEST from MAY D&F
LUNCHEON AND FASHION SHOW
BENEFIT for WOMEN STUDENTS' SCHOLARSHIPS

WEDNESDAY, APRIL 13
12:00 Noon, UMC Ballroom

We are very excited this year about plans for our annual spring luncheon-fashion show. We are planning a delightful luncheon featuring shrimp quiche and fresh fruits. Because May D&F will be opening a new store in Boulder in August, we are especially happy that May D&F will be presenting the fashion show. The show, "Spring Best from May D&F", should be an outstanding, professional presentation. Fashion trends will be emphasized. The fashion co-ordinator, Lavelle Olexa, will be freshly arrived home from Paris, so she will be able to inform us of trends in Paris as well as those in the U.S. There will be a number of door prizes, including some donated by May D&F.

The fashion show is our one fund raising event for the year. This is a benefit for C.U. women students' scholarships. The price of the luncheon-fashion show is \$12.00. Four dollars of this will go to the scholarship fund and is tax deductible. The breakdown for the cost of the ticket is as follows:

\$ 6.25	food and wine
4.00	scholarship fund
<u>1.75</u>	expenses
\$12.00	

People wishing to be seated together should place their ticket orders together. Send your order form with payment and a stamped, self-addressed envelope to:

Nancy Hodge

With rapid change all around us, some things do remain the same - The University Women's Club annual membership tea, for instance, scheduled for WEDNESDAY, 21 SEPT., 1 to 4 p.m., in KOENIG ALUMNI CENTER.

Another unchanging item: Dues, which remain at \$5.00 per year.

The Executive Board and I invite all university affiliated women who are wives of faculty, faculty women or staff women to join our club, and we extend a special welcome to newcomers to the university. We are a service and social organization which proudly presents two scholarships annually as well as financial aid to women students, and we do volunteer work on campus and in the community.

Each month, we provide social and cultural programs for our members, and we also enjoy small group get-togethers via the Special Interest Groups listed in this invitation. New friends can be made and lasting friends continued. Come "look us over" at our membership tea Sept. 21st. The membership form and minimal \$5.00 dues will be collected at the tea. APRIL, 1983

FROM YOUR PRESIDENT

In the March MSages, I stated that "Spring was just a few more snowflakes away." Perhaps that was the understatement of the month!

By the time you receive this, our Spring Fashion Show and Benefit will have taken place and my thanks to Norma Eckstrand for her work as the first Chairwoman of the Fashion Show and to Norma Schattke and Nancy Hodge for taking over as Co-Chairwomen for the event when Norma had to resign. Many hours of planning and work with the May D&F went into the show and I thank everyone involved for their efforts.

The recipients of the scholarships produced from the Fashion Show Benefit will be announced at our Retirees Luncheon, May 4, 12:00 noon, at the Golden West "Sky Room." This will be the annual luncheon to honor retiring Women's Club members who are faculty, staff or wives of faculty or staff members. The speaker will be Josephine Robertson, a very talented Boulder writer. Please check the notice later in MSages for details and plan to join us for an entertaining afternoon and the last Women's Club program for the school year.

Since this will be the last issue of the MSages for the semester, I want to take this opportunity to thank my Board members for their support and hard work this year and to thank all of the UWC members who have helped with programs and volunteered their services in so many ways during my presidency. It has been a very enjoyable, rewarding year for me and I thank you for giving me the opportunity and the privilege of serving you as your President.

On May 11 Edith Dell'Apa will become the new President of the UWC. May she be blessed with the wonderful support I have received! My best wishes to Edith and her Board for a very successful year.

RETIREES LUNCHEON

Wednesday, May 4

12:00 Noon

Golden West Manor
1055 Adams Circle
North Building

This will be a potluck salad luncheon. Please bring a salad to serve 6-8. Dessert and beverage will be provided.

Our program for this luncheon honoring our retirees promises to be an interesting one!!

"My London Garden Adventure" will be the subject of an illustrated talk by Jo Robertson. Mrs. Robertson will tell of her interest in the restoration of a lovely old London church slated for demolition, where, in the church yard, lie two distinguished 17th century plant explorers, the John Tradescants, father and son. Through the strenuous efforts of garden lovers and historians the church was saved, made into a garden center and the church yard planted as a memorial in 17th century style. Mrs. Robertson was one of the first American members of the Friends of the Tradescant Trust. From the start an enthusiastic supporter has been the Queen Mother. At a benefit garden party held on the grounds of the beautiful estate of Hatfield, Jo had the privilege of being presented to the Queen Mother.

The Campbell Robertsons retired to Boulder from Wilmington, Delaware in 1967 and became active in community affairs. She is the author of nine inspirational books and many articles. She often writes features for Silver and Gold Record and for "The Green Thumb" published by the Denver Botanic Gardens.

Please phone in your reservation to Hilda Braenovich, 442-0178, or Jean Wainwright, 494-1248, by Monday, May 2.

CAMPUS EXPLORATION III

The College of Music will be the focus of the third in-depth tour of the campus. The Hostess for Campus Tours group, and any other UWC members who would like to join them, will meet in the lobby of the Music Building on TUESDAY, APRIL 19, at 10:15 A.M. After a briefing on Music College highlights and activities, they will go to Macky Auditorium to hear a music student's convocation, including a performance on the big pipe organ. Optional lunch at the UWC Tabor Inn will conclude the tour. No reservations are necessary for this tour, but if you have any questions, call Susan McLane at 494-1567 after 3:00 P.M.

EXPLORATION I featured visits to the President's office and Regent Hall, with talks by Vice President Ted Volsky and Vice Chancellor Kaye Howe. EXPLORATION II, arranged by JoEllen Wilson, took participants on a bus tour of housing facilities--from the new Maintenance Center to the Meat Shop, Laundry, and Bakery (with a delicious sampling of cream puffs!), and a visit to the Day Care Center, ending with lunch at Kittredge dormitories, and a talk by Housing Director Dan Daniels.

Both tours were enthusiastically received by those who took part in them!
