PRESIDENT'S MESSAGE

Dear Members and Friends:

Welcome to the 1997-98 season of the University Women's Club. As I assume the office of President, I am keenly aware that many fine women before me have held this position - in fact in the 78 years of the University Women's Club, 77 intrepid souls have taken up these reins and survived! This gives me much courage and comfort. The UWC has evolved continually with the changing interests and needs of the women in the group, but during its long and proud history two themes have remained constant - friendship and service.

As you can see from our 1997-1998 calendar, we have quite a line up of activities: lecture luncheons and social events, an incredible array of interest and service groups, and our Spring Luncheon fund-raiser to benefit

(Continued on page 2)

(Continued from page 1)

the UWC Women's Scholarship Fund. This is a truly unique organization with diverse offerings for women with wide ranging interests. We extend a warm invitation to each and every one of you to join us this year.

To those who are new to this group, we invite you to jump right in; we are delighted to have you and we welcome you at whatever level of participation you are comfortable. You will find that our members are very hospitable and that the interest groups are the heart of this organization - a particularly wonderful way to make new friends.

To those who have come to an occasional event, we invite you to expand your participation this year - add an interest group, come to our Winter Party, attend a lecture luncheon, help us raise scholarship funds for those worthy CU women, and above all, make new friends.

To the worker bees - this year's board and many others who contribute so much to this organization, I look forward to serving with you and promise that this year will be fun! Thank you for sharing your time and talents with the UWC.

I need all of you to help make this a banner year for the University Women's Club. I trust that this year our UWC friendships will broaden and deepen as we expand our personal horizons and provide service to the University community.

Boyce Sher
President

ATTENTION NEWCOMERS!

You are cordially invited to come for coffee and get better acquainted with the UWC and learn of its activities.

When: Tuesday, September 23 at 10:00 a.m.

Where: Home of *Boyce Sher*,
2161 Jonathan Place, Boulder (449-9092)

SERVICE PROJECTS

According to Chair *Judy Reid*, the UWC has numerous opportunities to serve the community this year. Please come early to the Fall Membership Luncheon on September 9 so you will have time to explore the option each agency is offering.

Continuing projects from last year include *Bookfinders*, *Boulder County Hospice*, *Boulder Museum of History*, *Community Food Share*, *Friends of the Libraries*, *Humane Society of Boulder County*, *Meals on Wheels*, *Mentoring Program at CU*, and *Radio Reading Service of the Rockies*.

New or returning projects for the coming year are the *Chatauqua Gift Shop*, *CU Art Galleries*, *CU Greenhouses*, *Women of the West Museum*, and the *University of Colorado Museum*.

REPORT on USED BOOK SALE

The UWC held a used book sale at Crossroads Mall last May as a fund-raiser for the Scholarship Fund. Club members who worked on the project made much more than the \$778.22 net proceeds of the sale. They made fresh shelf space on your bookshelves and new connections with people in the community. They made stacks of textbooks, mounds of novels, and stronger biceps! Best of all, they experienced the magic of making friends by working together.

Co-Chairs *Beverly Irons* and *Karen Diamond* wish to thank all who helped collect, transport, sort, and sell the books. They especially appreciate the assistance of husbands and other family members. Deepest gratitude goes to *Toni Smokler* who let the book sale committee take over her garage apartment for eight months, a critical contribution to the success of the sale.

SPRING LUNCHEON and AUCTION A SUCCESS!

April 29th was our Spring Event, a day of fun and camaraderie for our members, a day for "Let's Do Hats"! Commingled within this social event was the goal of raising more money for scholarships than ever before. Our silent auction, with the incredibly generous donations from Boulder businesses and individuals, brought in \$6,540. Also, we received \$1,107 in individual donations. This money will be used for scholarship recipients in 1998. Since the silent auction raised more money than previous events, the decision to hold another silent auction in 1998 was inevitable. The success of the silent auction as a fund raiser has allowed the UWC to significantly increase the amount of the scholarship money given to our recipients. Co-chairs *Jaime Zukowski* and *Stephanie Corotis* have announced that the 1998 event will be April 21, 1998.

INTEREST GROUPS

The **FRENCH GROUP II** is open to anyone interested in speaking French at any level. The group will decide whether to pay for the attendance of a native-speaking instructor. Members will meet weekly at each other's homes on Monday mornings. Refreshments will be served by the hostess. For further information, contact chairpersons *Madeleine Musetti* (666-4451) or *Jaime Zukowski* (413-0551).

The kickoff meeting for the **GARDEN CLUB** will be Wednesday, September 17, 11:00 a.m. at the home of *Ann Hayes*, 2525 Briarwood (west on Table Mesa to Lehigh; left on Lehigh to Cragmoor, entering Devil's Thumb neighborhood; right on Briarwood; right into cul de sac). Agenda: develop events for the year and a lecture by *Cathy Regan* on pest control and bug management. RSVP to *Ann Hayes* (494-3773) or *Beryl Clark* (440-0328).

On Monday, September 8, the **MUSIC GROUP** will meet at 7:45 p.m. at the home of *Jane Byers*, 201 Fox Drive, Boulder. Membership in the group includes professionals, amateurs and appreciative listeners. Performance is encouraged but not required. Call co-chairs *Jean Yordon* (444-4959) or *Jean Wainwright* (494-1248) for information. They also ask that you call if you plan to attend, so that in the event of a change of location, you can be contacted.

The **ART FORUM** consists of members who are interested in the arts and hope to learn from visits that are scheduled monthly to artists' studios, galleries, and museums in the local area. The members take an active role in planning the meetings, drawing on their knowledge of the community and its resources. A planning meeting to determine dates and programs will be held at the home of

UWC Scholarship Fund Book Fair

THE BOULDER BOOK STORE
1107 Pearl Street, Boulder

Dear Members:

In lieu of Scholarship Sunday this year, the UWC has been afforded a wonderful opportunity by the Boulder Book Store, namely an in-store book fair. On **November 7, 8 & 9 (Friday through Sunday)**, during regular business hours, a percentage of sales identified as UWC purchases will be donated by the Boulder Book Store to the UWC Scholarship Fund. The donation is based upon the three day total of purchases made on behalf of the UWC.

<u>Total Purchases</u>	<u>Percent Donation</u>
\$0-1,000	10%
\$1,001-2,000	15%
\$2,001-5,000	20%
over \$5,000	25%

This is a great chance to get a jump on holiday shopping or just buy yourself that book or tape or calendar (including sale items) you have been wanting. Incidentally, if your interest group wants to buy a quantity of a title or titles, please get me the list by October 8th so we can have the copies on hand for the sale. You may be asking "So what's the catch?, What can't I buy?" The only things that do not qualify are: Magazines, Newspapers, Gift Certificates as well as other discount programs i.e. Frequent Buyers, Book Groups, Senior or Teacher.

All you have to do is bring your items to any register in the store and **tell the clerk you are participating in the UWC Book Fair**. To make this even easier, there will be a coupon in the November Messages to clip and bring along. So come to the **Boulder Book Store** on **November 7, 8 & 9**, support the UWC Scholarship Fund and get that book you've been dying to read! See You There!

Many, many thanks to *Joan Lee Mikulas*, Program Chair, *Jerre Lloyd*, Interest Groups Chair, and *Judy Reid*, Service Projects Chair, who made all the arrangements and saw that things ran smoothly. Thanks also to *Marcia Elwood* and *Carol Born* who were busy receiving dues and to *Linda Cook*, our official hostess with the mostess. As of the *Messages* deadline (September 10), we have 43 new members - the UWC is going strong and growing stronger! We are so glad to have you all, new and old members alike, in our unique organization. This issue of *Messages* is chock full of opportunities to get involved in UWC activities. I have no doubt that your horizons will be broadened by doing so.

For those of you who weren't able to join us, just a reminder - in order to be listed in this year's UWC Membership Directory, your dues of \$20 need to be mailed to *Marcia Elwood* (see membership form), by October 1. This date is firm because of printing deadlines.

HONORS AWARDS - MAY 1997

The final spring event of the UWC took place on May 6 at the President's Residence. The largest attendance ever witnessed the presentation of the **Margaret Willard Awards**, the **Installation of Officers**, and a special **President's Award**. Also honored were all UWC Past Presidents. The *Mont Alto Trio* entertained the guests and attendees during the social hour prior to the presentations.

This year's recipients of the **Margaret Willard Awards** were *Mary Bonneville* of MCDB Biology, *Zoya Popovic* of Electrical Engineering, and *Angela Thieman* of Anthropology. Outstanding role models for women of all generations, these three women are recognized for their leadership and scholarship not only on the Boulder Campus, but also on the local, national and international levels.

The **President's Award**, given at the discretion of the current UWC president, was awarded to *Marilyn Peltzer* for her unfailing support, dedication and tireless efforts on behalf of the University Women's Club and the University of Colorado.

In a rare historical moment, nearly twenty Past Presidents witnessed the **Installation of Officers** for 1997-1998. Club pins were exchanged as the mantle of office was passed from outgoing President Toni Smokler to incumbent President Boyce Sher.

Special thanks to Chair *Marilee de Goede* and her committee - *Karen Diamond*, *Claudine Garby*, *Boyce Sher*, and *Toni Smokler* - for all the hours of preparation and planning in making this such a memorable afternoon.

PRESIDENT'S MESSAGE

Every month there are individuals in the UWC who make it all work - the board members, interest groups chairs and others who willingly give of their time so that all of us can enjoy the activities of this organization. This month I want to recognize particularly **Joan Podgorski** and **Marcia Elwood** who are responsible for the Membership Directory. I think you will be really pleased at the new look. This has taken hours of their time, so from all of us - THANKS A MILLION JOAN AND MARCIA. In addition, **Joan Podgorski** and **Sherry Bruff** have been putting together a brochure which introduces the UWC to the community - necessary for publicity, etc. Again, MILLE GRAZIE for a job well done.

We were delighted to entertain new members at the September 23 coffee at my home. Unfortunately, due to a family situation I must be out of town and cannot schedule another date in the near future for those of you unable to come that day.

And one last reminder - please plan to support the UWC Scholarship fund by participating in the Boulder Bookstore Fund-raiser - your holiday shopping can be done early while helping worthy students.

Boyce Sher

FOR YOUR "INTEREST" AT YOUR FINGERTIPS

In the last issue, President *Boyce Sher* mentioned that the UWC is indeed a unique organization that provides its members numerous opportunities to get involved in activities that both broaden horizons as well as nurture new and lasting friendships. We thought you would find it useful to have a listing of all the current interest groups. Many thanks to this year's Chairperson, *Jerre Lloyd (661-9881)*, for providing the information.

PRESIDENT'S MESSAGE

As we approach the holiday season with it's hustle and bustle I'd just like to pause long enough to count my blessings. Among these are my wonderful friendships, many of whom were made and nurtured through the UWC. We've lived in Boulder just a little more than four years, but this group has made me feel so welcome that I feel truly accepted and supported as though we'd been here much longer. That's the beauty of Boulder and this terrific group of women. Thank you all and happy holidays! PS: Hope to see you all at the Winter Party!

AWARD TIME ...

A reminder that nominations will be accepted soon for the **Margaret Willard Award**. The deadline will be in March - with an exact date to be determined. This UWC award recognizes women faculty, staff, students, alumni, and UWC members for outstanding work in their field of endeavor. Further details will be in the March *Messages*. Call **Carol Born** (581-9139) for more information.

PRESIDENT'S MESSAGE

Many thanks to Caryl Kassoy and her committee who did such a wonderful job with the Winter Party. We were so sorry that we couldn't accommodate all who wanted to come, but we feel that we can arrange the space so that more can be seated next year. The event was such a success that we've reserved the Broker again for next December.

It's good to get back to a routine following the holidays. The spring semester is full of UWC activities and events: three interesting lecture luncheons, brunch followed by a performance of *Madame Butterfly*, our Spring Event auction and luncheon, and the Honors Reception. We will be electing future officers at the March luncheon and UWC committees will be selecting the scholarship winners and the Margaret Willard Award recipients. Of course our interest groups are all going strong.

I am extremely proud that this organization has had the foresight and the means (thanks to past leadership and hard work), to be able to set up our new Scholarship Endowment Fund. (See article on page 1.) We hope that members will build the fund through the years so that UWC scholarships for special students can continue past our lifetimes!

MARGARET WILLARD AWARD

Since 1993, the UWC has given the Margaret Willard Award to women affiliated with the university who have demonstrated outstanding work in their field of endeavor, who are exceptional role models, and who bring honor to all women and to the university through their accomplishments. The name of our award honors the first UWC president (1917), Margaret Love Wheeler Willard. She was an instructor in the English Department at the University, having received her master's degree here, and was married to James Willard, a professor in the History Department. In addition to Mrs. Willard's outstanding contributions to the university as teacher and scholar, she was active in civic and university organizations. She died in 1955.

Faculty, staff, students, alumni, and UWC members may be nominated for this award. The nomination process is relatively easy and we encourage our members to acknowledge and honor the many extraordinary women associated with CU and the University Women's Club by nominating someone deserving of this award. Please include a nominating letter, 2 letters supporting the nomination, and a brief vita or resume (optional). The deadline for nominations is March 31, 1998. The award will be presented at the Honors Reception on May 5, at the University Residence. Nominations should be sent to the nominating committee chair: **Carol Born, 8223 Kincross Way, Boulder, CO 80301-4243 Phone # 581-9139**

PRESIDENT'S MESSAGE

Congratulations and best wishes to faithful Board member Anne Hearn who gave birth to beautiful baby Margaret on January 18. This was our first sign of spring! But other signs of spring are in the air at the UWC. Toni Smokler and her committee are arranging a delightful brunch before the matinee performance of *Madam Butterfly*. Many thanks to these hard working volunteers:

Cindy Cash	Rhea Little
Marsha Coons	Barbara Pepp
Yvonne Dunn	Toni Smokler
Jean Gelardo	Nanwei Su
Anne Hearn	Sally Winters
Myra Hill	

Like the Winter Party, we are sorry to have to turn people away, but the capacity of the University Residence has limited our ability to accept reservations. The Spring Event committee is going strong, soliciting auction items and gearing up for the big event on April 21. IT IS REALLY GOING TO BE FUN so put it on your calendars if you haven't already done so. The Scholarship Committee is meeting this month to begin selecting the recipients of our scholarships which will be awarded at the Spring Event. Last, but not least, the Margaret Willard Award committee is particularly eager for our members to realize that there are many among us who are deserving of this honor (see 1st page). We are encouraging all of you to nominate women you know - perhaps unsung heroines - who ought to be recognized for their contributions. The process is not a difficult one so please give it some thought.

LYRIC THEATER SINGERS TO PERFORM AT SPRING EVENT

The Lyric Theatre Singers, the outstanding touring ensemble for the CU Lyric Theatre Program, will provide the entertainment for the Spring Scholarship Event, performing selections from familiar musicals and operas. They have performed for a wide variety of Colorado audiences and recently toured Japan and Korea. The eight singers have been selected by audition from the CU College of Music graduate vocal program. All of the members are graduate students and have extensive solo concert experience, including performances with Opera Colorado, the Colorado Symphony Orchestra and other regional venues. The group is directed by *Dr. Dennis Jackson*, Director of the Lyric Theatre Program and professor of voice in the College of Music. *Professor Mutsumi Moteiki* serves as music director.

The Lyric Theatre Program has been selected as a **Program of Excellence in the State** this year by the Colorado Commission on Higher Education. This award is based on the recognition of the quality of teaching in the vocal area, the placement of vocal graduates, and outside support of the program. With the aid of this grant, the Lyric Theatre Program has hosted children's performance of *The Magic Flute*, *La Boheme*, *South Pacific*, *Gianni Schicchi*, *Guys and Dolls* and, most recently, *Madama Butterfly*.

And Speaking Of The Spring Event ...

- Bring a friend.
- Interest groups or groups of friends can reserve a table by sending in their reservations together.
- The UWC doesn't have credit card capability, so bring your checkbooks! You don't want to miss out on the great buys at the silent auction.
- To avoid parking hassles, consider taking the Hop or the Skip bus service to campus.

PRESIDENT'S MESSAGE

It's hard to believe that we are planning our end of the year activities! When you receive this newsletter the **Spring Scholarship Event** will be less than a month away, and the **Honors Reception** will follow by only two weeks. There are many people hard at work on each of these events to make them successful. The **Spring Event**, headed by co-chairs *Stephanie Corotis* and *Jaime Zukowski*, have a marvelous cadre of dedicated UWC members planning this terrific affair. A particular thanks AGAIN to *Joan Podgorski* for those beautiful invitations! We will have a great deal of fun while supporting our scholarships, encouraging women to live up to their potential by returning to the University. The scholarship committee, headed by *Karen Diamond* has selected three worthy recipients who will be recognized that day. The **Honors Reception** has a different focus. At this event, organized by *JoAnn Crandall*, we honor women who have already made a significant contribution to society: 1) our Margaret Willard Award recipients selected by **Carol Born** and her committee, 2) past presidents of UWC, and 3) incoming and outgoing board members. Many, many thanks to these hard working women who are contributing so much to the UWC. This organization is so vital because various women step forward at different times to volunteer. Please speak to me or any board member if you are willing to help in any capacity. We Want You! And please come to both events to support women through the UWC.

MARGARET WILLARD AWARD RECIPIENTS ANNOUNCED

The University Women's Club of the University of Colorado is pleased to announce the 1998 recipients of the Margaret Willard Award. Named in honor of the first president of the UWC, this award recognizes women who are exemplary role models, exercise great initiative in their professions, and who, by their exceptional accomplishments, bring honor to all women and to the University.

This year's honorees are *Kristi S. Anseth*, Assistant Professor of Chemical Engineering; and *Katherine Moerke*, Director of the CU-Boulder Women's Resource Center. They will be recognized at the University Women's Club Honors Reception on May 5th at the University Residence, 3600 Caddo Parkway.

Professor Anseth, a graduate of Purdue, completed her graduate work at CU in 1994. She joined the faculty in 1996, after spending a postdoctoral year at MIT. As one of the nominating letters stated, "It is extremely rare to hire a graduate student from the same department as a faculty member. However, Kristi's contributions and potential both in research and teaching were so outstanding that we made an exception in her case." She maintained a perfect grade point average throughout all her schooling. Based upon her Ph.D. research (which resulted in 17 publications and six proceedings), she won several awards including the Outstanding Graduate Student Award from the Material Research Society, a University of Colorado Graduate Research and Creative Work Award, and the American Chemical Society's Unilever Award for the most outstanding Ph.D. thesis in the nation in the field of polymers. She was one of three finalists for the 1994-95 International Dissertation Award, given only once every two years in all fields in the world. In only two years, she has published 31 peer-reviewed research articles and is the recipient of a Packard Fellowship - one of only ten awarded nationally each year for all of science and engineering. This fellowship is a five-year, \$500,000 unrestricted research grant. In addition, she is a National Science Foundation Fellow and a DuPont Fellow. As unparalleled as she is a researcher, Professor Anseth is equally talented as an educator and classroom teacher. She currently directs six graduate students and works with eight undergraduates on individual research projects. Students comment that they are fortunate to have a role model who performs at an exceptional level professionally and yet still cares so deeply for them. No wonder she consistently has obtained excellent teaching evaluations from her students. Oh, and one final note - while at Purdue, she was named an Academic All-American in College Basketball!

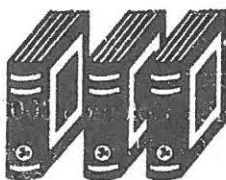

Described as an organizer, motivator, strategizer and source of continuous energy, *Katherine Moerke* was appointed the first director of the Women's Resource Center (WRC) in the summer of 1994. Under Ms. Moerke's skillful tutelage, what began as a student initiative (with a desk in a back room of the UMC and supported only by student fees), has emerged as a thriving Resource Center under student government which serves hundreds of students and members of the CU-Boulder community each month - no small feat given the budget constraints of the past few years! Through her efforts, programs have been created that focus on women's issues, a volunteer force has been established to staff the center, and campus-wide support for the Center generated. Students state that the Center provides them a place where they can be themselves as well as make a useful contribution. In addition, Ms. Moerke has been very active in promoting networking and alliance opportunities for women faculty and staff on campus. Her presence has enhanced student experience at CU as well as the quality of life for women on the Boulder campus. Her leadership, dedication to women's rights, and extraordinary abilities as director of the WRC serve as an inspiration and role model for all. Ms. Moerke will attend law school this fall, and, as one nominator put it: "She has done a splendid job as the initial director (of the WRC) and leaves a solid legacy."

PRESIDENT'S MESSAGE

It's hard to believe that this is the last time I will be contributing to Messages as the President of UWC. Truly the year has gone quickly and FORTUNATELY with no real mishaps. I owe this entirely to the wonderful UWC board, an incredibly supportive, hardworking, responsible, and likable group of women. Each of them has contributed immeasurably to this year's success. They are: Joan Lee Mikulas, Claudine Garby, June Krantz, Beverly Irons, Linda Cook, Jerre Lloyd, Ellen Gille, Anne Hearn, JoAnn Crandall, Marcia Elwood, Judy Maiocco, Kate Crawford, Sherry Bruff, Karen Diamond, Judy Reid, Toni Smokler, Jamie Zukowski, Stephanie Corotis, Caryl Kassoy, and Carol Born.

I hope you all will join me in thanking them at the Honors Reception on May 5th, when they will be recognized along with our Margaret Willard Award winners, and UWC past presidents.

I've really enjoyed being this year's spokeswoman for the UWC. It's been a privilege to be your president. All best wishes to Joan Lee Mikulas and her board!
