### Membership Brunch

Thursday, September 25, 1986

11:00 a.m. to 1:00 p.m.

Koenig Alumni Center  
(University and Broadway)

---

I hope you have had a relaxing summer and are ready to participate in this year's University Women's Club activities. We officially begin the year with our membership brunch on Thursday, September 25, from 11:00 a.m. to 1:00 p.m. at the Koenig Alumni Center. We hope you will be able to join us and we encourage you to bring friends who are interested in joining. We ask everyone to put forth a special effort to invite new people to join our club. Your personal invitation to people new to the university community is very important. In order to keep our membership fee at \$10 and to provide free programs, it is necessary to increase the size of our membership.

Again this year we have planned a full range of programs. People new to the university and/or to Boulder will be pleased especially with our Historic Boulder and Heritage Center programs. We will continue the interest groups that were popular last year and have added some new ones. We will also continue our service projects, including Wardenburg Student Health Center, Norlin Library, Meals on Wheels, Cook Book Project, Campus Tours, Women Scholarship and Loan Funds, and Blood Drive. This year we will lend support to the Artist Series in helping them with their 50th year celebration.

UWC is your club. Please let me or any board member know if you have any suggestions for interest groups or programs. You are encouraged to participate in our activities. Volunteers are always needed for our service projects. Involvement in our organization is a great way to meet and make new friends, to enjoy people with common interests, and to serve the university. If you are single or have a spouse that does not want to attend these functions, come anyway, alone or with a friend. Let us know if you need a ride or want the name of a club member who has a similar circumstance. Do not let yourself be lonely or bored!

I am sure you join me in thanking Norma Schattke for the excellent year the club had with her as President. She is going to be "a hard act to follow." The past year was a busy one for her and I am sure she will welcome some quiet time in Africa.

I look forward to serving as UWC President this year and to meeting you and new members at the brunch on September 25th.

Sincerely  
Jolene Quigley  
UWC President

## OUR NEW PRESIDENT

Jolene Quigley has this month assumed the presidency of the club for one year, after being a member for the past five years. She decided five years ago, having worked for the university for over 16 years, that the club would be a good place to meet people with whom she knew she would have much in common.

The many and varied interest groups caught her fancy, especially wine tasting, bridge, and cookies for Meals on Wheels. It not only provides the excuse to do what is enjoyable, but such a good way to "make friends outside the work environment." If she didn't work full time as the Director of Administrative Services in the College of Environmental Design, or if she weren't a wife and mother of 12 year old Jennifer, she would be involved in even more activities and volunteer organizations.

Her past involvement with the Inter-campus Staff Council and the Boulder Campus Staff Council, testify to her loyalty and devotion to the university and her fondness for people.

Jolene's husband, Jim, is the former Dean of Students and has recently had a bar in the University Memorial Center named after him!

We congratulate Jolene and wish her well.

SPECIAL PRAISE and THANKS are to be extended to all those women who volunteered their talent and time to service projects.

Dear Members,

A special thank you to Mary Jane Husbands and Thelma Brinton for the lovely membership brunch they organized. And to Mary Heath let me say bravo to her fine piano playing. It was nice to see so many people at this event. Our apologies to the women who couldn't come because of the scheduling conflict with Buffalo Belles. Welcome to our new members!

It is not too late to join. Please complete the attached membership form and return it with your dues to Joy Paulson. In order for your name to be included in the membership directory, we need your form and dues BY OCTOBER 17. Also, the interest groups are anxious to identify their members so they can begin meeting.

The date of our first program has been changed from October 10 to October 20, because of a schedule conflict. We shall be privileged to have Judith Trent from the Boulder Historical Society show slides and speak to us on Boulder's wonderful history. I know the program will appeal to newcomers and oldtimers alike. We will have coffee and dessert following the presentation on historic Boulder.

Then our November program comes just two weeks later on Wednesday, November 5, on the Art of Flower Arranging, presented by a woman who has had ten years in the business of floral designing. There will be home-baked continental breakfast as well at the lovely Holidome of the Holiday Inn. Mark your calendars today since there will not be another newsletter before that time.

Hours that the center is open are 10:00 a.m. to 2:00 p.m. Tuesday through Friday, and 10:00 a.m. until "kick off" before every home football game. A public event is planned the second Sunday of each month from 3:00 to 5:00 p.m.

## University Women's Club

December 1986

Dear Members,

Welcome to our new members and to those who have decided to rejoin our group. Our new members include women from Germany, Japan, France and Hungary. It has been a pleasure for me to meet so many new people. Your enthusiasm for our organization and the university is impressive and rejuvenating for some of us who have been in Boulder for awhile!

Although we have over twenty new members in the club, our membership is lower than in previous years. Please encourage your friends and colleagues to join. To help with budgetary problems we face because of the decrease in membership, the UWC has decided to sponsor the Gourmet Dinner Club. For every \$20 membership card sold, our club will receive \$5. The cards are good at 26 different Boulder County restaurants and allow you one meal free with the purchase of another meal. Restaurants honoring the Gourmet Dinner Club card include Sabastians, Ristorante Paolino, Pearl's, Little Russian Cafe, Rose Atop Premiere, Harvest, Black Diamond Saloon and many other fine restaurants in the county. This is an excellent way to support both the UWC and Boulder County merchants. If you are interested in purchasing a card and would like additional information, please call June Krantz (449-4843) or me (492-2803). The card expires April 30, so act fast. (You may purchase the card as a gift for friends who enjoy eating out.)

It doesn't seem possible to me, but this year is almost over. Why is it that the older I get, the faster time flies? Hope you don't have the same problem. We won't publish another newsletter until after the first of the year, so I'd like to wish you all happy, healthy and stress-free holidays!

Don't forget to mark your calendar for our Heritage Center tour, scheduled at noon on February 5. This event you won't want to miss.

Sincerely,  
*Jolene Quigley*  
UWC President

#### GOURMET DINNER CLUB

Get one free dinner when another dinner of equal or greater value is purchased at the same time at participating Boulder restaurants through April '87 for only \$20.00. Call June Krantz at 449-4843 for further information.

#### NEWS FROM THE UWC SCHOLARSHIP RECIPIENT

Beth Mende Conny had a baby girl, Julia, on May 28th.

#### WISHES FOR A QUICK RECOVERY

Betty Kester recently had surgery, and Sadie Walton has been seriously ill.

#### TAKACS QUARTET

February 14 the UWC, along with the Artist Series, is planning a fund-raising evening with music by the Takacs Quartet and an Hungarian dinner to help support the CU Artist Series. Look for details in the February issue of MSages.

#### DOROTHY MANDEL

Congratulations to Dorothy Mandel on her newly released book, Uncommon Eloquence: A Biography of Angna Enters. Published by Arden Press, this work is described as "a meticulously researched portrait of this complex, elusive, and incredibly talented woman." One of America's most interesting artists, Ms. Enters was a dancer, painter, sculptor, musician, screenwriter, and best selling author.

#### NEWS ITEMS

If you have any news of interest to UWC members, please contact Nancy Levitt at 492-8484 or 442-3596. The deadline for the next issue of MSages is January 13.

#### BOULDER FRIENDS OF INTERNATIONAL STUDENTS

Visit another country without ever leaving Boulder! Befriend foreign students coming to CU! Students do not live with you, unless just temporarily: they are merely occasional companions. A chance to learn other cultures and languages and at the same time represent the city and the nation in a positive and satisfying way. It can enrich your life enormously. Charlotte and Jim Corbridge have been involved in the program for years and commend it highly. For further information, contact Nancy Levitt at 492-8484 or 442-3596.

#### VOLUNTEERS NEEDED

If you are able to help with any of our service projects, please call Jennifer Littlejohn at 652-3466. People are especially needed to provide cookies for Meals on Wheels.

INTEREST GROUPS, whose leaders are listed in the current UWC directory, are busy scheduling interesting activities for members. Laura King, the Interest Group Coordinator, plans to activate the Walking Group in early spring. Plans are being made for the Wine Tasting Group. An Interior Design Group may still be organized. Call Laura King for further information on all groups.

IF YOU KNOW OF ANY MEMBER OF THE UWC WHO IS NOT WELL or is having surgery or needing some cheer, please call Jennifer Littlejohn at 652-3466 in Niwot.

#### EVENTS FOR 1987

Thursday, February 5, TOUR OF CU'S NEW HERITAGE CENTER, the top floor of Old Main, with coffee and dessert at 1:00 p.m. Short talk about the center by Nancy Markham.

Friday, March 13, "MUSICIANS LET THEIR HAIR DOWN," an evening event.

Thursday, April 16, the annual FASHION SHOW, UMC ballroom for lunch at noon.

## University Women's Club

February 1987

Dear Members,

Our next event is a tour of the new Heritage Center on the top floor of Old Main. You will find it fascinating to see the number of old photographs and bits of memorabilia from CU's past. We'll have the director of the center show us around and tell us all about the collection. And, of course, refreshments will be served.

We have many interesting programs for spring. Hope you will be able to attend some or all of them. Details of upcoming events will be announced in this and future newsletters. Events are listed below as well as in your UWC directory. The Artist Series fund raiser, scheduled for February 14, is relying on us for some help. Let me know if you are interested, especially with some cooking.

Great news! Broadway Southwest has agreed to present our fashion show on April 16. Mark your calendar now as you won't want to miss our "Broadway Comes to Boulder" luncheon/fashion show. We know the best way to advertise the show is through "word of mouth." We encourage you to invite friends and colleagues and early. Perhaps interest groups would like to reserve a table to sit together. We need your help to make this event successful so that we can contribute more this year than ever before to Norlin Library and the Women's Scholarship Fund.

We still have some Gourmet Dinner Club cards for sale. The people who have purchased the cards are very pleased with the restaurant selection and report the \$20 cost for the card is well worth the money. Remember the UWC gets \$5 for every card sold. They are good through April 30, 1987.

If you have any information you want included in MSages, please contact Nancy Levitt at 492-8484 or 442-3596. I and the members of my board welcome your comments and suggestions.

Sincerely,  
Joanne Quigley  
UWC President

## FEBRUARY 5 TOUR OF THE CU HERITAGE CENTER

Nancy Markham will lead us on a tour of the Heritage Center, CU's new museum of the university's past. Included are rooms devoted to the CU space program, to everyday life 100 years ago, to CU athletics from its earliest days, and to the university's architecture, as well as the elegant Presidents' board room. The old photographs alone throughout the center are enough to keep one absorbed for hours.

As the director of the center, Nancy, when asked what it's like working at the CU Heritage Center, gave the following answer.

"I'm not as interested in the 'things' of the past that surround me at the Center as what they tell me about the people who used or created those 'things.' A picture of a 1950's Song Fest, a game ball, a green beanie, a receipt for law school tuition from 1900, or a student account book from 1912 give me a feeling for what life was like for people who were part of CU's history.

"I like to hear the laughter of alumni who are enjoying the pages of an old yearbook or the surprise of a student who recognizes an elderly family member in a photograph on the wall.

"As I dust a dance favor or point out an old letter-sweater, I think of the young people who received or wore them--the books they read, the teachers they met, the fun they had, the deadlines, and the hard work. I think about the campus, how beautiful and silent it can be in the snow. I think about all of the people before me who have been grateful for the same place in time.

"I like working here and look forward to sharing the experience with you."

## FEBRUARY 14 ARTIST SERIES BENEFIT

"From Budapest to Boulder" will be a celebration of Hungarian cuisine and music to benefit the Artist Series at 7:00 p.m. at the Koenig Alumni Center. Co-sponsored by the UWC and Alfalfa's Market, this ethnic evening will include an informal concert by the Takacs String Quartet.

The evening's menu will include favorite Hungarian recipes of the Takacs Quartet's families and the local Hungarian community. The Quartet will join in with music from their homeland in this first appearance in Boulder since their fall concerts.

Tickets are \$50.00 per person. Seating is limited. Reservations will be accepted at 492-7425 until February 6, 1987.

## APRIL 16 FASHION SHOW

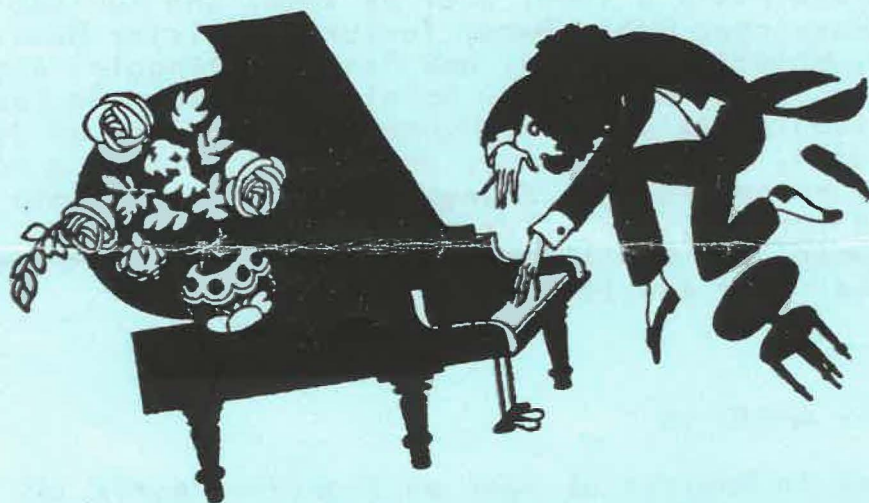

"Broadway Comes to Boulder" will be the theme for this year's luncheon/fashion show with the Broadway Southwest not only showing clothes but donating door prizes and providing decorations. The show will feature professional male and female models, as well as models from the UWC. The department store will help too with publicity. But we need every member of the club to come and to invite friends. It's a wonderful way to pay back people who have invited you to events. We need your support. Look for more information in the next issue of MSages.

Musicians letting their hair down!

Dear Members,

I want to remind the UWC that our fashion show is our major fund raiser; therefore, it is important for you to support this event. The profits from the show support Norlin Library by allowing it to purchase books that would otherwise have been impossible to buy. We also are able to provide at least one scholarship for a woman student. The scholarship recipients have repeatedly stated that they would not have been able to attend college if it weren't for the scholarship received from us.

Speaking of women students, I am pleased to report that one of our longtime members, Norma Bowes, graduated in May from the University of Colorado, Phi Beta Kappa no less! Congratulations, Norma. We are proud of you.

Please let me or Nancy Levitt know if there are items to report concerning other members of our organization. The next MSages deadline will be March 25.

You will note that there are many events coming up that are reviewed in this newsletter. In addition to the items listed, we are always looking for volunteers to do a variety of things for the university. We try to support the institution in as many ways as possible, but it is difficult to find volunteers. So many women are involved in jobs, families, and the like that volunteer time is limited. Please let us know of your availability and interests. I am sure we can find something for everyone to do. Some of the activities we currently are involved in through volunteer help include Meals on Wheels, campus tours, Heritage Center assistance, Norlin Library staff support, the Boulder campus blood drive, university official functions, and much more. I am always being asked to provide volunteers for events that sound interesting and would love to have a list of names from which to choose.

Mark your calendar for all our special events. Don't forget to invite people to join you at the fashion show. We need your help in selling tickets. Let's hope for warm weather!

Sincerely

Jolene Quigley  
UWC President

## "MUSICIANS LET THEIR HAIR DOWN" - MARCH 13

Members and their friends must attend this delightful evening of outrageously satirical musical fun Friday, March 13, beginning at 8:00 p.m. in the University Club. Produced by members of the music group, faculty members, spouses, and friends, the variety show is back for the third time by popular demand. Some of the performances are: marimba by Jean Wainwright and Katherine Christensen; piano with Sharon Cundiff; a piano duet by Beverly Graham and Bruce Fest; a vocal duet by Yoshi and Kuniaki Hata; the Charlie Kassinger Dance Band, featuring Shirley Kassinger, Pat Tanttila, Kristin Anderson, and Pete Nightingale; eight hands on the piano with Norma and Rudy Schattke and Sue and Court Peterson; a vocal solo by Erika Runnells; a quartet of Jim Wolf, Carl Christensen, Court Peterson, and Rudy Schattke; a comedy routine with Deanna and Matt Young; a ragtime piano solo by Pat Tanttila, and more. If you like opera, jazz, dixieland, show tunes, and humor, you won't want to miss the show. Refreshments will be served. The evening is free of charge.

## FASHION SHOW - APRIL 16

Broadway Comes to Boulder at noon on Thursday, April 16. Mark your calendars now and tell all your friends. We want a good turnout for this exciting event.

The committee has been working at full steam to make this show a smashing success, but we need all of you to participate by buying and selling tickets. The invitation will be ready for mailing by March 20, so look for yours after that. Tickets are \$15 each with a \$5 tax deduction. As you know, our money is going to help support Norlin Library, as well as scholarships for women.

Broadway Southwest promises a spectacular show with some professional models and some from our own club. Lots of door prizes, a splendid lunch, and a dazzling way to welcome spring. There will be shuttle busses from Basemar Shopping Center that you may take with a \$.50 ticket, purchased when you order your lunch tickets. In addition, there are 50 spaces allocated in the Visitors Lot across the street from the UMC. Please carpool if you can. If you have any questions, please call Cynthia Schultz at 494-6474.

**BETH CONNY**, who received the scholarship from last year's fashion show's proceeds, will have finished her Masters Degree in Journalism by mid-March. She has been busy with writing her thesis, teaching two classes, working for the Silver and Gold Record, writing for Denver Parent, and looking after her nine month old baby girl, Julie. Although she'd like to go on for her PhD, she plans to wait, since her husband will be working on his. In the meantime, she will do freelance work, write books, and look after Julie. It was her scholarships, she says, that made it possible for her to manage to do all that she's done, and she is most grateful to the UMC.

**NEWS** of the recent death of Sadie Walton has greatly saddened people who knew Sadie, who was a member of the University Women's Club for many years, a loyal friend of the University, and an inspiration to many of us.

**THE ARTIST SERIES BENEFIT** was an elegant affair and a successful money raising venture with \$2,000 going to the University Artist Series. About 60 people enjoyed delicious Hungarian food prepared by members of the club, and were privileged to hear an intimate concert by the now world-renowned Takacs Quartet. Special thanks should be extended to the people who made the evening possible. Those members of the club that cooked were: Lisa Andresen, Shirley Bruns, Jean Clark, Louise Grimes, Sue Jordon, Sheryl Kuempel, Libby Lipstreu, Marilyn Peltzer, Ros Pfaff, and Norma Schattke. Many thanks to you for your time and talents.

## University Women's Club

April 1987

Dear Club Members,

This April edition of MSages is the last newsletter for the 1986-87 year, so I want to thank all of the UWC board members and the many volunteers for their support and hard work during my year as president. Without the help of these people, we would not have had so many successful programs and interest groups. I have thoroughly enjoyed serving as your president this year and especially appreciate the many new people I have met during the past year.

Our last event of this academic year, except for the Fashion Show, of course, is a potluck luncheon honoring our retirees. This year's luncheon is scheduled for Wednesday, May 6, at the Meridian. In addition to the luncheon, we will have a very entertaining trunk show which is being presented by the Molly Brown Museum. Please be sure to return the reservation form at the end of this newsletter. Also, if you know of someone who should be honored at our retirees luncheon, please let me know so that a special invitation can be sent.

The next UWC BOARD MEETING will be Tuesday, April 21, at 11:30 a.m. at the Koenig Alumni Center. Board members, please remember too that our TRI-BOARD MEETING is scheduled for Friday, May 8, at Vinita Sturgeon's home, 7034 Indian Peaks Trail. Current board members should each bring to the tri-board meeting a summary activity report in triplicate to pass on to next year's executive board.

I truly hope you all enjoy the Fashion Show, which begins at noon on Thursday, April 16. With the professionalism of the Broadway-Southwest and the careful planning that the committee has given to the show, it should be the best ever.

As Bob Hope would say, "Thanks for the memories."

Have a happy and healthful summer,

Sincerely  
Jolene Quigley  
UWC President

## FASHION SHOW - "BROADWAY COMES TO BOULDER"

Tickets are still available for Thursday, April 16, for the annual Fashion Show. Why not buy a whole table and sell tickets to your friends. That is the best way to guarantee group seating. As you know the Broadway Southwest is sponsoring the show with spring fashions for men and women. There will be professional models as well as women from the Women's Club. Doors will open at 11:30 a.m. and lunch begins at noon in the UMC Ballroom.

Parking spaces are available at Basemar Shopping Center with a shuttle bus to the UMC for just \$.50, purchased when you order your luncheon tickets. Kindly park at the west end of the lot away from the shops. Buses will depart Basemar Shopping Center at 11:00, 11:15, and 11:30 a.m. and will return from the UMC to the lot at 1:30, 1:45, and 2:00 p.m. Times are generally approximate. Also 50 spaces are allocated for participants in the Visitors Lot across the street from the UMC. Tickets for lunch and the show are \$15 each. Call Cynthia Schultz at 494-6474 for further information.

\$5 is tax deductible, and all profits go to a scholarship for an "older," female student, as well as to Norlin Library.

## BOULDER COUNTRY DINNER CLUB CARD

If you have purchased a card, remember that it expires in April. We would like you to renew your card through the club. Please contact Jolene Quigley for more information at 492-2803.

## CU HERITAGE CENTER

If you are interested in history, especially the history of Colorado, Boulder, and the university and enjoy sharing that interest with others, the CU Heritage Center needs you! The working conditions are excellent, the hours designed to fit your schedule, and the people with whom you work are great!

The Heritage Center is open Tuesday through Friday from 10:00 a.m. until 2:00 p.m. Volunteers are needed to help staff the desk during those hours. Additional help is needed for special tours and receptions.

Anyone interested in volunteering please contact Nancy Markham at 492-6329. Specific dates when help is needed are: May 10 from 3:00-5:00 p.m., May 14 and 15, June 12, July 17, and the week of August 17, 1987. Help will also be needed before performances of the Colorado Shakespeare Festival through July and August.

Nancy will be offering training sessions throughout the spring and summer. Please give her a call and a hand. Thanks.

## INTEREST GROUPS FOR NEXT FALL

In order to save time and energy for next year's Interest Group chairwoman, we are asking each group to elect its organizer this spring for next year. Please give the name of the new organizer to Ellie Buchsbaum and by June 1st, if possible. It will not only help her considerably, but will allow groups to begin their activities earlier next fall.

## RETIREES LUNCHEON - MAY 6

Please come to a potluck luncheon to honor those women who are either retiring from the University or have husbands who are retiring from the University. The party begins at 12:00 noon at the Meridian, 801 Gillaspie Drive, near Table Mesa Drive and Broadway on Wednesday, May 6. We are asking that everyone coming, with the exception of the retirees, bring a salad large enough to feed eight people. Since this program will be the last until next fall, we should all try to come, and you can be sure the food will be sensational. Please send in the form below to Jolene Quigley, 5432 Blackhawk Rd., Boulder, CO 80303, or call her at 492-2803 so that we will have an estimate of the number of people planning to attend.
