

University Women's Club Boulder

July, 1984

Dear UWC Members,

We are delighted to welcome you to another year with the University Women's Club. For several years, we have prided ourselves on maintaining the \$5 annual dues when other community organizations have assessed members anywhere from \$10 to \$35 or more. However, inflation has eaten into our funds along with everyone else's. As costs of postage, printing, and food services have increased, we have tried to keep operating costs within budget by asking members to contribute food for club activities and by using money from the club's reserve fund. In recent years, the practice of donating food has decreased in popularity and the reserve fund has been reduced to a minimal amount.

This year, we are planning many new programs and service projects as well as some old favorites. To carry out such a program, the 1984/85 Executive Board anticipates expenses of \$2225 for the upcoming year, based on actual expenses of the past year. These costs include the printing and mailing of Msages. and the membership directory, refreshments and program costs of monthly general meetings and interest groups, and a donation to the Macky renovation. As you know, we do not charge to attend any of the programs or interest groups, so the dues are our only way of defraying some of the club's costs. Dues of \$5 each from 250 members would provide only \$1250. Several choices exist: reduce activities of the club to fit within actual receipts, charge individually for each program, double our membership, or raise dues. Given the difficulties involved in each alternative, we have opted for the last choice. Therefore, we are raising dues for 1984/85 to \$10 per member and \$5 minimum per retired member.

In early September, the annual membership letter will give details of the coming year's program. We look forward to your participation and your support in the months ahead.

Sincerely,

Ellie Pollack

The 1984/85 Executive Board
Ellie Pollack, President

The University Women's Club of the University of Colorado is a service and social organization whose members donate time, money, and energy to various campus and community projects. Our activities include the Macky Restoration (one seat pledged), an art restoration project in the Fine Arts Department, our continued financial support of Norlin Library, The Colorado Cook Book sales, and our annual financial aid and scholarship awards to women students. We do volunteer work at Wardenburg Student Health Center and at the Library, assist with the campus blood drives and provide guides for campus tours. This spring the UWC will provide guides for Questors International who will be meeting in Boulder. As a social organization, monthly meetings of diverse interest are sponsored. This year these include a theater and museum tour, financial planning, investment counseling, health and nutrition, image improvement, and other lectures. Our special interest groups range from conversational French and German to athletics.

This year our aim is to increase our membership and to have more active participation by women faculty and staff. To initiate this drive we are suggesting that each current member make a special effort to recruit a new member.

We especially welcome all newcomers, faculty, staff, and University wives to join. It's a great way to become involved and to meet people campus-wide. As president, I urge you all to join us at the MEMBERSHIP BRUNCH and to become active participants. Only by your active participation can the University Women's Club be a viable organization and achieve its goals.

Sincerely,

Ellie Pollack

October, 1984

Greetings and thanks to all who attended our membership brunch. It was most encouraging to see so many returning members and new faces. I wish to extend special thanks to Nancy Cateora, Sheryl Kuempel, the ladies of both executive boards and those members who worked to make the dining and socializing so successful.

If you neglected to sign up for an interest group, remember it's never too late. Please note the various groups listed at the end of this newsletter. Karen Hearth, our interest chairperson (449-1709) will be happy to direct you to the group of your choice. This year we are offering a new interest group - "Art Tours" - in Boulder, Denver, and the surrounding area to be conducted by Ros Pfaff (499-4060) and Marilyn Peltzer (499-1454). The group will go to lunch and then tour a gallery.

Please make note of two upcoming events: October 22nd, Image--Color Profile Improvement and November 1st, Art Treasures of CU. Plan to join us for these programs as they are sure to be interesting and informative.

May I please urge those who have not sent in their dues for the year to do so promptly as the deadline for the club roster is October 17th. With your support and participation we look forward to an exciting and eventful year.

Sincerely,

Ellie Pollack Buchsbaum, President

Good-bye

It is with great regret that we must say good-bye to Edna and Arnie Weber, who have been with the University of Colorado for the last five years. Edna has contributed an enormous amount of time and effort as the charming wife of the President. She has been unfailingly gracious and helpful not only to the University Women's Club, but also to all other facets of university life. We will miss her very much and wish her the best of luck in her new endeavors at Northwestern.

Volunteers needed

The Colorado Technical Reference Center (CTRC), a branch of the Business and Governmental Relations Department of the University, finds information for businesses throughout Colorado as well as other Rocky Mountain states. The office is located in Room E203 of the Norlin Library, and the organization needs help in many areas from clerical to research. If you are interested, please call Jo Chanaud, Acting Director (492-8774).

Program - October 22

On October 22 from 11:45 to 1:00 pm in Room 235 of the UMC, Valerie and Dottie Lang, Camille Larson, and Nancy Farel will present a program on "Image--Color Profile Improvement." Valerie, licensed by the State of Colorado since 1978, has continued her training in the art of make-up with George Masters of Hollywood and has been employed by Michael of The Carlyle in Cherry Creek as the Director of Education and Training in skin care. Dottie received her license as an esthetician in 1979 and has studied make-up with several companies. She is employed at the University in Boulder and is working on make-up as a hobby. Color Profile is a slide show presenting an introduction to the personal color consultation process. Individual discussion follows. No lunch will be served so please bring your own if you wish. However, coffee, tea, and cookies will be provided. No reservation is necessary.

He received his PhD from Yale University, currently teaches a wide variety of courses, and has published a book on Islamic Architecture. Wine and cheese will be served. GREETINGS

Our monthly programs are well under way, thanks to Caryl Kassoy. I hope you've been able to attend. Please make note of our December 3rd meeting. Back by popular demand, Prof. Art Dickinson will present "Practical Ways to Take Charge of Your Own Health and Happiness". The CU Health Performance Lab in the Carlson Gym is the place and the time is 7:30 PM. For reservations call Jane Beagle, 494-9517. That way we can plan for refreshments.

January 30, 1985 is the date of our MUSICAL POTPOURRI benefit for Macky. Please mark it on your calendar. This is one of our major projects for the year, so start making plans for attending and selling tickets. We have 500 seats and our goal is SRO.

I wish to welcome all new and former members listed below. Now that we have you please get involved and take advantage of our offerings. A large membership roster is impressive but a working roster is the most effective way for the club to achieve its goals. We need your active participation.

November has arrived and so will our new directory. Since there will be no M'SAGES in December may I take this opportunity to wish you all a happy Holiday Season.

Sincerely,

Ellie Pollack Buchsbaum

TRAVEL GROUP

The Travel Group of the University Women's Club held its first meeting at the University Club on November 10. The next meeting will be Saturday December 1, 1984 at 7:30 p.m. in the University Club. Professor John Hoag will talk on "Magical Madrid." Those members wishing to dine at the Club before the program will meet at 6:00 p.m. Dinner is \$8.50 per person, and reservations must be made with the Club (492-6509) by Thursday, November 29. For further information, please call Bea Ruvin (443-3641) or Sadie Walton (442-5468).

ART TREASURES OF C.U.

Professor John Hoag and Jean Edith Weiffenbach presented a very interesting program on November 1 on the art treasures of the University. As you know one of our projects this year is to help raise funds and provide volunteers for Jean Edith for conservation and restoration of the art works housed on the Boulder campus. The Colorado Collection was established around 1940 and belongs to the people of Colorado. It is housed on their behalf by the University of Colorado, Boulder, and administered by the Fine Arts Department through the University Art Galleries. It consists of approximately 3000 works with an estimated total value of \$2 million or more. If you would be willing to volunteer some time, please contact Jean Edith at 492-8003. This is a major effort so Jean Edith needs not only volunteers, but a coordinator of volunteers.

HIKING GROUP

The next meeting (weather permitting) of the hiking group will be at 9:00 a.m. on November 15. Please call Norma Schattke (494-1521) prior to that date for the place to meet. The Hiking Group normally takes a sack lunch and meets either at the South Boulder Recreation Center, North Boulder Park, or Chatauqua Park. The hike is 5 to 8 miles in length and you are back by 1:00 or 1:30. Places to go are Flagstaff, the Mesa Trail and Lyons and the trek is planned a week ahead. The group has 5 to 10 people but welcomes anyone who would like to join and bring a guest.

BOOK DISCUSSION GROUP

This group normally meets once a month on the 2nd Thursday at 8:00 p.m. in a member's home. Refreshments are served and anyone is welcome whether you did read the book or not. On November 8, the group met at Carol Kassoy's house. Barbara Klemme led the discussion of "Growing Up" by Russell Baker. The next meeting will be on December 13.

VOLUNTEERS

Jolene Quigley has again asked that I include a note that volunteers are needed for the Library, Meals on Wheels and Wardenburg Student Health Center. Please call Jolene and offer your services. Jolene can be reached at 492-7711 and she is waiting anxiously for your call!!

BLOOD DRIVE

The fall blood drive at the UMC was a great success and thank you all for your time and efforts. I know I had an interesting time being there handing out orange juice and trying to be helpful. It got a bit scary, however, when I had three students pass out in a row. No fun for them or me!!

I will try to include more information about the various interest groups next time. If you have any information for the MSages, please let me, Cynthia Schultz (494-6474) know. There may not be a newsletter in December so Happy Holidays and I'll be writing in January.

If your name on the outside of this "MSages" has an * beside that means we have not received your dues for this year. Please send them to Anne Turner, 210 Kiowa Place, Boulder, CO. 80303, if you wish to remain a member and receive a roster and the newsletter.

HELLO!

In just a few days Spring will be here and to prove it we are having our Annual Spring Lunch and Fashion Show on Wednesday, March 13! In case you missed the March 6 deadline and want to attend, call me at 447-0411 and I will try to accommodate you. We would like to fill the ballroom and raise as much money as possible for Norlin Library. Speaking of fund raising, our Musical Potpourri for the Macky renovation project enabled us to present the Foundation a check for \$2,000 and more is still coming in. It gives me a great sense of satisfaction that our goals are being realized. See you at the Lunch on March 13.

Cordially,

Ellie Pollack-Buchsbaum

ELECTION OF OFFICERS FOR 1986-87

As you know, the Spring Luncheon is also the time to elect new officers of the University Women's Club for the year 1986-87. Jolene Quigley has been nominated for President, Nancy Levitt for Secretary and June Krantz for Treasurer. We are delighted these women have agreed to serve, and we will also be taking nominations from the floor on March 13 in case someone else would like to run.

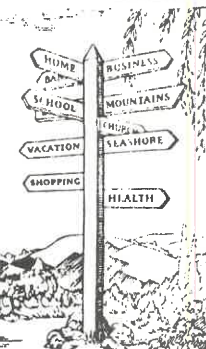

FINANCIAL PLANNING SEMINARS

As of this writing, the basic financial planning classes have started, but there is still time to sign up for the five advanced classes to be held April 16, 23, 30, May 7 and 14. These are held from 6-9 p.m., Tuesday evenings in room 235 of the UMC. The tuition is tax deductible and the money we raise from the programs goes toward our scholarship program. I have taken the basic class and have found it extremely worthwhile. Veronica Valasek is a smart, able woman with a great sense of humor and the seminars are really interesting and most important. Call Ellie at 447-0411 for more information.

WIL SHULL

Wil left Boulder the beginning of February to spend five months in Washington, D.C. as an intern for the Older Women's League. This is a wonderful opportunity for Wil and she is working hard. Unfortunately, she had the flu the first week but is better now. In case you would like to write her, her address is 7832 Middy Lane, Alexandria, VA, 22306. She has promised that she will present a program for the University Women's Club next fall and will tell us all about the League. Good luck, Wil - we miss you.

MARY BAUGHN

Mary has been a member of the University Women's Club ever since she has been in Boulder. Now, since her husband, Dean William H. Here it is May; our last newsletter for the year and my final note to you as President. It certainly has passed quickly. I wish to thank my executive board and the entire membership for making my year as president most rewarding. As my final act, I cordially invite all members and their spouses to our Retiree's Tea, May 9th from 4-6 p.m. at the Koenig Alumni Center. We will honor retiring colleagues and our two scholarship winners. This is our last event of the year, so please attend.

GOOD BYE

Since this the last newsletter for this year, I wish to thank all who contributed to making my job easy and fun. I have enjoyed putting the MSages together with all your news and hope you have been pleased with my efforts. I especially want to thank Ellie and all the women of the Executive Committee for the hard work done this year. I believe we have made a significant contribution to the University. I hope everyone has a great summer and we'll see you back again for another year in September.

Cheers,

Cynthia Schultz
