SEPTEMBER, 1985

THE UNIVERSITY OF COLORADO WOMENS CLUB

cordially invites you to attend its

MEMBERSHIP BRUNCH

Tuesday, September 24, 1985

11:00 a.m. to 1:00 p.m.

Koenig Alumni Center
Southeast corner of University and Broadway

The University Women's Club (UWC) cordially invites you to attend the Membership Brunch on Tuesday, September 24, from 11:00 a.m. to 1:00 p.m. at Koenig Alumni Center. We would like to welcome all of you - faculty, staff, and university wives - to join the UWC this year. All newcomers are especially welcome. The UWC provides many opportunities to meet people from diverse areas of the campus, to make new friends, and to serve the University.

We have some very exciting programs planned for this coming year, ranging from art and music to fashions and foreign foods. We also have many different special interest groups, which are friendly, active, and lots of fun.

The Club is a service organization as well as a social one. Last year under Elaine Pollack-Buchsbaum's fine leadership, we contributed \$1800 to Norlin Library, \$2,000 to the restoration of Macky Auditorium, and awarded \$500 scholarships to two CU women students. Our loan fund, which grants loans up to \$150 to needy students, is administered through the Center for Educational and Career Transitions (formerly the Women's Center). This year we will again support Norlin Library and the Women's Scholarship Fund financially and donate our time to Student Health Services, Norlin Library, the Cook Book Project, hostessing Campus Tours, and baking cookies for Meals on Wheels.

One new member of the UWC, whom we are all looking forward to meeting and getting to know, is Elizabeth Gee, the wife of our new president Gordon Gee and the mother of Rebecca. We all sincerely hope that their years in Boulder are rewarding and happy.

Again, don't forget the Membership Brunch on September 24th. Please bring a prospective new member with you if possible; a personal invitation means far more than a printed newsletter. See you there!

Sincerely,

Norma Schattke

Norma Schattke, President

PEOPLE

OUR NEW PRESIDENT

Norma Schattke, our new president, not only is a friendly, delightful person but also is a musician. She is Organist at Mt. Calvary Lutheran Church and teaches piano privately. Two of Norma's children have graduated from college, although when you meet her you will not believe she is old enough for post-teenage children! Her son, Bob, is a computer programmer in Chicago, her married daughter, Katheryn Ross, is an accountant with Arthur Andersen in Denver, and her 17 year-old daughter, Jean, is a student at Fairview High School. Norma's husband, Rudy, has taught accounting in the School of Business at CU since 1961. Norma likes to hike, cook gourmet foods, travel, and play bridge and golf.

CONDOLENCES

We mourn the tragic death of Leanne Skupa-Lee, one of our members who died of an aneurysm on August 23, at the age of 30. Leanne was Associate Director of Alumni Relations at CU. We offer our deepest sympathy to her husband and family.

I was delighted to see so many of you at the Membership Brunch on September 24. It was great to not only see so many friends but also meet so many newcomers. Welcome to our Club! I heard many positive comments about the friendliness of our members. Many thanks to Joyce Price and Eleanor Taylor, who did such a good job of organizing the brunch.

I'm looking forward to our October 18 meeting featuring Dorothy Mandel, who will demonstrate her woodcut techniques and display her work. Plan to attend this fascinating program!

On September 21 I was privileged to attend the dedication of the Heritage Center at Old Main. The displays there are outstanding; I encourage you to see them. There is more work to be done, however. We have accepted Dean Graves' invitation to help with the hallway displays. If you are interested in working on this project, please contact Nancy Levitt, 442-3596, or Cynthia Schultz, 494-6474, co-chairwomen.

OCTOBER MEETING FRIDAY, OCT. 18

Dorothy Mandel has graciously consented to present a program at her home to the UWC entitled An Introduction to Woodcut Printmaking from the Artist's Studio at which time she will demonstrate the makings of a woodcut and have her prints on display. Dorothy Mandel has won numerous awards for her woodcuts and has been commissioned for various works including a poster of Chautauqua Auditorium designed for the 1981 Colorado Music Festival, which many of you will remember.

As a child, Dorothy Mandel's natural artistic talent was nurtured by her grandfather, a cabinetmaker who also delighted in creating inlaid-wood pieces of art. Even today she prefers the media of wood - the challenge of merging unique grain patterns with the design of the print. She does not use a press for printing but painstakingly hand rubs the wood block, thus bringing out the subtleties of the grain.

Dorothy Mandel is not only an artist but also a wife, mother, grandmother, and author; she is finishing a biography of Angna Enters. She has also been invited to China for a three-week visit as a Citizen Ambassador with a professional arts and crafts delegation of Person to Person International.

The UWC members are indeed lucky to have this opportunity to meet such a lively and personable Boulder artist. Any prints sold during this program will benefit the Club since Dorothy Mandel has generously volunteered to contribute 25% of all proceeds to our Women's Scholarship Fund. We will meet at 9:30 promptly at the beginning of Linden just west of North Broadway to carpool up to her house since parking in Pine Brook Hills is limited. If for some reason you have to drive up to her house, the directions are as follows: Drive west on Linden from North Broadway about two miles into the foothills and Pine Brook Hills. At the first junction, go left on Timberlane. At the second junction go right on Linden. At the third junction, keep left to Timberlane. At the fourth junction turn right onto Pine Tree Lane, continue right onto Balsam until black mailbox on the left - 355 Mandel. Drive up to the house at the TOP of the driveway.

PEOPLE

OUR INTEREST GROUP CHAIRWOMAN

One of our busiest Board members at this time of year is the Interest Group Chairwoman, Sue Peterson. It is her job to coordinate and find chairwomen for all UWC Interest Groups. Coordinating is not new for Sue, however. She was the Director of the Senior Choir at Atonement Lutheran Church in Boulder for eight years and is now the Music Committee Chairwoman and a member of the Church Council. She also has accompanied soloists and sings in the church choir when she is not teaching the piano to private students. Sue no longer teaches music at the University because she wants to be able to travel with her husband, a professor of law, when the opportunity arises. They have lived a year in both Hamburg, Germany, and at the University of Texas in Austin.

Originally from St. Paul, Minnesota, Sue has been a Boulder resident for 25 years and has a married daughter and a 10-year-old grandson. She and her husband, Courtland, are avid gardeners, back-packers, and campers.

CONGRATULATIONS

Congratulations to Pat Welch on the birth of her 7 lb. 3 oz. daughter, Catherine, who arrived on the day of the UWC Brunch, Sept. 24.

Julia Jones, the English girl with the beautiful long red hair, had a baby boy, Owen Timothy, in May. Julia and her family now live in an old house by the sea in England.

ALUMNI TOUR

Nancy Levitt, Assistant Director of Special Events of the Alumni Association on campus has just returned from a two-week alumni tour of Eastern Europe where she acted as escort. The emphasis of the tour was on the composers and writers of the area, primarily Bach, Schiller, and Goethe. The tour's 42 participants, also alumni of Notre Dame and Penn. State, had an educationally stimulating and fun trip. We hope to hear more about it from those who were lucky enough to go.

VOLUNTEERS NEEDED

Anyone wishing to serve coffee for an hour or so at the October 17-18 Blood Bank Drive please call Pat Tanttila at 443-6507. Of course, anyone wishing to give blood will be most welcome at the Glenn Miller Ballroom and Lounge on campus between 10:00 a.m. and 4:00 p.m.

If you have any information or news you would like included in our newsletter, please call either Norma Schattke at 494-1521 or Maria Rogers at 447-2840.

Interest Groups (continued)

RESTAURANTS

Boulder is filled with excellent eateries. Join us for lunch in a different restaurant each month to enjoy good food and company.

TENNIS

Need a partner? Saturday mornings are the meeting days for our tennis players of all abilities. We play on outdoor courts and arrange games for both singles and couples.

TRAVEL

Get away from it all! Once a month, have dinner (optional) at the University Club and then travel with us to some exciting part of the world through films or slides shown by guests or members.

WALKING

No time for a hike, but you like to walk? Then join our new walking group. Walks of about an hour in length will be scheduled in the Boulder area. Please indicate whether mornings or afternoons are better for you.

WINE TASTING

Which wine is better, Californian or French? Singles and couples are welcome in this informal, fun group, which meets to taste wines in members' homes.

Service Groups (continued)

HOSTESS FOR CAMPUS TOURS

Impress visitors from around the world with our lovely campus. Because of the spectacular setting, it is fun to show off.

LIBRARY VOLUNTEERS

All libraries on campus need volunteers in checking out books as well as in specialized projects. By helping, you both free time for some member of the faculty or staff and contribute your special talents.

STUDENT HEALTH SERVICE

After an interview with the Service, you may be asked to volunteer time as a clerk, receptionist, or to work on medical records - all very worthwhile.

MEALS ON WHEELS

If you like to bake, Meals on Wheels (an organization that takes meals to people who are unable to cook for themselves) would appreciate your baking cookies for them. Many people, particularly elderly citizens, would thank you with every bite.

SERVICE GROUPS

A new service group...

ALUMNI RECORDS

Dean Graves has sent out a questionnaire to all alumnae to collect various statistics for CU's records. The response has been very good and now the problem is to code all these results so they can be put on the computer. Anybody interested in working a couple of hours a week on this ongoing project, which requires only an ability to read, is most welcome. Please call Catherine at 492-8666.

COOK BOOK PROJECT

Help in the promotion, marketing, and general clerical work of the nationally acclaimed Colorado Cook Book. Proceeds go to the Colorado Library.

INTEREST AND SERVICE GROUPS

On the back of this newsletter is a membership form and a checklist of the interest and service groups offered by the UWC. So that you have a better understanding of what these groups do, we have included a few sentences about each one. Since the interest groups are set up for the sole purpose of meeting new people and having fun, do not hesitate to join as many as you like; there is no obligation involved.

INTEREST GROUPS

Stimulate your mind with great literature! Members select books to discuss at meetings held on the second Thursday of the month at 8:00 p.m. Chairperson: Ellen Gille, 499-3134

Get ready for Christmas! You will get many ideas for projects, if you don't already have some, from this congenial group of talented women during their monthly meetings.

Interest Groups (continued)

HIKING

Combine spectacular scenery and good conversation with exercise by joining the hiking group. This is a very casual group, which meets at 9:00 a.m. and is usually back in Boulder by 2:00 - 3:00 p.m. Friends are welcome.

MUSIC

You don't need tickets for this musical event! Musicians and non-musicians meet once a month for an informal musical evening either in members' homes or at retirement homes and occasionally University functions. In May, husbands and friends enjoy a potluck supper and "somewhat lighter" musical fare. Chairpersons: Erika Runnells, 499-9017 and Sharon Gerdy, 494-9012.

On October 18, twenty-three of us spent a marvelous Friday morning with Dorothy Mandel, who gave a lecture-demonstration about woodcut printmaking. Some of us even got to make prints! Dorothy generously donated 25% of the proceeds from her sales that day to the Women's Scholarship Fund. This amounted to a check for \$90.37.

Our next big event is the Foreign Foods Fling on Friday, November 15. We've planned a delectable menu as shown above. We hope you will join us for a festive evening.

Our interest groups have now all been organized. Many thanks to Sue Peterson, Interest Group Chairperson, for all of her hard work. Note that the Places of Interest Group has organized a tour of the famed CU Art Treasures Collection on November 21. Since we will undoubtedly be reading quite a bit about this art collection in the future, you might want to take this opportunity to see it first hand.

Because our next newsletter will not be coming out until January, I want to wish you all a very happy holiday season!

Sincerely,

Norma Schattke

HONORARY CO-PRESIDENTS

ELIZABETH GEE and her family are happily settling into Boulder life and are looking forward to taking up cross-country skiing this winter - especially ten-year-old Rebecca, the athlete of the family. Elizabeth Gee is originally from Salt Lake City, Utah. She has a Bachelor of Arts degree from the University of Utah, a Master's in History from Brigham Young University, and a PhD in Interdisciplinary Studies from the University of West Virginia. She is working part-time at the Health Science Center developing an interdisciplinary program relating to the humanities and to ethics. She also consults for the American Law Institute on the development of continuing education programs in ethics and enjoys research and writing, especially in the arts and humanities.

Two of the greatest advantages of Boulder for Elizabeth Gee are the high cultural level of the community and the natural beauty of the surrounding area - both of which are inspirations for her abstract watercolors. The Gees look forward to their drives together in the mountains, which unfortunately are not as frequent as the family would like. Elizabeth Gee says that she and her husband are enjoying meeting so many wonderful people and that she has found the UWC very supportive. The UWC is pleased to have such a gracious First Lady as its most distinguished newcomer.

After twenty-one years, MARY BAUGHN is still a valued member of the UWC. During this time she has always actively participated in the Club and has been chairwoman of various committees such as publicity, hospitality, social events, campus tours, and interest groups - all good preparation for her current job as wife of the Acting Chancellor.

Born in Tuscaloosa, Alabama, she and her family moved to Boulder from Columbia, Missouri in 1964. In Missouri her husband had designed a Louisiana-style house, which they built, lived in, and loved for nine months. Because of their strong feelings for this house, they built the exact replica, even using antique bricks bought from the same Chicago dealer, when they moved to Boulder.

The Baughns are avid campers and have camped in all but one of the US National Parks. They began their adventures in a Nash stationwagon, which allowed room in the back for a bed, and graduated to tents when their two sons, now 28 and 30, were with them. Later they became very modern and used a propane stove and a pop-up trailer. Although not luxurious, it was a relaxing change from their busy, exciting days at the University.

NOVEMBER MEETING FRIDAY, NOV. 15

As you can see by the menu on the front page of this issue, some exotic food will be "yours for the asking" at Koenig Hall on Friday, November 15 from 7:00 to 10:00 p.m. If you wear foreign dress it will make the evening all the more festive. The cost of this gala event is only \$7.00 per person; each member is allowed one guest, e.g. husband, friend, business partner, etc. Since Koenig has limited space, we are only able to accept the first sixty-five people who reserve a place, so be sure to send in your check IMMEDIATELY to Faye Byrd, 2035 Dartmouth, Boulder, CO 80303. The deadline for reservations is November 9. You will be notified by phone or post if you are within the sixty-five-person limit or not. If you have any questions, please call Faye Byrd, 499-5414 or Norma Schattke, 494-1521.

More information on page 2

Dear Club Members,

I hope that all of you had a marvelous holiday and are starting the new year with renewed energy and enthusiasm.

The Foreign Foods Fling, held in November, turned out to be a smashing success. Many thanks to all of the cooks for the fantastic food that they prepared. We had a full house of 65 people attending the dinner, and a wonderful spirit of camaraderie prevailed throughout the evening.

Our meeting on Thursday, February 27 should be most delightful and entertaining. We shall have a luncheon at the Boulderado, with Virginia Patterson as our guest speaker. Virginia is a well-known Boulderite and owner of the Printed Page. Her topic will be "Reading for Pleasure - New Books and Old Favorites." You are welcome to bring guests.

The University Women's Club seems to be going very well this year thanks to the cooperation and hard work from many of you. Two new interest groups - Restaurants and Places of Interest - have been especially successful. Feel free to join any of these groups; it is a very good way to get to meet other members of the Club.

Sincerely,

Norma Schattke

PEOPLE

OUR PROGRAM CHAIRWOMAN

One wonders how VINITA STURGEON has any time at all to plan our programs. She is a board member of the Boulder County Cancer Society, Chester House (Eldorado Springs Home for Autistic Young Adults), Lafayette First Industrial Bank, Gamma Phi Beta sorority, and, of course, the UWC. In addition she is president of Buffalo Belles (1986) a member of Morning Forum, Institutes Council of Colorado Association of Realtors, Boulder Board of Realtors, American Association of University Women, and the Boulder Chamber of Commerce.

Besides all of the above, Vinita has worked with Mock Realty Co. for ten years and has been a member of the Millionaires Club every year plus the top listing agent in the office. In her free time - of which there cannot be too much - she plays tennis and enjoys reading.

Many thanks, Vinita, for the excellent job you have done planning our programs; those to come promise to be every bit as good as those we have already enjoyed.

OUR SERVICE GROUP CHAIRWOMAN

We have also been lucky enough to have an excellent coordinator for our service groups this year. PAT TANTTILA came to Boulder as a sophomore at the University of Colorado College of Music where she earned a Bachelor of Music Education degree. She then taught piano one year in Gulf Park College, Mississippi, after which she returned to CU Graduate School and earned a Master of Music in piano performance. After teaching two years in the Arapahoe County Public Schools, Pat began raising a family and teaching piano at home.

With the help of her husband, Walt (professor of physics), Pat has raised four children and been a stepmother to three more. Now they are the proud grandparents of four wonderful grandchildren. Pat still teaches piano and enjoys writing music - mostly pieces for the piano in the jazz idiom. She gives occasional recitals locally and also plays and sings with the Charlie Kassinger Dance Band. We are pleased to have such a talented musician and coordinator in our Club. (More about the service groups on page 3.)

PEOPLE (continued)

ROBIN AND LARRY WARNER, and Robin's sister and her husband celebrated their wedding anniversaries by going on a cruise of the western Caribbean in October.

JEAN AND HOMER CLARK just returned from a vacation to Grand Cayman Island, where they learned to snorkel.

June and Bill Krantz spent a delightful fall semester at Notre Dame University in Southbend, Indiana. June reports that the university women's club there is very similar to ours.

HERTA DOBBINS, a member of the UWC for many years, lost her husband shortly before Thanksgiving last year; he was a retired professor from the College of Engineering. We offer her our deepest sympathies.

SERVICE GROUPS

As with many organizations nationwide, the UWC has its outlets for people who feel moved to volunteer their time and talents. If you are not already volunteering, you might be interested in one or more of the following groups:

STUDENT HEALTH CENTER

Kitty Brian, who is in charge of volunteers for this facility, is very enthusiastic about the contributions of members of our group who give from two to ten hours per week assisting the regular staff in duties ranging from receptionist - answering the phone and doing paper work, getting charts, etc. - to more specialized areas requiring relevant training such as in the lab and the biofeedback program. The latter requires a graduate degree in psychology and a one year commitment. The others require only a semester commitment.

ALUMNI RECORDS

Katherine Chandley is in charge of sifting through all the information on some 90,000 alumni questionnaires that have been sent out within the last year. The job is a big one and interesting. She says the atmosphere is pleasant and friendly and is grateful for whatever help we can give.

SERVICE GROUPS (continued)

NORLIN LIBRARY

Nancy Cateora, of the UWC, reports that volunteers help in performing all the functions of a librarian: cataloguing, filing, book finding, and sometimes helping students with special projects. If you enjoy being around books and working with students, this group may be for you.

HOSTESS FOR CAMPUS TOURS

Betty Bonde coordinates these ladies, who do what the title implies. Occasionally various groups are interested in seeing what facilities we have at our University. This is a good way to become more familiar with the campus, while providing hospitality for visiting delegations.

COOKBOOK PROJECT

As most of you know, the UWC published an excellent cookbook a few years ago. It is sold in many bookstores throughout the US. Nancy Cateora says that since it is a small business, help is needed filling orders, billing, etc.

MEALS ON WHEELS COOKIES

Those of you who prefer doing your bit at home are encouraged to bake cookies for this project. Pat Tanttila coordinates the willing ladies who then take the cookies the third Wednesday of each month to the Senior Center.

It is never too late...Those wishing to sign up for one of the above groups may still call Pat Tanttila, 443-6507. In any of these areas your efforts will be very much appreciated.

INTEREST GROUPS

The PLACES OF INTEREST and NEWCOMER GROUPS have combined their talents in organizing the following special tours for all members of the UWC:

WEDNESDAY, FEB 19 - Fiske Planetarium: Halley Comet Show - meet at 12:45.

Minimum of 16 persons so please sign up with Heather Southwick, 494-4832.

Approximately \$2.00 per person - no school groups at this showing. Coffee at Le Francais following the presentation.

WEDNESDAY, MARCH 5 - American Indian Gallery Tour - meet at 12:45 at the White Horse Gallery. From 1:00 to 1:30 Sharon Young will explain their collection of Southwest Indian art. The group will then go to the Northwest Indian Gallery where David Cooper will talk about Northwest and Alaskan Indian art. For those who want lunch first, the group will meet at 11:30 at the James Pub on 1922 13th St. where meals run from \$4.95 up. Please call Jacqueline Bardsley, 494-5835, for reservations.

INTEREST GROUPS (continued)

FRIDAY, APRIL 4 - Celestial Seasonings Tour and Tea Tasting - at 11:30 or 1:30. There will be spaces for 6 - 12 people for each tasting session. We will be told the history of business and can visit the store where there are discount prices. In exchange for our opinions, Celestial Seasonings will donate \$3.50 per person to the CU Women's Club Scholarship Fund. Please call Heather Southwick, 494-4832, if you are interested in the tour and/or tasting. Celestial Seasonings is at 1780 55th St. near the Dinner Theatre on Arapahoe. Susan McLane is arranging a buffet lunch at the Royal Peacock, which serves Indian cuisine. If you are interested, please call her at 494-1567.

THE LUNCHEON RESTAURANT GROUP will not have a regular meeting in February because of the UWC luncheon on Feb. 27th. The next meeting will be MARCH 17 at James Pub. Members will receive postcards and others who are interested in joining them may call Vivian Kalk, 494-7332, or Susan White, 449-3653.

Because of the success of the Luncheon Restaurant Group, it has been suggested that a DINNER RESTAURANT GROUP, which would include husbands, be formed. Anyone interested in this delightful idea, call Marjorie deFries, 494-6395. It would probably meet once a month and might be organized around good prices for high quality food, e.g., two-for-ones and early-bird specials. Anyone with any ideas, feel free to offer them!

Dear Club Members,

Two very exciting events are coming up for our Club. The first one is our program, "Musicians Let their Hair Down," on Friday, March 14th at 8:00 p.m., which is being presented by the UWC Music Group and their spouses. I have seen a major part of the production, and I assure you that it is a most amusing performance, with top-notch talent.

The second event is our annual fashion show entitled "Fashion Forecast '86" and given by Joalins on Tuesday, April 15 in the UMC. The proceeds benefit Norlin Library and the Women Students' Scholarship Fund. This is our major benefit for the year, so please come and bring lots of friends.

Welcome to those of you who have recently joined the UWC. It is great to get to know you and to provide opportunities for you to meet us. We hope to see you at all the upcoming events.

Sincerely,

Norma Schattke

Norma Schattke, President

The next UWC BOARD MEETING is on March 4 at 12:30 in Sue Peterson's home at 205 Camden Place.

MARCH PROGRAM -

FRIDAY, MAR. 14

Whether you are musically inclined or not, you will surely enjoy this entertaining evening put on by the UWC Music Group. Our usually professional and sedate group of musicians, aided by their husbands, has condescended to sublimate their impeccable musical standards to perform in an outlandish manner in order to entertain an audience of any musical persuasion. One of the highlights of the evening will be a hilarious rendition of "Jack and Jill" by Sigmund Spaeth. Jane Byers will narrate, Court and Sue Peterson will perform the original version and then the fun begins. Kuniaki Hata will give us Handels' version and Erika Runnells will follow with Schubert's ideas. Carl Christensen will go into the Wagnerian version, Jane Byers will perform the Modern French Art variation, and Pat Tanttala along with Shirley and Charlie Kassinger will end with the jazz version. Katherine Christensen and Sue Peterson will be the accompanists. Also performing in other musical selections will be Jean Wainwright, Erika Runnells, Sharon Cundiff, Eve Geltman, Norma and Rudy Schattke, Bev Graham, Susan Thomas, Yoshi Hata, Deanna and Matt Young, and Mary and Roger Heath. It certainly should be an evening to remember; no matter what the weather is, the show will go on. Guests are welcome, there is no charge, and wine, punch, cheese, and crackers will be served. It will be held at 8:00 p.m. at the University Club. (There is a parking lot just behind the Club if you are unable to find a place on the street.)

THANK YOU, Ellie Buchsbaum, Marilyn Peltzer, Penny Kisslinger, Jean Loeffler, Betty Bonde, and Maria Rogers, for volunteering to help with the Blood Bank this year. It is an easy, entertaining job, which is very much appreciated by the Blood Bank staff.

There will be three more issues of MSages. If there is any information you would like to have appear in the newsletter, please do not hesitate to call Maria Rogers, 447-2840 in the afternoons.

MARY JEAN WILLIS, our Publicity Chairwoman, and her husband have been long-time residents of 6th St. Newly married in 1942, they lived in a house very close to the one they moved to after 20 years at the University of Oregon in Eugene. Although they have always loved Boulder, the lure of travel takes them away about twice a year. Since they have been married, the Willises have enjoyed a Semester at Sea, eighteen months in New Zealand at the University of Canterbury, one year in Kyoto, Japan, and shorter trips to India, Nepal, Europe, and Mexico. At present they are exploring the Elder Hostels - travel study programs for the over-60 age group - around the world in such places as Alaska, Hawaii, and Great Britain.

Mary Jean was the school librarian at University Hill for many years and still enjoys many volunteer activities as well as her hobbies of hiking and reading. She is lucky enough to have two boys living close by in Boulder, one girl who lives in the San Francisco area, and four granddaughters.

Our Treasurer, FAYE BYRD, is a certified speech pathologist and worked with inner city children in Baltimore for eight years previous to living in Colorado. Since coming to Boulder four and a half years ago, Faye has spent most of her time raising her two sons, Eric and Steven, ages five and one. She also teaches speech pathology and does some private therapy. Faye is a member of the Colorado State Speech and Hearing Association and Informed Parenthood of Boulder, as well as being our very able Treasurer. She has found that her UWC job is more sophisticated than she had anticipated and has learned a great deal about financial affairs and the IRS.

Faye has a wide range of interests including sewing, quilting, basket weaving, reading, cooking ethnic food, sight-seeing, and traveling. All these hobbies, her husband who is in computer sciences, and two small children keep Faye extremely busy but happy.

ELLIE BUCHSBAUM just returned from a fascinating visit to West Africa to see her son, Seth, who is working for the American Friends Service. Ellie says it was the "trip of a lifetime, not to be repeated!"

CONGRATULATIONS to JOAN REED on the birth of her boy, Eric Clifford Reed, on Christmas eve. What a delightful gift to give her husband - but a little hard to match next year!

NEWCOMERS

GABRIELE FEURLE has joined us for two years from Germany. Her husband is with IBM, and she has kindly consented to teach German to our German Interest Group. She has a 15-year-old son and an 11-year-old daughter who, along with their parents, are enjoying Boulder and the surrounding mountains.

HAROLYN PERKINS is visiting Boulder for one year from Princeton. Her husband is in the physics department and her third child, who has accompanied them, is testing Harolyn's patience by taking figure skating lessons four times a week from 6:00 to 8:00 in the morning!

SERVICE GROUPS

BETTY GARDNER has been one of our volunteers for the Norlin Library and the Student Health Center. A newcomer from Vermont, she has met many interesting people - both students and staff - in her two volunteer jobs. Thursdays are her days to devote to the University. She spends two hours in the library stacks helping students find things they need, such as paper

cutting machines, pencil sharpeners, particular call numbers, the meaning of a French word - the list goes on and on... Another two hours are spent at the Health Center in the lab logging in students and doctors as they come in for requests and logging them out once the request is granted. Both jobs give Betty a feeling of service to the community and a sense of belonging. The hours have been particularly good for her since her holidays coincide with those of her husband. All in all it has been a rewarding experience for Betty and a great help to Norlin Library and the Health Center.

INTEREST GROUPS

The PLACES OF INTEREST GROUP, as well as some husbands, enjoyed a fascinating talk at the Fiske Planetarium on Halley's Comet. It seems we will not have as spectacular a view of the comet this time around, but since it will be the only chance for many of us to see it at all, we probably are not in a position to be too critical.

Bring your friends to any of the following tours that interest you:

Lunch and Fashion Show
12:00 - 2:00 p.m.

Tuesday, April 15

More Information on Page 2

Dear Club Members,

Two more success stories! Virginia Patterson gave a delightful program after a delicious lunch at the Hotel Boulderado on February 27. She brought from her store, the Printed Page, a variety of books that she talked about and passed around. Forty of us were fortunate enough to attend the program.

Then on Friday, March 14 the University Women's Club Music Group presented a highly entertaining performance - Musicians Let Their Hair Down - to a full house at the University Club. No one who came was disappointed. The outstanding talent of the performers, almost all of whom were professionals, made the event an unforgettable evening. After the program we enjoyed wine, punch, cheese, crackers, and homemade cookies.

Hopefully, there will be another success story to tell about our Fashions Forecast '86 on April 15. After we have enjoyed lunch and the company of our friends, models from Joslins will show us the trends of '86 fashions for men, women, and children. This is a benefit for Norlin Library and the CU Women Students' Scholarship Fund. Because we want to make a sizeable contribution, we are hoping for a great turnout.

Sincerely,

Norma Schattke

APRIL PROGRAM -

TUESDAY, APRIL 15

"Wedge" in the fashion world brings to mind a shoe style. In the language of this year's new spring fashions, it means a dress design. Joslins Department Stores will predict what the whole family may be wearing this spring at the University Women's Club annual fashion show and luncheon, Fashion Forecast '86, in the University Memorial Center Glenn Miller Ballroom on Tuesday, April 15.

Through the courtesy of Joslins, 14 men, women, and children will model the latest in spring clothing and accessories, according to Patricia Morren, the store's fashion director, and Dolly Sly, Joslins fashion coordinator.

The noon event begins with lunch served at 12:00. The main course will be Hawaiian Chicken Salad, a delicious chicken salad that includes avocado, papaya, and pineapple. Each plate will be decorated with fresh fruit and a vegetable relish tray will be passed around. Croissants and wine will accompany the main meal, and a fudge nut torte will complete the feast.

The annual fashion show, which is open to the public, is the UWC's only fundraiser with proceeds going towards providing two scholarships for women students and to Norlin Library. Tickets are \$12.00 each, \$4.00 of which is tax deductible. The deadline for ticket sales is April 8 - only one week away - so please send in your completed form (which appears on page 3), check (made out to the University Women's Club), and self-addressed envelope as soon as possible. If you would like to sit with a particular person, please state the name on your ticket order. Guests are welcome; bring whomever you like.

Doors of the ballroom will open at 11:30 a.m. There will be a free shuttle bus service beginning at 11:15 from the Basemar Shopping Center; call Robin Warner, 494-9760, if you have questions. Babysitting will be available at the First Christian Church, 950 28th (near Colorado Ave.); if you are interested, please call Faye Byrd, 499-1011. For more information about the show itself, call Mary Heath, 444-1556, ticket chairwoman, or Edith Dell'Apa, 499-7813, show chairwoman.

PEOPLE

EDITH DELL'APA, chairwoman of this year's fashion show, is a past UWC president and secretary, and has been a member of the Club for 22 years, ever since her husband, Dr. Frank Dell'Apa, came to WICHE. Her long affiliation with the university began in the '60s when she worked for Dean William Briggs of the College of Arts and Sciences.

As a student, she was in the first peer counseling group that provided academic advising for undergraduate A & S students, and after graduation she was a counselor in the Division of Continuing Education. She later followed Peggy Tague Earnest as social secretary to Chancellor and Mrs. Russell Nelson. Two of her four children are alumni of CU, and Paul, her youngest, is a graduate student in the telecommunications program.

Seven years ago, the Dell'Apas founded the Boulder Airporter limousine shuttle service, but Edith continues to nurture her interest in the university and the students, through working at registration time each semester, and in the Club, by taking on such tasks as fashion show chairwoman - a job she has done most ably as we shall see on the 15th.

Born in Minnesota, BETTY BONDE moved to Colorado in 1955 and although once in a while she longs for the lake country, she does not miss the mosquitos! Betty was a preschool teacher before she retired, except for a brief interlude to raise her three daughters. She taught in Minneapolis, Los Angeles, and at the Peter Pan Preschool in Boulder. For several years she was the chairwoman of the day care board at Mt. Calvary Lutheran Church, where she and her husband sing in the choir. In fact, they were just honored for having sung in the choir for 25 years - the longest time of any couple.

Besides singing, Betty enjoys playing the piano, sewing, knitting, and traveling. She and her husband, a biologist, have been a part of Semester at Sea and have lived six months in France in a suburb of Paris. Because Betty's husband is Danish, they have returned to his home frequently and have enjoyed many side trips through Europe.

PEOPLE (continued)

Betty is the UWC chairwoman of Campus Tours this year and is busily planning the tour schedule for spring graduation. If you want a tour of the campus or want to be a part these tours, Betty would like to hear from you.

THANK YOU

A big THANK YOU to all the performers at last month's musical event. The show was so excellent we would like to thank each one individually: Jane Byers, Court and Sue Peterson, Kuniaki and Yoshi Hata, Erika Runnells, Carl and Katherine Christensen, Pat Tanttila, Shirley and Charlie Kassinger, Jean Wainwright, Sharon Cundiff, Norma Schattke, Susan Thomas, Deanna and Matt Young, and Mary and Roger Heath.

Thanks also to those who brought cookies for after the performance - Virginia Gore, Jane Beagle, Libby Lipstreu, Susan Thomas, Erika Runnells, and Betty Bonde. You certainly helped to make it a perfect evening.

NOMINATIONS

The UWC chooses its officers a year in advance so that there will be a year overlap of working together. The 1986-1987 officers are listed in your directory and include Jolene Quigley as president, Roslyn Pfaff as secretary, and June Krantz as treasurer. It is now time to elect the officers for 1987-1988. The very able nominating committee of Faye Bird, Cynthia Shultz, and Heather Southwick has proposed a slate of officers consisting of Vinita Sturgeon, president; Mary Heath, secretary; and Anita Cumalat, treasurer. Since you will be asked to vote for your new officers shortly before the fashion show begins on April 15, a very short resumé of each candidate is given below.

As mentioned in the January MSages, VINITA STURGEON is an extremely active and capable UWC member. She works at Mock Realty Co. and this year is the president of Buffalo Belles, as well as being a member of many boards in town. Vinita will be running for president of UWC.

APRIL PROGRAM -
APRIL 15

The Fashion Forecast '86 will be held in the Glenn Miller Ballroom, UMC, from 12:00 to 2:00 on Tuesday, April 15. Doors will open at 11:30. Tickets cost \$12.00 per person, \$4.00 of which is tax deductible and will be donated to the Norlin Library and the Women Students' Scholarship Fund. The event is open to the public and guests are welcome. Transportation will be provided from the Basemar Shopping Center (the corner of Broadway and Baseline) beginning at 11:15. Babysitting will be provided at First Christian Church, 950 28th, but arrangements must be made in advance through Faye Bird, 499-5414. If you have questions, please call Edith Dell'Apa, the fashion show chairwoman. To sign up, fill in the following form and mail it with your check to Mary Heath, 222 N. MARY HEATH moved with her husband from San Luis Obispo, California one year ago and has already become one of Boulder's piano teachers, as well as acting as our ticket chairwoman for this year's fashion show. She also was one of the performers in the Musicians Let Their Hair Down show. Mary will be running for secretary of UWC.

ANITA CUMALAT moved to Boulder from Illinois in 1983 with her husband. She has a three-year-old son and in her free time is active in her church and in Informed Parenthood. She is a member of the UWC Book Discussion Group. Anita is running for treasurer.

Before the election of officers takes place, there will be a chance for nominations to come from the floor. If you are interested in one of these three positions, please have someone nominate you on the 15th. All nominations must have the approval of the person being nominated. If you would like to work on the 1987-1988 board in some other capacity, be sure to tell the newly elected officers; it is not always easy to fill all of the board positions. Voting for new officers is yet another reason to save April 15 for the UWC.

INTEREST GROUPS

The Places of Interest Group will be sponsoring their tour and tea tasting of Celestial Seasonings on Friday, April 4. Celestial Seasonings is located at 1780 55th St., near the Dinner Theatre on Arapahoe. A short tour will include a history of the business and a visit to the store where there are discount prices. There will be separate tasting sessions with 6 - 12 people in each. The first session will take place from 11:30 to 12:30 and the second will be from 1:30 to 2:30. Lunch will be served at the Royal Peacock on Arapahoe, which serves Indian cuisine, between 12:30 and 1:30. Those who want to come a little early or leave a little late are welcome - but don't be late to the tea tasting! Remember that for each person who takes the time to come and taste, Celestial Seasonings will donate \$3.50 to the CU Women's Club Scholarship Fund. LUNCHEON FOR RETIREES

Wednesday, May 14 at 12:00 p.m.

Mt. Shadows Club House
1405 Bradley

Dear Club Members,

What a gorgeous day we had for our Fashion Show! Joslins presented a fantastic show - fast paced and professionally done - with beautiful clothes and models. Our thanks to Joslins; to the UMC food service, which served an excellent lunch in a very appetizing manner; and to Edith Dell'Apa, the fashion show chairperson, and Mary Heath, the ticket chairperson, who both did such a fine job of coordinating the whole affair. Our special commendation to the four university students, Kathy Cardinal, Kelly Smith, Yetty Plooy, and Carol Beaver, who did an outstanding job with the decorations.

Hopefully, our last event of the year - the luncheon honoring our retirees - on Wednesday, May 14 will be as successful as those preceding it. This is your last chance to enjoy a UWC program this school year, so join us in celebrating this occasion.

Since this is the final newaletter for the '85-'86 year, I would like to thank all the UWC board and club members who have worked so hard and conscientiously this year. You have been wonderfully supportive. Although being president has taken a lot of time, I feel it has been time well spent, because the UWC is a valuable organization not only for its service groups, but also for the extensive opportunities it provides for meeting new people. I personally have strengthened existing friendships and made many new friends. For this I thank all of you.

Looking forward to many more enjoyable years with the UWC.

Have a happy summer,

Norma Schattke

The next UWC BOARD MEETING, a TRI-BOARD MEETING will be on Monday, May 5 in Ellie Buchsbaum's home at 250 Cactus Ct., near Wonderland Hills in North Boulder. All present board members are asked to bring reports in triplicate to pass on to next year's officers.

MAY PROGRAM - WEDNESDAY,

REPORT (continued)

MAY 14

WIL SHULL will be our guest speaker at the Luncheon for Retirees on Wednesday, May 14. She will give a slide presentation on the Older Women's League, an organization for which she interned last spring in Washington, D.C. Wil Shull, the wife of the former Chancellor at C.U., has done graduate work in psychology and is interested in painting and fine arts.

The luncheon will be held at the Mt. Shadows Club House on the corner of Bradley and Chambers in South Boulder. (Drive one block south of the traffic light at Greenbriar. Turn west on Chambers and turn immediately left on Bradley. There is plenty of parking on both Chambers and Bradley; we have been asked to park on the street, not in a lot.) All non-retirees are asked to bring a salad for eight people since traditionally this is a potluck affair. The winners of the women's scholarships this year will also be invited so that we will have a chance to meet them.

In order to get some idea of how many UWC members will be attending the luncheon, we ask that you either send in the form on page 3 to Kay Fox or call Betty Bonde - 443-1767 - or Norma Schattke - 494-1521.

At the dot of 1:00, Norma Schattke opened the festivities with the election of our new officers, Vinita Sturgeon, Mary Heath, and Anita Cumalat. The floor was then given over to our fashion show chairwoman, Edith Dell'Apa, who announced the door prizes with Mary Heath drawing the winning names. (Something was definitely fishy, though, all the winners seemed to be from Mary's or Edith's table!) The only sad note of the day was the announcement of Faye Byrd's car accident (see details below). We were all so sorry to hear of this unfortunate event.

Without delay, Edith turned the floor over to the Joslins team. Styles ranged from those for the very young - five and six - to those for the over 40. Shoulder pads are definitely "in" again this year according to Joslins' buyers, and the low waist for women and suspenders for men seem to be popular. During the show we were treated to a James Bond dance routine when the swim wear was displayed, which livened things up all the more. The models, while posing or dancing, looked perfect against the backdrop designed by the university students. Large white cutout figures looked as if they were dancing in front of a speckled background.

Promptly at 2:00 the show ended. The entire event could not have been better organized or more elegantly done. Edith Dell'Apa certainly did a fantastic job as chairwoman; how lucky we were to have her in charge. Let's hope next year's show is as enjoyable.

FASHION SHOW REPORT

The annual fashion show ran like clockwork - a very professional program. Although the doors opened fifteen minutes late, everyone found their seats rather quickly, and it did not take long before a beautifully decorated plate with a pineapple shell filled with chicken salad was set in front of each person. Croissants and a relish dish completed the main course. The moment we were through, a fudge nut torte was served with coffee.

TRIVIA

The winners of the door prizes at the fashion show were Alice Byrd (Faye's mother-in-law), Vera Bowe, Ingrid Close-Fischer, Jean Dinwiddie, Ross Pfaff, Carol Beaver, Janet Chusmir (our guest from the Daily Camera), Eleanor Taylor, and Hattie Bartram. Faye Byrd won a door prize; ironically it was her own handcrafted basket, which she had donated to the cause!

RECOUPERATING

Speaking of Faye Byrd, she will be immobilized for six weeks - not an easy thing for a mother of two small children. As she was driving around organizing her family so that she could go to the fashion show, a man drove through a stop sign without stopping and sent her car into the ditch. The result was a broken knee cap and a smashed car. Fortunately, it was not more serious; she had her two children and her mother-in-law in the car at the time. She was in the hospital for several days after surgery, which consisted of repairing the knee cap and the surrounding muscles and tendons.

INTEREST GROUPS

In order to save time and energy for the next year's Interest Group Chairwoman, we are asking each group to elect their next year's organizer this year and give the name to Laura King, 449-4129. Please make every effort to get these names to Laura; it will not only help her considerably but also save time in the fall, thereby allowing the groups to begin their activities earlier.

The PLACES OF INTEREST GROUP got off to an excellent start this year under the wonderful direction of Heather Southwick. Unfortunately, Heather will be unable to continue as organizer next year and would like to hear from anyone interested in taking over.

The RESTAURANT GROUP will not be meeting the rest of this year because of the luncheon programs planned for the UWC.

LOAN FUND

The University Women's Club Student Loan Fund has been hard at work again this past year. In 1984 we made eleven loans totaling \$1,600 and in 1985 we made thirteen loans for \$1,900. These are short-term loans of \$150 or less bearing no interest. Their purpose is to help students in time of need or for emergencies.

Barbara Margolis in the Multicultural Center for Counseling and Community Development administers these loans with the help of Janet Nuzum. This saving account was started in 1936 by members of our club who contributed 50 cents or \$1.00 to help it grow. The first three loans were \$7.00, \$13.00, and \$15.00. Other contributions through the years have made it grow to around \$2,500 when all the money is paid back by the students.

GOODBYE

It has been fun writing MSages this year, especially the interviews of some of our members. I hope Linda Richter enjoys the job as much next year.

The UWC annual LUNCHEON FOR RETIREES will be held on Wednesday, May 14 from 12:00 to around 2:00 p.m. at the Mt. Shadows Club House. As always, it is potluck, so we ask that everyone coming - except the retirees, of course - bring a salad large enough to feed eight people. It will be the last program of the season; an excellent chance to wish your friends a happy summer. Please send in the completed form below to Kathryn Fox, 1589 Bradley South, Boulder, 80303 or call Betty Bonde, 443-1767, or Norma Schattke, 494-1521, so that we have an estimate of the number of people to expect.

NAME _____

TYPE OF SALAD _____

Many members have remarked on the excellent job that Norma Schattke has done as president of the club this year. She has devoted close to twenty hours a week to the task and has been problem-solving at a moment's notice. We were lucky to have such an ambitious president and one who continued the high standards that have been set in the past. She certainly deserves all the individual "thank yous" she has been getting and a great big, collective THANK YOU from the club in general.
