Interest Groups and Service Projects** will have sign-up sheets available at **11:00 AM** with chairpersons available to answer your questions; **lunch will follow at noon.** This is a great opportunity to greet old friends and to introduce someone new to the UWC with its many and varied activities. We have something for everyone, so come and bring a friend or two or three. There is no charge for the luncheon, however a donation would be greatly appreciated to help defray the UWC expenses. Please help us anticipate how many to expect by calling in your **reservation by Wednesday, September 4th** to:

GO, GO FASHION SHOW

The UWC is starting early to plan for the **Spring Fashion Show**. Patsy Ramsey, Chairperson of the 1997 Spring Fashion Show, and her dedicated committee have taken up a self-imposed challenge to make twice as much money in 1997. **Larger scholarships are necessary to meet the rising cost of education** and so our organization will endeavor to address this real concern by raising additional funds at the **second annual University Women's Club Silent Auction**

held next Spring. This Big Event is a **new and effortless way to raise money** for scholarship and it's merit has been demonstrated by the financial success enjoyed last Spring. The proceeds from the Silent Auction were 50% of the funds raised by the Fashion Show. Keeping that in mind as President I have endorsed the Fashion Show Committee plan that requests **in addition to the \$20.00 membership dues that each member volunteer to donate a Silent Auction item**, no matter how small, for the Spring Fashion Show. We are asking each and everyone of you to make a concerted effort to contribute an auction item.

If you do not have an auctionable item please solicit one for the auction. Let your imagination run wild! No scholarship is ever too big or too small, neither are items for the Scholarship Silent Auction. Call Patsey Ramsey 442-1376 or Roxy Walker 443-8462 for pick-up. **Patsey Ramsey, FS Chair, 1997**

UWC FINDS HOME

Howard and Toni Smokler have donated the use of their Carriage House located at 730 Thirteenth Street for the 1996-97 academic year. This is a great place for committee meetings and other small events. There is a computer, telephone, large table, file drawers and various pieces of office equipment available. Bathroom facilities are on the premises. Reservations are requested as no more than two meetings can be scheduled at the same time.

Arrangements must be made to pick up the key 24 hours prior to the event. Parking IS NOT a problem. Please call Toni at 440-2922 for information and reservations.

PRESIDENTS MESSAGE

It is with humility, pride and dedication that I raise the gavel as your new president for the 1996-97 term of office of the University Women's Club. This is the seventy-seventh year that our club has been a viable entity on the campus of the University of Colorado, Boulder. I am proud to follow on the time worn path taken by the many presidents that have lead before me. The University Women's Club has made a metamorphosis from a social Faculty Wives Club to a sisterhood of women dedicated to unselfishness through service, the pursuit of knowledge, and the promotion of education, through scholarship. Like Cottage #1 we will rise to our new calling in this era and fulfill the tenets of the past while answering the needs of the future. Socializing with friends will take on a new and deeper meaning now with the knowledge that "our pleasure" will be helping other women to attain an education. I invite each of you to walk with me on the path of my presidency as we celebrate "Women Helping Women Through Scholarship." Sincerely, Toni Smokler, President

Women Helping Women Through Scholarship

PRESIDENT'S MESSAGE

We can all be inspired to make our lives within the University Women's Club full of fun and meaning and an essential kind of energy that is directed toward scholarship. And it can happen not only on special days, like the Membership Event, the Membership Appreciation Concert, Lecture Luncheons, the Winter Party or Fashion Show that make up the bulk of the time we spend with the UWC. It can happen every day, in any way we choose to make it happen.

Life is for nothing if not for celebrating. And if celebrating is shouting our joy from the rooftops, traditions are the houses we stand on to do it. It is never too early - or too late - to start having both firmly fixed in our lives. Think scholarship, shout from your rooftop, tell your friends, tell everyone you meet to come celebrate with the University Women's Club "Women Helping Women Through Scholarship".

FOR UWC MEMBERS ONLY

Meyers Jewelers at 2595 Canyon in the Water Street Shopping Center has designed a handsome gold-plated UWC pin and has graciously offered the pin FREE to all members. A special thanks to *Gary and Joy Meyers* (a new member) for their generous contribution. This locally owned firm is one of our newest supporters for the UWC Women's Scholarship Fund. Please stop by and pick up your pin.

This year, a new tradition was begun with the presentation of a president's pin with gavel by Toni Smokler's husband, Howard. This pin will now be passed along to each new president. And for our past presidents, a second tradition was initiated with the gift of a past president's pin. You may contact *Meyers Jewelers* if you wish to have a past president's pin made.

HELP WANTED

A number of UWC members are interested in forming a **BABYSITTING CO-OP**. Interested moms should call *Megan Barclay Leben* at 499-2324.

APPRECIATION and THANKS

Again, Toni Smokler has many members she wishes to thank for making her year as President such a pleasure. As she wrote ("with egg on my face!"), two very important people were left out when she thanked everyone for the work they did for the Fall Membership Event. Thanks to Carol Born, Interest Groups Chair, we have a whole range of new groups including a Babysitting Co-op, a Health and Fitness Group, and a new French Group. Anne Hearn is really an unsung hero for the UWC. Single-handedly, she is Chair of the Telephone Tree, the E-Mail Addresses, and the Sees Candy Silent Fundraiser. Thank you so much, Anne, for the work you do for the UWC.

For a most successful Scholarship Sunday, Toni wishes to acknowledge co-chairs Karen Diamond and Gerri Lloyd.

Stephanie Corotis was the master-mind behind the Membership Appreciation Concert beginning with a pre-performance light supper and concluding with the sumptuous array of cider and cookies following the Operetta, *Little Red Riding Hood*. Kudos also to all the members

PRESIDENT'S MESSAGE

I cannot begin to tell you how pleased I am that you, the membership of the UWC, have taken up the mantle of "Women Helping Women through Scholarship." With only one month into this new membership year, we have already given one scholarship to the College of Music's Lyric Music Theater. Two members and their friends raised the \$300 in scholarship money in one night. They now challenge each of you to do the same! What about a mystery plane ride on one of the local airlines? A trip to Blackhawk? A hayride? The possibilities are limitless. Work with me for UWC; Women Helping Women through Scholarship.

PRESIDENT'S MESSAGE

As President of the UWC it is my charge and that of my board to lead this club in an intelligent, sensitive, and new direction. I cannot profess to know what the founding women of this organization would have envisioned this new direction to be, but I feel that they would have sought the avenue that leads toward a social landscape sensitive to the struggles of women in society, particularly in the University setting. Attempting to bring the UWC into the new millennium is not an easy task. I began my term of office with a mental map of historical events and processes; a map strongly colored with tradition. In the quest for a new, healthy direction for the UWC, I hear the new member ask for answers to immediate concerns and she is at first impatient with the responses to her questions. Meanwhile, the older member enjoys volunteering her opinions. All dialogues across the generations initially seem one-sided, with each side resolutely grounded in a different time; liken the teenager and the parent. My own roots, being deeply grounded in tradition, hold that traditions are a tenet of any community - whether you call it "Club" or "Clan". I profoundly believe that a woman who desires to improve herself and her family by means of an education should be embraced and assisted in this direction by all women, especially the members of the UWC. Leisure time, as many of the founding women of our organization knew it, no longer exists. Social events such as tea parties and luncheons as experienced by Margaret Willard have gone forever - the cost of a "free" education. In most families both parents now work. Many times even the "combined income" is not sufficient to sustain the family. More often than we would like to believe, that "family" consists of a single parent household existing well below the poverty level. Women are returning to the University in greater numbers than ever before; financially it is difficult. The experiences of generations of women prove that education is the most effective manner in which to improve the economic position of their families. Those of us lucky enough to have time and money with which to enjoy "leisure time" should, therefore, feel the responsibility, yes even the duty, to help our fellow women. Through UWC activities we can help women to elevate themselves, experience a better life, and even enjoy an hour of leisure time. Support the UWC projects and fund-raisers; have a good time knowing that your activities will support scholarship. I firmly believe that the University Women's Club has found its direction for the new millennium by strengthening our economic base with a broader invitation for membership, by taking off the (white) gloves, and by reaching out to others through "Women Helping Women Through Scholarship".

DONATION GIVEN

The University Women's Club has made a small donation to High Peaks Elementary School in memory of Jon Benet Ramsey. Patsy Ramsey was a member of the UWC Board.

PRESIDENT'S MESSAGE

Dear Members - Walking across the quad and amid the buildings on campus, the old trees arch solemnly overhead. Their dark silhouettes remind me of ghosts of friends gone on before. Brought to mind are these lines from a poem by Elizabeth Barrett Browning:

*The dearest hands that clasp our hands,
Their presence may be o'er;
The dearest voice that meets our ear,
That tone may come no more!*

We shall miss our many members, husbands and supporters who have passed from us this year. Especially missed will be Mike Baier, our faithful financial advisor - always there when we needed him most.

Our condolences to Patsy Ramsey, a valued member and supporter of the University Women's Club and mother of our 1996 Fashion Show star, JonBenet. Patsy has tendered her resignation as 1997 Fashion Show Chair. Roxanna Walker - our Historian, Patsy's dear friend, and Co-chair - has also resigned.

We face a year of challenge for 1997. The Fashion Show is our major fund-raiser for scholarships and we must not let those women down who are counting on us! I look to you, our members, to meet the challenge presented to the UWC. Eleanor Roosevelt said it best, "You must do the thing you think you cannot do." Please join me in making "Women Helping Women Through Scholarship" an overwhelming success!

Toni Smokler, President

A TRIBUTE TO MICHAEL BAIER

It is with great regret that we note the passing of a wonderful friend and faithful supporter of the University Women's Club. Husband of long time member Mitzi Baier, Mike died December 15, 1996. His service with the University of Colorado began as an accountant in 1943. At the time of his retirement, he was Assistant Vice Chancellor for Academic Affairs. To the University Women's Club, Mike gave over thirty years of service as auditor of our financial records - giving unstintingly of both his expertise and his time. He showed a genuine interest in the betterment of University women, and was always available with a word of advice when needed. His gentle and engaging personality will be missed by all.

SPRING LUNCHEON FOR SCHOLARSHIPS

Dear Members:

On April 29, we will be holding a UWC Scholarship Fund-Raising Luncheon which will include a fantastic silent auction and professional musical entertainment. Due to the Ramsey tragedy and the resignation by Patsy as our chairperson, we are unable to follow through with the Spring Fashion Show. This is the single most important fund-raising event of the year. Deserving women are depending on us for scholarships and we are responding in the best way possible. The following are portions taken from thank you notes sent to us by last year's scholarship recipients.

.... I was so thrilled to get this scholarship at the time it was most needed. Since the divorce at the age of 39, going back to school as a single mother, without the help of my ex-husband or relatives, I have been looking for scholarships to help me finish my educational goals, and eventually find a worthwhile career. This award will help me finance my tuition, books, and school supplies, as well as helping with child care expenses when I am in class or lab.

Li Yun Owens

... I won't be (living) in my car this year. I'm renting a room in a house with a very nice family. The luncheon that I attended was incredible. It was truly one of the highlights in my life. Thank you for choosing me for the scholarship, there must have been a lot of deserving people that applied. I feel honored and blessed to have been chosen.

Laura Kessler

UWC scholarships are making a big difference in these women's lives and this year we hope to increase these awards. Here's how you can help with our fund-raising effort:

1. Join us in planning the event. We need many hands to make this event a success. The next meeting is Friday, February 21, 1:30 p.m. at the home of Toni Smokler, 730 13th St. If you are unable to make the meeting but would like to help, call Toni (440-4877) or Boyce Sher (449-9092) to volunteer.

2. Donate an item, gift certificate, basket of items, or services for the silent auction. This can be done either as an individual or with your interest group(s). Call coordinators Ruth Flolid (786-9579) or Carol Born (581-9139) for more information.

3. Help the Silent Auction Team solicit donations from Boulder businesses and organizations. The next meeting of the group will be held on Friday, March 7 at the home of Ruth Flolid, 778 13th St. If you are unable to make the meeting, but would like to help, call Ruth at 786-9579.

4. Mark Your Calendar for April 29th and plan to come with as many friends, family, colleagues and business associates as possible. We need your support more than ever this year to help make this a resounding success and guarantee that we can fulfill our promise of

"Women Helping Women Through Scholarship".

MARGARET WILLARD AWARD

Nominations are now being accepted for the UWC Honors Award - the Margaret Willard Award. The award recognizes individual women who are good role models and exercise great initiative in their jobs, and who, by the very nature of their exceptional accomplishments, bring honor to all women and the University. Nominations are invited from such diverse groups as the faculty, staff, students, alumni and UWC members. The nomination deadline is **March 7, 1996**. Award winners will be honored at a tea at the CU President's residence on May 6, 1997. To make a nomination or request further information, call committee members *Claudine Garby*, Chair (499-4062), *Marilyn Peltzer* (499-1454), or *JoAnn Crandall* (494-8041).

APPRECIATION and THANKS

With so much talent in our versatile membership, it is no wonder that we can have such successful activities! "City Lights," the '96 winter party was a wonderful evening for those of us who could attend.

Our thanks for the support given us by the University and to the many members and spouses who willingly gave of their time, energy and talent. It was a joint effort on the part of the University Community.

Ann Hayes created beautiful panels depicting city skylines that defined our theme spectacularly. We were so happy when one of the Junior High schools asked to borrow them for a production they were planning. We felt that our efforts were continuing to benefit others in the community while sharing Ann's wonderful art with others.

Thanks to Joan Podgorski, Ann Hayes, Caryl Kasoy, Claudine Garby, Anne Hearn, Marilyn Peltzer, Toni Smokler, Brenda Geers, Karen Hanson, Carol Born, Libby Kohnen and all the husbands who stayed to help with clean-up (sorry if we have forgotten anyone).

UWC members and friends have generously donated hundreds of hardback and paperback books for this event. And the Boulder Public Library has given us the paperbacks remaining from their last book sale. We have mysteries, children's books, classics, modern fiction, travel, poetry, and much more. There is also a good selection of collectible and rare books. If you love books, and bargains, this sale is for you!

PRESIDENT'S MESSAGE

Dear Members,

This is the final issue of the Messages in which I shall address you as President of The University Women's Club. This year has sped by and I find many things I had planned as yet unfinished, and some never begun. I am very proud to have served as your President and I thank you for the vote of confidence and support each of you has given me throughout this year.

We have come of age with email, electronic calling lists and email notifications. Uncharted waters have been traversed with the successful completion of the Music Program Dinner and Scholarship Sunday. The Book Fair and Spring Event are well on their way toward success. I see our members reach beyond their perceived capabilities and succeed far beyond their expectations. Our membership has increased, interest groups have grown and a sense of camaraderie and friendship flourishes in every corner of the club.

There are so many of you I wish I could personally thank. So many of you have given endless hours of time and energy in support of our many projects and programs. Along with you, the membership, my Executive Board has worked tirelessly to make my hopes and dreams for the University Women's Club come true. The image of the University Women's Club has grown in stature among members and administrators alike. Everywhere I turn the UWC is complimented on the new direction and sense of dedication to scholarship. Chancellor Park and his wife Cathy were our biggest supporters and boosters in this endeavor. This year we have run the gamut from tragedy to triumph! The sense of pride I felt at being elected President of the UWC is surpassed only by the feeling of accomplishment I feel as my term of office draws to a close. "Thank You" to each and every one of you for all your love and support in this past year.

Congratulations to Boyce Sher as she takes up the mantle of office as President of the University Women's Club. Boyce has been the very best President-Elect that I have ever had the opportunity with whom to work. You, the membership, have chosen well in electing her to lead you forward. I have every confidence that Boyce will excel in all her endeavors for the UWC.

Viva la University Women's Club!

Thank you for a good year.

Fondly,
Toni Smokler

MARGARET WILLARD AWARD RECIPIENTS ANNOUNCED

The University Women's Club of the University of Colorado is pleased to announce the 1997 recipients of the Margaret Willard Award. Named in honor of the first president of the UWC, this award recognizes women who are good role models, exercise great initiative in their professions, and who, by their exceptional accomplishments, bring honor to all women and to the University.

This year's honorees are *Mary Bonneville*, Professor Emerita of Molecular, Cellular, and Developmental Biology; *Zoya Popovic*, Associate Professor of Electrical and Computer Engineering; and *Angela Theiman*, a doctoral student in Anthropology. They will be recognized at the University Women's Club Honors Tea on May 6th at the University Residence, 3600 Caddo Parkway.

Professor Bonneville was one of a highly select group of scientists who established the MCDB Department. In addition to being one of the women pioneers in her field, her unique contributions have also been in the area of faculty government. Through her initiative, regulations have been formulated to help protect the status of professional women at the University.

Professor Popovic is an outstanding researcher and teacher. She has developed new laboratory courses and revised courses in electro-magnetics. She has received numerous awards from the National Science Foundation, and from comparable institutes in France, Yugoslavia and Japan.

Ms. Thieman, a graduate research assistant, has evidenced outstanding academic work and leadership skills for which she has earned a number of awards. In addition, she has worked tirelessly for Amnesty International and was a founding member of the Bosnian Refugee Resettlement Organization.

Congratulations to these remarkable women.
