President's Message

The end of summer marks the beginning of UWC's year – and what a year it will be! 2019-20 is UWC's 100th anniversary – our activities of the year, from luncheon topics to an end of the year gala, will celebrate the centennial.

Our year will begin with the annual Fall Membership Tea on Tuesday, September 10th from 2:00-4:00 pm when we greet old and new members, sign up for interest groups and lecture luncheons, and have an opportunity to hear about plans for the year. This is an opportunity for members to bring friends and neighbors who may be interested in joining UWC and participating in its many programs. At the tea, you may renew your membership, sign up for lecture luncheons, and contribute to UWC's scholarship effort that supports the education of non-traditional students who have returned to CU to complete their studies.

Last year our members' generous donations allowed us to give over \$25,000 to six deserving undergraduates. Please try to join this effort by including a donation for scholarships along with your dues. (Donations may also be made throughout the year.) You will be so proud to have helped such amazing students reach their education goals.

The five Lecture Luncheons (October, November, January, February, March) will give UWC members and guests an exciting centennial overview of our environment (*CU Museum of Natural History: Window to the Past; A Door to the Future*), the climate (*Climate of Colorado over the Last 100 years*, at NCAR), CU's social history in the year UWC was founded (*The Story of Lucile B. B. Jones, the First Black Woman to Graduate from CU, 1919*), CU's Heritage Center (*We Were There at the Beginning*), and our region of the country (*Women and the West*). Because prices keep going up, the Board decided to increase the price for lecture luncheons to \$25 to cover costs. This is the first increase in five years.

Our centennial year will begin and end with two celebratory events. The first is publication of a Centennial book that highlights who we were and what we did over a century of activities, with fascinating stories gleaned from the CU archives and UWC members. This book will be a membership benefit for all – and ready in the fall. The second event is the May Gala – an event-filled UWC centennial birthday party for UWC members and guests. It's still in the planning stages but already promises to be a special evening of music, theater, and celebration.

This year UWC is going to explore online registration and payment for membership dues and lecture luncheons. You can renew your membership and pay your dues via PayPal or credit card – please see the link of UWC's home web page: <http://boulderuwc.org>. We hope to have lecture luncheon registration online by the time of the Member Tea.

2019-20 will be a vibrant year, driven by the engagement of your Board members, Interest Group chairs, and special event coordinators. It is a privilege for me, as 2019-20 President, to work with and learn from them and you, the UWC members. I am looking forward to seeing you all at UWC events and online!

Merry Bullock, UWC President, 2019-20

Centennial Gala – SAVE THE DATE!

As a finale to the UWC Centennial year, a committee has been working on a “Gala,” a plated dinner with some fun entertainment, in the Glenn Miller Ballroom. More details will be provided in future newsletters. Be sure to mark the date – **Friday, May 15, 2020** starting at 5:30 p.m.

Co-Chairs, Caryl Kassoy and Joyce Spencer

Scholarships

In this, our Centennial year, we wish a warm welcome to all our new members and to our many returning members! Since its founding, a goal of the UWC has been service to the university and the community. Since 1982, this has included providing scholarships to non-traditional students, who have had their college studies interrupted. The recipients tell their stories at our Spring Scholarship Luncheon, and these individuals are always remarkable for the resilience, passion, and talent they display. These stories inspire us to redouble our efforts to increase the amounts we are able to provide for our Scholarship Fund.

It is your donations that make the Scholarship Fund possible. These can accompany your membership dues checks, lecture luncheon registrations, or can be made by donating online (boulderuwc.org) or sending a check in the mail. You can additionally support UWC just when buying groceries! That’s right, King Soopers will now donate 5% of all purchases to the UWC directly through your loyalty card! Instructions about how to enroll your loyalty card in this program are laid out on the UWC website (see above). You can also hear more about this at the Fall Membership Coffee, where we hope to see you all. Let’s all work together to make this a banner year for scholarships!

Margaret Riddle, Scholarship Chair.

A Window to the Past; A Door to the Future

Speaker: Dr. Deane Bowers

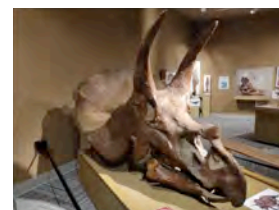

CU Museum of Natural History

CU Natural History Museum after the lecture***

Reservations & payment due October 1

Dr. Bowers is Chair of the Department of Ecology and Evolutionary Biology and Curator of Entomology at the CU Natural History Museum. She has been fascinated by insects since she was small and has been able to follow such an early interest throughout the rest of her life. After completing her Ph.D. at the University of Massachusetts, and a two-year post-doc at Stanford, she spent eight years on the faculty at Harvard. She has served as a University of Colorado professor since 1989.

Her interests are in the interaction of insects with their environment and other organisms, especially chemical mediation of plant-insect-enemy interactions and the effects of human alterations of the environment on these interactions. She works in a variety of systems, including butterflies and their host plants, predators and parasitoids, native bee communities, and insect immune responses to parasitoids and pathogens.

*Merry Bullock,
UWC President, 2019-20*

If you are a typical UWC member, you probably rarely consider how the lecture luncheons, email blasts, newsletter or interest group activities get organized. You probably read notices via email and in *MESSAGES*, find the activities that appeal to you, and then join your old (and new) friends. UWC activities are well organized and seem to run seamlessly. But what happens behind the scenes?

UWC's activities are the collective work of your UWC Board of Directors and Interest Group Chairs. (See <http://boulderuwc.org/index.php/about-us/board-of-directors/> and <http://boulderuwc.org/index.php/activities/interest-groups/> to see who they are.) This remarkable group of women, twenty-three on the Board and an additional twenty-five interest group chairs (*Several women are both!*), are motivated, competent, and most importantly *do their jobs*, usually without much fanfare or visibility. As President, I am privileged to benefit from this aspect of the culture of UWC—Board members and interest group chairs are

so engaged—they reach out, communicate, and help out others when needed. Those of you familiar with organization boards will know that this is a somewhat unusual and fortunate situation. I know I leave each Board meeting feeling a little giddy—from the spirit of shared engagement and commitment to making UWC the strong organization that it is.

So please join me in heartfelt kudos to the members of your UWC Board – they deserve our standing ovation!!!

Now for news of the month –

- As you will see, membership renewal (and soon lecture luncheon registration and payment) is available online. We hope that you will take advantage of this if it is in your comfort zone.
- **MARK YOUR CALENDAR** – The Boulder City Council, in honor of UWC's 100th Birthday this year, has declared **December 12, 2019** as **University Women's Club Day** in Boulder. We don't know how we will celebrate this day, but celebrate it we will! Stay tuned. In the meanwhile please read the stunning declaration at: <http://boulderuwc.org/index.php/2019/09/university-womens-day/>
- Be sure to check out interest groups – there are two new ones in 2019 – golf and dancing! See more in this month's *MESSAGES*.

Please remember that UWC is for you. If you have any questions or concerns or even something you would like to see I am happy to hear from you at presidentUWC@gmail.com

Have a great October!

Merry

Scholarship Chair's Message

It is Fall, students are returning to CU, and we are proudly kicking off the 2019-20 scholarship funding cycle. This year we hope to give six (or more!) non-traditional CU students scholarships to support their educational goals. Your giving is the backbone of the scholarship program, and we celebrate your generosity.

Please read more about the scholarship program and 2019 recipients at

Also, please note that you can make a special gift "In Memory Of" or "In Honor Of" someone, at any time (see Membership Form, page 12).

UWC Centennial Book

A committee to research and preserve the history of the first 100 years of the University Women’s Club was formed about 18 months ago. The members, especially Frieda Holley, the chair of the committee, spent many, many hours pouring through (and scanning materials from) the UWC archive boxes housed in the Norlin Library.

The result is a forthcoming book, similar to the one produced for the UWC’s 75th Anniversary, to be published this Fall. It will be full of interesting descriptions and fun facts about UWC’s past, our relationship with CU, how our activities and lives have changed over the decades, and who we are today.

Committee members have met at least monthly, to discuss the structure and content of the book, and develop and organize text and pictures.

More on when the book will be available in next month’s MESSAGES!

Frieda Holley, Joyce Spencer, Kathleen Salzberg, Merry Bullock (at computer), Karon Johnson, Karen Diamond, Ginny Ross, and Caryl Kassoy. (Not pictured, Judy Reid, Virginia Stringi).

12:15 p.m. Lecture in the NCAS Auditorium

Reservations & payment due October 29

Colorado's climate is fascinating, with huge yearly, even hourly, swings in temperature and precipitation caused in large part by our geography with vast plains meeting high mountain peaks. This presentation summarizes what we've learned about our state's weather and climate, with a particular focus on droughts, floods, and snowpack. Recent advances in observing and predicting our weather and climate will also be discussed, along with what we know and don't know about the future.

Dr. Schumacher with the Department of Atmospheric Science at Colorado State University also serves as the Colorado State Climatologist and Director of the Colorado Climate Center. His research is aimed at improving understanding and prediction of extreme precipitation. He collects data in the field and uses numerical models of the atmosphere. His other research and teaching interests include weather systems, mesoscale meteorology, and the climatology of precipitation.

Reserve early Space Limited!

Lecture Event payment must be received NO LATER than **October 29**. Please send payment of \$25 to our Hospitality Chair, Norma Portnoy, 1603 Waneka Lake Trail, Lafayette, CO 80026.

President's Message

*Merry Bullock,
UWC President, 2019-20*

The UWC Membership Event in September heralded the start of an exciting year for the club. We are now in full swing to celebrate our Centennial – with some birthday celebrations in the works! Recognizing UWC's contributions to the Boulder community over the last 100 years, the mayor proclaimed December 12, 2019, as UWC Day in Boulder. It was on this day just 100 years ago Minnie Norlin met with faculty and faculty wives to start a club to “promote friendships and common bonds of interest”.

Mark your calendar to celebrate our centennial throughout the year. Each lecture luncheon will address an aspect of history—of the region or the university—with contemporary eyes.

December 12 UWC will hold a birthday party and toast
(Details are still being planned—Watch for an email.)

May 15 we'll go all out with **an Evening Gala Extraordinaire** with performances, music, dinner, and good cheer.

Kudos go to our Board members and planning committees for creative ideas and planning!

Did you know? UWC now has 28 Interest Groups—the new ones this year are Golfing, Dancing, and attending CU-Women's Athletic Events. You can see all the interest groups in MESSAGES or online and join those that speak to you—the important role of interest groups in providing the wonderful “social glue” or UWC is a direct expression of the original goals of UWC.

Our November Lecture Luncheon will be at NCAR—always a great destination—where we will hear about climate in Colorado in the past and now. Be sure to sign up early for this limited – seating event—deadline of October 29 for the November 12 luncheon! Many thanks to our Programs co-chairs Lynne Barnett and Sharon Nehls, as well as Hospitality Chair Norma Portnoy.

And last —UWC is continuing to expand its online footprint. Now, in addition to MESSAGES and the Directory online, UWC members may register and pay for activities with just a few simple clicks. Membership renewal is available online

<http://boulderuwc.org/index.php/2019/07/uwc-membership-online/>) as is signup for the Lecture Luncheons <http://boulderuwc.org/index.php/2019/07/2019-2020-lecture-luncheons/> and an easy way to donate to the UWC scholarship fund (you can even make automatic monthly donations!) Your UWC Treasurer and event chairs have been working hard to test the system and iron out the kinks and now it's ready to go. Please try it and save a stamp!

Please also join me in giving thanks this month for our UWC, which runs on the basis of enormous talent, enthusiasm, and work from its Board, Committee Chairs and members, and from all of its members who do indeed find friendships and common bonds of interest!

Merry

UWC has a long and proud tradition of awarding scholarships to our non-traditional students at CU who have had their college studies interrupted, and so many of our members have indicated they feel so very good about being part of this effort. We want to take this opportunity to give a heartfelt thanks to all of you who donated to the Scholarship Fund by making a special contribution to accompany your Membership dues. The list below includes those who made a donation in addition to the \$5 included in the dues. Again, thank you all so much for your generosity!

UWC Centennial Book

The UWC Centennial History Committee has been writing a book describing the first 100 years of the Club. The book will answer questions such as: Why was the Club formed? What were the Club’s activities in the 1920s? During the war? Since the 1990s? How has the membership changed? What have Club members done for the University? Why do Club members continue to belong?

Currently committee members are reading the “final” draft, checking for errors, deciding on pictures, and attending to other details. Several members have been successful in finding sponsors for the book, and it is possible that the book will be published at little or no cost to the Club. It will be distributed free to members.

Although the book is almost finished, due to travel schedules the Committee does not expect to print the book until December. If all goes well, it will be published by December 12, 2019, exactly one hundred years from the Club’s beginning, and the day declared as University Women’s Club Day by the City of Boulder.

January Lecture Luncheon January 14, 2020, 11:30 a.m. In the UMC Room 235

The 1919 Story of Lucile Berkeley Buchanan Jones, the first black woman to graduate from CU

Speaker: Dr. Polly McClean
Associated Professor of Media Studies
Affiliated Faculty in Department of Ethnic Studies

Reservations & payment due December 24

Polly E. Bugros McLean shares insights from her book *Remembering Lucile: A Virginia Family's Rise from Slavery and a Legacy Forged a Mile High*, which explores the life of Lucile Berkeley Buchanan Jones, (1884-1989) an exceptional woman who history had forgotten and did not have a chance to author her own story. Lucile Berkeley Buchanan Jones was the first black woman to graduate from UC Boulder, graduating in 1919.

Dr. McLean has lectured, conducted workshops and research in southern Africa for USAID, UNESCO, as a Fulbright Scholar in Namibia, and a visiting professor at the University of Zambia. McLean is the recipient of numerous awards and honors including the 2014 Best Should Teach Gold Award, the 2009 Edward R. Murrow Award for teaching, and the 2007 Robert L. Stearns Award.

President's Message

This issue of MESSAGES arrives just as the holiday season begins. Perhaps you can add UWC to your list of things to celebrate, things to do, and seasonal reflections.

To celebrate:

- UWC's 100th Birthday month begins – don't miss our Birthday Party on UWC Day - December 12, in the evening! You can RSVP online (see <http://boulderuwc.org/index.php/2019/11/uwc-day-birthday-party/>). In addition to desserts and a toast to UWC, those who attend will be the first to receive a great membership benefit – a copy of our Centennial book – 100 packed pages of a look at UWC over the last century, created and edited by the UWC Centennial History Committee from materials from library archives, personal reminiscences, and news sources.
- A year of great programs! The Fall got off to a fast start – with two stellar lecture luncheons that included a visit to the CU natural history museum, and to NCAR. We will continue the history theme in January with a look back to CU of 1919- the year Lucille Buchanan Jones graduated. We also had a well-attended membership tea (there are xx new members so far this year) and newcomer's reception. Don't forget to check the calendar of events for the Opera Brunch, Scholarship Luncheon, May gala and February and March lecture luncheons.
- Each other! Did you know? – there are 85 current UWC members who have been members for more than 20 years (and 20 of these for more than 50!). It's not hard to see why UWC membership "sticks" – where else can you find such active (there are now 29 interest groups!) opportunities for comradeship, fun, and friendship!

To do:

- Add UWC to your donation list. UWC's major service to the university and education is our support of up to 6 non-traditional CU students each year. Our collective generosity – member donations – has helped change the lives of over 130 students to date. As you end your tax year please include UWC – all donations over \$50 will receive written acknowledgement.
See <http://boulderuwc.org/index.php/2019/08/donate/>
- Sign up for two other easy, no-cost ways to support UWC. When you link your King Soopers loyalty card to UWC in their "Community Giving Program" 5% of your purchase will come back to UWC. Similarly, when you sign up for Amazon Smile (just log on to smile.amazon.com when you order!) Amazon will send UWC a small percentage of your purchase price. If we all take advantage of these programs, we can extend our support to UWC and to students! Read more here: <http://boulderuwc.org/index.php/2019/11/support-uwc-when-making-purchases/>
- Make a nomination for the Margaret Willard Award. This award celebrates a woman who has contributed to CU or the Boulder community (and need not be a UWC member). You can nominate online at <http://boulderuwc.org/index.php/2019/11/willard-nominations/>
- Check out signing up for events online. You can save a stamp and help streamline our registration processes all at once – now all UWC events can be signed up for online and paid using Paypal's secure gateways for Paypal or credit card transactions (links are all online at boulderuwc.org).

Reflections:

For its 100 years, the dual mission of UWC has remained constant: facilitate friendships and do service. I want to end this month's thoughts with a note of gratitude for to the women who make this possible – all of us. Whether its planning events, outings, outreach to members, or showing up for interest group activities, the spirit of inclusiveness, camaraderie and friendship we find at UWC enriches our lives and those of the broader community.

Merry Bullock, UWC President, 2019-20

Scholarship Donations

UWC has a long and proud tradition of awarding scholarships to our non-traditional students at CU who have had their college studies interrupted, and so many of our members have indicated they feel so very good about being part of this effort. We want to take this opportunity to give a heartfelt thanks to all of you who donated to the Scholarship Fund by making a special contribution to accompany your Membership dues. The list below includes those who made a donation in addition to the \$5 included in the dues. Again, thank you all so much for your generosity!

We have a **different venue—the new building (“The Canyons Center”) at Frasier!** It's a great opportunity to celebrate the 2020 scholarship winners and hear their stirring personal stories. To support their efforts, please donate as generously as you can to the Scholarship Fund.

Nominating Committee Report

The Nominating Committee, consisting Janet Brewer Chair, Karen Diamond, and Frieda Holley has presented the following slate of officers. The UWC Board approved the slate at the November Board Meeting. The membership will vote on the officers at the February 11, 2020 luncheon.

President-Elect 2020-21 (to serve as President 2021-22)

Tamera Van Spriell

Tamera (Tam) has been a member of the University Women's Club for eight years and has held Board positions for six of those years. She was chair of the Opera Brunch for two years, co-chair of the Scholarship Luncheon with Linda Nordberg for two years and co-chair of the Interest Groups again with Linda for two years.

She retired from a 20-year career with Merck & Co., Inc. in clinical quality assurance where she traveled domestically and internationally auditing research studies conducted in support of Merck's clinical trials. Data from these trials ultimately supported new drug applications sent to the FDA.

She is eager to become more fully engaged with the UWC Board in a broader capacity.

Treasurer-Elect 2020-21 (to serve as Treasurer 2021-22)

Kathy Herder

Kathy Herder has thirty years of experience in accounting, human resources, purchasing, and office administration. She has worked in small, mid-size, and large construction, engineering and service-oriented companies at all levels of management. Her most recent positions were as Controller of a national US company, prior to relocating to Singapore in 2007, then as Controller for The American Chamber of Commerce in Singapore from 2008-2012. She served as an executive committee member for financial and governance issues for *aidha*, a not for profit organization providing financial education for women migrant workers in Singapore.

Kathy is our current Treasurer and Treasurer-Elect.

Secretary-Elect 2020-21 (to serve as Secretary- 2021-22)

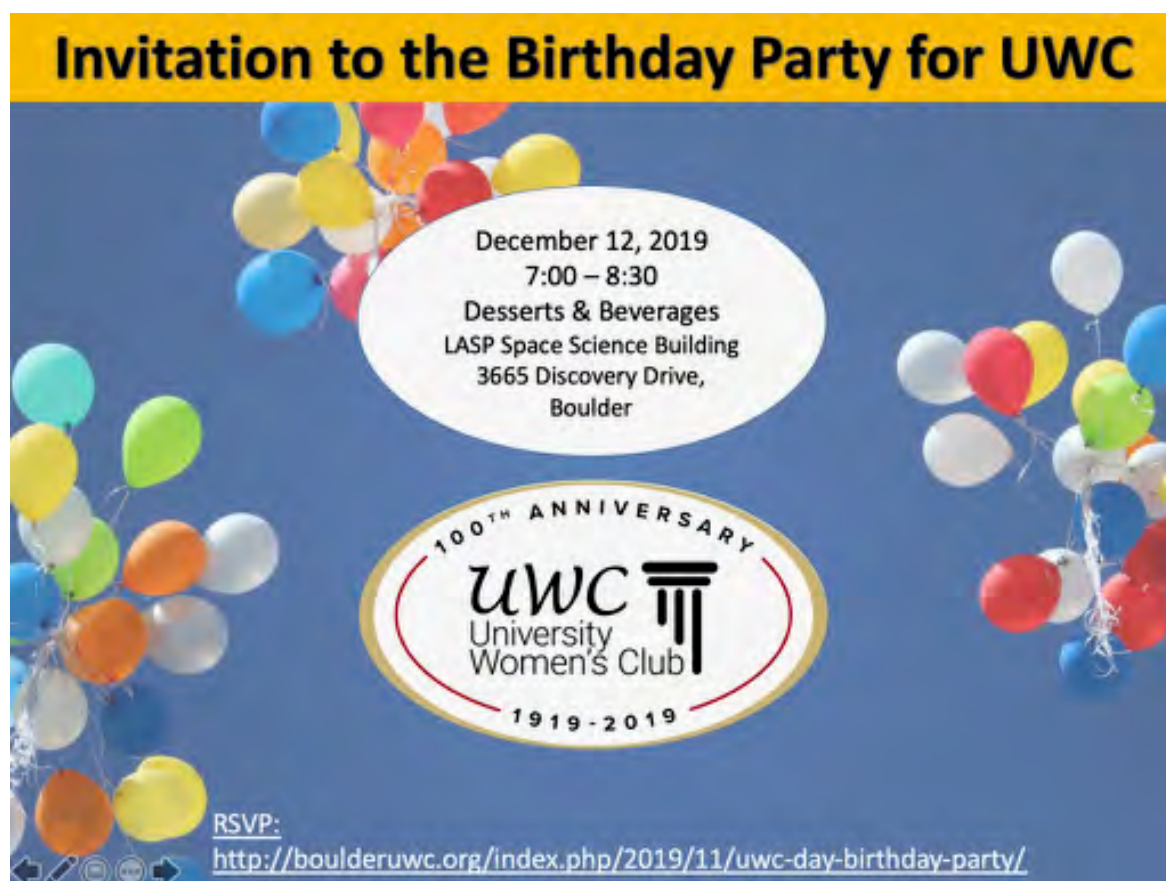

Karen Bell

Karen is a registered nurse (RN) and was the Clinical Nurse Specialist/Educator for the Nephrology Department at University of Colorado Health. She and her husband have been in Boulder 1974-77 and 1983-present. They have two children (Fairview grads) who each have two children and live in NYC and Charleston, SC. She travels frequently and volunteers for EFAA, OSMP and the National Kidney Foundation. She sings with the Boulder Chorale, has served on their board, and is currently on the grants committee. She joined UWC about 3 years ago at the invitation of two friends from the chorale. Initially she attended only the lecture/luncheon meetings and has since enjoyed travels with "On the Road Again" and meetings with the Garden Group. She is a strong advocate of the scholarship program that UWC supports and considers the interest groups a delight. She looks forward to serving as Secretary-Elect.

UWC Centennial December 12 Party!

The City of Boulder has declared Thursday, December 12, 2019 to be University Women's Club Day in honor of the organization's 100-year history of providing scholarships to non-traditional CU students. Opera Brunch – March 2020

Save the date Saturday, March 15, 2020 for the Opera Brunch, talk and opera, *The Marriage of Figaro* by Wolfgang Amadeus Mozart. This opera is a witty, sophisticated romp that will appeal to a broad audience. You do not have to be an "opera buff" to enjoy this Mozart gem.

UWC Centennial Gala – Friday, May 15, 2020

It is the UWC Centennial Year, officially beginning on December 12, 2019, the date that the first “Faculty Women’s Club” had a meeting. The UWC will be celebrating this milestone as best we can all throughout the academic year.

The final “Hurrah” will be our Centennial Gala, on Friday, May 15, 2020 in the Glenn Miller Ballroom. There will be a sit-down dinner, preceded by a “cocktail hour”, beginning at 5:30 p.m. Please be sure to make a note on your 2020 calendar, to save the date.

The date is after the 2020 graduation, so the campus should be quiet, and parking available. Be sure to invite friends, especially any former UWC members who may have moved away, but with whom you are still in touch. Spouses should also enjoy the evening of entertainment and celebration.

Music, including by members of the Thompson Jazz Ensemble (Thank you Jeanne and Jack Thompson for endowing the CU Jazz studies program!) will be part of the festivities.

A performance about a few important women in the history of the UWC will also take place.

A committee has been at work to provide a fun celebration. Please plan to join us.

Details will be forthcoming in the 2020 newsletters.

Caryl Kassoy and Joyce Spencer
Co-Chairs UWC Centennial Gala

## President's Message

*Merry Bullock,  
UWC President, 2019-20*

Welcome to 2020—a year of vision and insight (capturing the 20/20 vision motif) and a leap year! These images capture UWC as we begin our 101<sup>st</sup> year of being an organization—clearsighted, and moving forward!

If you were to ask a random group of UWC members what the club is and what it stands for you might get a variety of answers – a place to make friends, to engage in the life of the mind (lectures, books, bridge), body (dance, hiking, snowshoeing, biking, even golf!), imagination (readers theater, movies, plays, gardens) skills (needlecraft, languages) or adventure (on the road), or a place to promote service (scholarships). But I think you would find unanimity in the pride with which members view the UWC—for its welcoming nature, interesting activities, and commitment to supporting students.

We are also moving forward as an organization—we are becoming more electronically savvy, with the ability to sign up and pay online for membership, all UWC activities, and donations (no more stamps and checks to mail!) This has not been easy—we are still learning to make the forms clear and efficient and payment seamless—but thanks to all the activity chairs and our UWC Treasurer, we are persisting!

### **What have we been doing and what is to come?**

December, usually a quiet month in the UWC, had our Birthday Party. The City of Boulder declared December 12, 2019 (100 years after the first UWC meeting in 1919) as UWC day, and around 80 UWC members gathered to celebrate. See a summary and some photos at <http://boulderuwc.org/index.php/uwc-turns-100/>

In January we began distribution of the just-published *Celebrating 100 years 1919-2019* – UWC's centennial book, produced by a dedicated committee headed by Frieda Holley. Thanks to the generosity of many sponsors (and hard work of Caryl Kassoy and Joyce Spencer in finding those sponsors), this book will be distributed to all UWC members as a special membership bonus! January also brings our 3<sup>rd</sup> Lecture Luncheon – with the story of Lucile Berkeley Buchanan Jones, who graduated from CU in 1918.

We are happy to announce the slate for Board elections—Tamera Van Spriell for President-Elect, Ellen Bell for Secretary-Elect, and Kathy Herder for Treasurer-Elect. The election will be held at the March Lecture Luncheon, and additional candidates may be nominated from the floor.

Meanwhile, your Board has been planning some great activities for the rest of the year. These include: February 12, 2020 – 4<sup>th</sup> Lecture Luncheon on the CU Heritage Center; March 15 (Sunday) – *The Marriage of Figaro* – opera brunch and opera; April 21 (Tuesday) – The scholarship luncheon with presentation of the 2020 scholarship recipients and the 2020 Margaret Willard Awardee; and May 15, 2020 – the end of the centennial GALA bash – this will be a fun evening of entertainment, laughter, and friendship. Thanks to all the volunteers who make the UWC sing and who contribute to our club lives!

I look forward to seeing you all at UWC's upcoming events and encourage you to consider volunteering with the University Women's Club for the up- coming 2020-2021 season. If you have any suggestions, ideas, or comments please email me at [merrybullock@mac.com](mailto:merrybullock@mac.com) with UWC in the subject line!

*Merry*

## Scholarship Donations

UWC has a long and proud tradition of awarding scholarships to our non-traditional students at CU who have had their college studies interrupted, and so many of our members have indicated they feel so very good about being part of this effort. We want to take this opportunity to give a heartfelt thanks to all of you who donated to the Scholarship Fund by making a special contribution to accompany your Membership dues. The list below includes those who made a donation in addition to the \$5 included in the dues. Again, thank you all so much for your generosity!

*Margaret Riddle, Scholarship Chair*

## Nominating Committee Report

The Nominating Committee, consisting of Janet Brewer Chair, Karen Diamond, and Frieda Holley has presented the following slate of officers. The UWC Board approved the slate at the November Board Meeting. The membership will vote on the officers at the March 10, 2020 luncheon.

### **President-Elect 2020-21 (to serve as President 2021-22)**

**Tamera Van Spriell**

Tamera (Tam) has been a member of the University Women's Club for eight years and has held Board positions for six of those years. She was chair of the Opera Brunch for two years, co-chair of the Scholarship Luncheon with Linda Nordberg for two years and co-chair of the Interest Groups again with Linda for two years.

She retired from a 20-year career with Merck & Co., Inc. in clinical quality assurance where she traveled domestically and internationally auditing research studies conducted in support of Merck's clinical trials. Data from these trials ultimately supported new drug applications sent to the FDA.

She is eager to become more fully engaged with the UWC Board in a broader capacity.

### **Treasurer-Elect 2020-21 (to serve as Treasurer 2021-22)**

**Kathy Herder**

Kathy Herder has thirty years of experience in accounting, human resources, purchasing, and office administration. She has worked in small, mid-size, and large construction, engineering and service-oriented companies at all levels of management. Her most recent positions were as Controller of a national US company, prior to relocating to Singapore in 2007, then as Controller for The American Chamber of Commerce in Singapore from 2008-2012. She served as an executive committee member for financial and governance issues for *aidha*, a not for profit organization providing financial education for women migrant workers in Singapore.

Kathy is our current Treasurer and Treasurer-Elect.

### **Secretary-Elect 2020-21 (to serve as Secretary- 2021-22)**

**Karen Bell**

Karen is a registered nurse (RN) and was the Clinical Nurse Specialist/Educator for the Nephrology Department at University of Colorado Health. She and her husband have been in Boulder 1974-77 and 1983-present. They have two children (Fairview grads) who each have two children and live in NYC and Charleston, SC. She travels frequently and volunteers for EFAA, OSMP and the National Kidney Foundation. She sings with the Boulder Chorale, has served on their board, and is currently on the grants committee. She joined UWC about 3 years ago at the invitation of two friends from the chorale. Initially she attended only the lecture/luncheon meetings and has since enjoyed travels with "On the Road Again" and meetings with the Garden Group. She is a strong advocate of the scholarship program that UWC supports and considers the interest groups a delight. She looks forward to serving as Secretary-Elect.

## UWC Centennial Book

By now you all know we are having a celebratory year for the 100<sup>th</sup> anniversary of the UWC.

Our Centennial Book is published and will be **given** (no charge) to each current UWC member!!! In it you will find a wonderful history of our club from the first “Faculty Women’s Club” meeting on December 12, 1919 to the present. Distribution of the book has begun and will continue for the next several months.

## UWC Centennial Gala – Friday, May 15, 2020

The Centennial Gala will celebrate our history. As a fitting finale to the Centennial Year celebrations, we invite you all, and your favorite guests, to attend the Gala Evening, planned to begin at 5:30 p.m. on May 15, 2020 in the UMC Glenn Miller Ballroom. Tickets will be available in the spring. It will be fun, festive, and will include:

- a cocktail hour, with a cash bar and non-alcoholic beverages, plus hors d’oeuvres
- a sit-down dinner (with a choice from 3 main-entrées)
- a brief performance (featuring “Margaret Willard”, “Helen Carpenter” and other notable UWC women)

*Margaret Willard*

*Helen Carpenter*

- music - on the piano, and later in the evening from members of the **Thompson Jazz Ensemble** who are remaining on campus for us although CU Boulder will have completed the academic year. THANK YOU to Jeanne and Jack Thompson for endowing the CU Jazz studies program and making this exciting entertainment part of our special evening
- a “nod” to our past presidents, Margaret Willard Award winners, and others
- a “Happy Centennial Birthday” cake

The dinner will have assigned seating, in tables of eight. If you just have one person with whom you wish to sit, that is not a problem. We will have a committee to help you find a table. Meanwhile, ask your friends to join you.

Cocktail attire is suggested (black tie not required!)

The registration form will be in the **March issue of MESSAGES**. Meanwhile, please mark the date on your 2020 calendar, and begin to think about your guests to invite.

### CELEBRATING THE UNIVERSITY WOMEN'S CLUB 100 YEARS

The University Women's Club of Boulder, Colorado, was started on December 12, 1919, when Mrs. George Norlin, wife of President Norlin, hosted a meeting of University of Colorado faculty wives and women faculty and suggested creating an organization for faculty wives and female faculty members to promote their friendships and strengthen their bonds of common interest. The concept was endorsed, and an informal club was formed, which was formalized with a constitution in 1924. The original name of the Club was the Faculty Women's Club. The name was changed in 1973. Today the Club is open to any woman who is a member or friend of the University.

Although the Club had and still has many social activities, it is not just a social club. Its members want to be and are involved in worthy causes. The majority of those causes are in support of the University, but the Club has also assisted the Boulder community.

From 1932 to 1937 the Club provided funds to purchase milk for undernourished children in Boulder. In the late 1940s and early 1950s, the Club's Social Service Committee provided a variety of services for hospitals. For example, it made hospital gowns, surgical bandages, curtains for the hospital, and dolls for the Tuberculosis Ward of Denver General Hospital.

A frequent community service was baking cookies. Members started making cookies for Fitzsimons Hospital in 1959. By 1975 they were making three dozen cookies a month for Meals on Wheels, an activity they continued for twenty-five years.

UWC members have volunteered at many of the cultural organizations in Boulder. They have dedicated their time to the Women of the West Museum, the Boulder Museum of History, Historic Boulder, the Colorado Music Festival, and the Colorado Shakespeare Festival.

Because funding for the University of Colorado at Boulder has been so low, the Club has undertaken activities to raise funds for various projects. In the 1980s Club members wrote and published *The Colorado Cookbook*. Over 70,000 copies were sold, raising over \$350,000 for CU libraries. They also volunteered their time at the CU libraries serving as bookfinders.

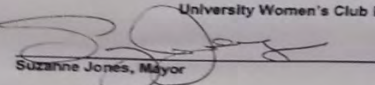

For over thirty years members served as volunteer staff at the Wardenburg Student Health Center in addition to raising money to purchase needed equipment.

Building renovations have also been supported. The Club raised funds for the renovation of Macky Auditorium and helped save Cottage No. 1, now the Hazel Gates Woodruff Cottage, which was one of the original residences for female CU students.

The University Women's Club's main service activity today is raising money for scholarships for nontraditional students who have had a break in their education. The Club started awarding scholarships in 1982 and to date has awarded over \$300,000 to 100 students helping them achieve their goal of a college education. Some of the money for scholarships is raised through fashion shows that feature Boulder stores.

The City Council of the City of Boulder congratulates the University Women's Club of Boulder on achieving its 100th birthday and declares December 12, 2019, as

University Women's Club Day

President's Message

Merry Bullock,
UWC President, 2019-20

March is the month of expectation; The things we do not know –

Emily Dickinson

This issue of MESSAGES marks the beginning of our UWC spring season. There are some notable events to put into your calendar!

The March Lecture Luncheon will feature Patty Limerick, a CU professor of history and director Center of the American West. Lively and entertaining, she will tell us about *Woman of the West*. Be sure to sign up for this last luncheon of the year!

March also brings our opera brunch – a special treat this year is the *Marriage of Figaro*. Here is what Johannes Brahms said about it: "In my opinion, each number in *Figaro* is a miracle; it is totally beyond me how anyone could create anything so perfect; nothing like it was ever done again...." (from Wikipedia). You can eat lunch with friends, hear a lecture about the opera, and then see the performance – all in one short afternoon – March 15.

April is our scholarship month!! UWC members have the opportunity to meet our scholarship recipients – “non-traditional” undergraduates who we help to complete their CU education. Last month, on behalf of UWC, I attended CU’s “Celebration of Scholarships” luncheon honoring scholarship fund donors (UWC is one), and recipients. Student’s stories and plans are so inspiring and should bring pride to each of us at UWC –we have provided over \$320,000 to more than 135 students over the six plus decades since our scholarship program began. All this is possible through our collective generosity – donations. It’s easy to contribute – you can add to your membership dues or event registrations – or donate directly from the web. Please considering adding a little – or a lot! – to your check or online payment.

UWC typically ends its year with the Honor’s reception honoring the Margaret Willard award recipient, past presidents, president awardees, and each other. This year, in celebrations of UWC’s centennial, we are foregoing an Honor’s Reception, and instead hosting an **all-out GALA event**. May 15 will see an evening of UWC celebration, with performances, music, and a delicious meal and birthday cake. Plan to attend and plan to bring your family and friends! You can find signup forms online and in MESSAGES.

Who has trouble parking? If you attend the UWC Lecture Luncheons at CU, you have probably noticed that parking has become a troubling issue. We encourage your ideas for how to make attending UWC events easy – by taking the bus, carpooling, or other creative solutions! We will be putting suggestions for transportation tips on the web – look for them there!

And last – one goal this year is to help streamline UWC’s logistics – with online forms and online payments for Lecture Luncheons and other events. We have had a few snags but are almost there! Look forward to an updated web and more online possibilities in the months to come! We welcome your feedback on this new step! (write to boulderuwc@gmail.com with suggestions!)

I look forward to seeing you all at UWC’s upcoming events and encourage you to consider volunteering with the University Women’s Club for the up- coming 2020-2021 year.

Merry

Scholarship Donations

UWC has a long and proud tradition of awarding scholarships to our non-traditional students at CU who have had their college studies interrupted, and so many of our members have indicated they feel so very good about being part of this effort. The Scholarship Committee has been busy this month reviewing the applications of many amazing students, and we will be presenting and celebrating these remarkable young people at the **Scholarship Luncheon on April 21st**, so mark your calendars!

We want to take this opportunity to give a heartfelt thanks to all of you who donated to the Scholarship Fund by making a special contribution to accompany your Membership dues. The list below includes those who made a donation in addition to the \$5 included in the dues. Again, thank you all so much for your generosity!

CU Celebration of Scholarships

UWC Steps Out: Celebration of Scholarships

*CU Chancellor Phil DiStefano &
UWC President Merry Bullock*

Each year CU holds a reception to celebrate their named scholarship donors and honor the students who have received these scholarships. As a donor organization for the UWC scholarship for non-traditional CU undergraduates, UWC is among the donors attending. This year's luncheon feted a large number of students, two

of whom shared their educational journeys. We also heard from a donor who is paving the way for vets, also non-traditional students to succeed at CU. Hearing Chancellor Di Stefano recount the importance of support, and students' stories was inspiring and reinforced our dedication and commitment to service!

Nominating Committee Report

The Nominating Committee, consisting of Janet Brewer Chair, Karen Diamond, and Frieda Holley has presented the following slate of officers. The UWC Board approved the slate at the November Board Meeting. The membership will vote on the officers at the March 10, 2020 luncheon.

President-Elect 2020-21 (to serve as President 2021-22)

Tamera Van Spriell

Tamera (Tam) has been a member of the University Women's Club for eight years and has held Board positions for six of those years. She was chair of the Opera Brunch for two years, co-chair of the Scholarship Luncheon with Linda Nordberg for two years and co-chair of the Interest Groups again with Linda for two years.

She retired from a 20-year career with Merck & Co., Inc. in clinical quality assurance where she traveled domestically and internationally auditing research studies conducted in support of Merck's clinical trials. Data from these trials ultimately supported new drug applications sent to the FDA.

She is eager to become more fully engaged with the UWC Board in a broader capacity.

Treasurer-Elect 2020-21 (to serve as Treasurer 2021-22)

Kathy Herder

Kathy Herder has thirty years of experience in accounting, human resources, purchasing, and office administration. She has worked in small, mid-size, and large construction, engineering and service-oriented companies at all levels of management. Her most recent positions were as Controller of a national US company, prior to relocating to Singapore in 2007, then as Controller for The American Chamber of Commerce in Singapore from 2008-2012. She served as an executive committee member for financial and governance issues for *aidha*, a not for profit organization providing financial education for women migrant workers in Singapore.

Kathy is our current Treasurer and Treasurer-Elect.

Secretary-Elect 2020-21 (to serve as Secretary- 2021-22)

Karen Bell

Karen is a registered nurse (RN) and was the Clinical Nurse Specialist/Educator for the Nephrology Department at University of Colorado Health. She and her husband have been in Boulder 1974-77 and 1983-present. They have two children (Fairview grads) who each have two children and live in NYC and Charleston, SC. She travels frequently and volunteers for EFAA, OSMP and the National Kidney Foundation. She sings with the Boulder Chorale, has served on their board, and is currently on the grants committee. She joined UWC about 3 years ago at the invitation of two friends from the chorale. Initially she attended only the lecture/luncheon meetings and has since enjoyed travels with "On the Road Again" and meetings with the Garden Group. She is a strong advocate of the scholarship program that UWC supports and considers the interest groups a delight. She looks forward to serving as Secretary-Elect.

## President's Message

*Merry Bullock,  
UWC President, 2019-20*

In typical years, the April President's Message is all about reawakening, spring, and capstone events for the end of the year. As we all know, this spring is like none other. We are in the middle of a period of uncertainty that calls on us to practice responsible individual, family and community behaviors.

As I write this column, Boulder, Colorado and the USA are still beginning to see the effects of the novel corona virus pandemic that is sweeping the world. We do not know how this will all turn out, but we can learn from those countries who have been hit harder already what the triggers are.

One of the primary messages to us now is to practice social distancing. I worry we are not taking it seriously enough. Certainly, our city and state governments have acted to help the process. Community places are closed; large gatherings are prohibited; and we are told to stay home and avoid groups (along with handwashing and other public health measures). But I am not sure how many of us are really "pulling the trigger" to stop our outings.

For UWC, as a group whose activities are front and center social in nature, this means drastic changes. We have already cancelled two programs (Opera Brunch and Scholarship Luncheon), and are in active discussion about the GALA evening in May. The UWC membership will be informed via email as soon as any decisions are made.

Beyond the major all-UWC groups, though, our primary social activities are through UWC interest groups. What does social distancing mean in this context? How do we balance the needs for social distancing with the parallel need for social connection? Our collective age makes us most at risk for the corona virus; yet at the same time our collective age makes it most important to avoid social isolation (research shows that a strong correlate of longevity is social connection). These are some of the questions that will be occupying your board in its next meeting (which will undoubtedly be virtual). I hope that UWC can define a role for itself and its members. Perhaps we can come up with some creative ideas to help UWC remain socially active even if through virtual events!

### **What have we been doing and what is to come?**

Our March Lecture Luncheon was well attended and a special treat to hear Patty Limerick take us on a tour of Western history through the eyes of army wives. We also elected our officers for 2020-21 (see them listed elsewhere in MESSAGES).

There were also some important announcements about next year – top among them that the lecture luncheon **meeting times** and **meeting dates** are changing. These changes are because of scheduling and logistical challenges – but in the end may increase engagement. Lecture luncheons will now begin with a lecture from 10:30-11:30 with lunch following. An added bonus is you can arrive as early as 10 am, grab a cup of coffee or tea and chat with friends before the lecture.

I wish each of you safety and health as we weather the coming month. Please stay tuned to your email for updates!

*Merry*

## Scholarships to be Awarded & Donations

The Scholarship Committee met recently to complete the selection of this year's scholarship recipients. We reviewed 29 applications, and came away appreciating the amazing lives of our applicants and the value students place on education. We have chosen some very worthy scholarship recipients whose stories you will be able to read about in next month's *MESSAGES* newsletter.

We celebrate the UWC scholarship winners and your generosity that allows this all to happen!

**ATTENTION: We must also let you know that donations for scholarships are down somewhat this year. So we also want to take this opportunity to ask all of you to dig just a little deeper and make any additional contribution you can.** We have made this so easy to do – just go to <http://boulderuwc.org>. You can then click on the Scholarships tab, follow the prompts, or go directly to <http://boulderuwc.org/index.php/2019/08/donate/>. When you read the stories of our recipients and how much these scholarships mean in their lives, we know you will be well rewarded for your generosity!

*Margaret Riddle, Scholarship Chair*

## President's Message

*Merry Bullock,  
UWC President, 2019-20*

What a year this has been! We celebrated UWC's 100<sup>th</sup> birthday and hosted a year of lecture luncheons focused on history. We went online for payments and registrations. And now, we are ending the UWC year with virtual contact only, as we collectively take to our homes to battle a world pandemic, and cope with physical isolation and an uncertain future.

As of this writing, in April, we do not know how the rest of the year will unfold. But, because almost all UWC members fall into the most vulnerable demographic group, we are pretty certain that it will not be "business as usual" when UWC resumes its activities in the fall. At its April meeting (held via ZOOM, with 21 board members attending), your Board decided to cancel (not postpone) the rest of the spring events. After much discussion, the Board also opted to prepare for a "virtual" fall, with our regular complement of membership activities.

We intend to fulfill UWC's mandate to promote friendships, mutual interests, and service. We don't know yet how this will work out for all our activities, but the UWC Board is planning to fill your second Tuesdays with virtual Lecture Luncheons (via webinar), and to hold social events (via ZOOM) and explore new ways to engage. Although we will miss the 100<sup>th</sup> anniversary Gala, we will collectively find ways to experience and celebrate together.

There are some milestones to celebrate! This spring, UWC awarded scholarships to six non-traditional CU students. You can read their bios in this issue of MESSAGES. The students were not able to attend a scholarship luncheon to celebrate their accomplishments and hear their stories, but they did graciously tape thank you videos that will be posted online along with their bios.

Another milestone is that UWC is launching a new and updated website that will feature regularly rotating photos, easy to find registration and membership forms, and a colorful layout. We hope that you will explore it, and will use that as your gateway into UWC activities as the year progresses.

For many of us, UWC interest group activities have been a pivotal in our social, intellectual and fitness lives. While some interest groups can continue to meet online and share learning, discussion or even knitting or music, others cannot continue without physical contact. This gives us all, as part of the UWC community, an opportunity to think about how we can promote our shared interests, and how we can continue to be a part of each other's social and community lives. In addition, our traditional end-of-the year celebration, thank you's, passing of the gavel, and UWC and presidential awards will take place unusually this year – online and in photos that will be shared in the first MESSAGES of the 2020-21 year.

In closing, I want to thank each and every one of you for your engagement in UWC, your membership, and your friendship. It has been an honor and delight to serve as this year's president and to work with an amazingly accomplished and active Board. I know I am turning over a vibrant and healthy UWC to the next President, Janet Brewer, and look forward to greeting you all in my new Past-President role!

I wish each of you safety and health as we continue to weather the coming months. Please stay tuned to your email for updates, and please find one reason for gratitude each day!

*Merry*

## Our 2020-21 UWC Scholarship Recipients

**Khristyne Bata**

Khristyne exemplifies the saying “Pull yourself up by your bootstraps.” She had a rough childhood, coming from a broken home with an abusive and alcoholic mother. She went to eight different high schools before dropping out from discouragement and frustration. At the age of 18, after completing her GED, she was accepted into the armed forces where she served for eight years. She met her husband at her first duty station of Buckley Air Force Base. They moved to Colorado in 2015 after serving together. She has a son Hunter.

In order to restart her formal education, she attended Front Range Community College in 2017, then entered CU in 2019. Having a natural ability in accounting, she entered Leeds School of Business

where she has a 3.5 GPA. This is especially commendable since her high school education was so deficient. Khristyne has a special empathy for the homeless and those with financial insecurity having experienced this herself. Her aspiration is to help others using her business skills and knowledge.

**Debby Bates**

Not only is Debby Bates a first-generation college student, she is also a non-traditional student returning to her education as an adult. Her world was turned upside down when her eldest son age 10, was diagnosed with cancer. She learned first-hand where the system was lacking for children, families and parents going through such a catastrophic event. Through her education she plans to become an art therapist working in a children’s cancer hospital. Her compassion, coupled with skills acquired in college, will enable her to assist families navigating the upheaval in their lives emotionally and physically. When families are stretched beyond capacity, she aims to offer a therapeutic approach replacing extreme fear and isolation with

support, guidance, tolerance and kindness. Debby is an inspiration in her compassionate drive.

**Alana Brummel**

At one time Alana Brummel defined herself as a drug addict, living a life without discipline or hope. Four years ago she became pregnant and realized she would be parenting alone. With hard work and determination, she overcame her drug addiction. She transformed her life because her child was dependent upon her. Alana enrolled at Southwest Community College in Memphis.

Today she is an honor student at CU majoring in mechanical engineering. She is passionate about preserving the earth and the systems that support human life. Alana believes that energy generation and consumption are the largest threats to nature. She plans

to study the various energy solutions to discover how they can work together effectively.

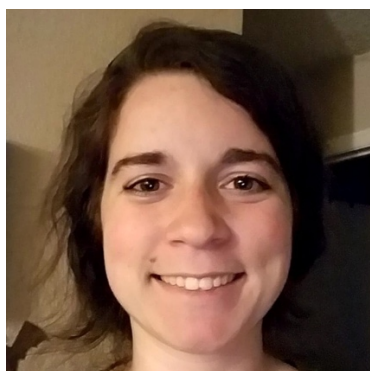

## Our 2020-21 UWC Scholarship Recipients (continued)

**Samuel Lillibridge**

Sam came from a family of low income and academics was not a top priority. He received an AA Degree and was on the rowing team, but did not have the finances to continue. He enlisted in the United States Marines. While in the Marines, he and his wife had two children, Hayden and Logan. He felt that he now had the tremendous responsibility to provide not only sustenance, but a life of which to be proud. He has started back at CU to finish his education, majoring in Economics with a grade point of 3.7. In his words, "I take my education so seriously that I consider it the make or break in the outcome of my family's lives. The most important thing to me is being a great father to my kids and setting the example for them."

**Marissa Palamara**

The trajectory of Marissa's life is wonderful to behold. Powered by enormous determination, resourcefulness, pure hard work, and (she is very quick to emphasize) the unwavering support of her grandparents, she has launched herself from a childhood in a small rural town in western Pennsylvania to being a successful aerospace engineering student with big dreams. Marissa's favorite book is *Endurance* by the astronaut, Scott Kelly. That word so well describes Marissa as she went through setbacks. An undiagnosed medical condition caused her to lose her first university scholarship, and she thus had to leave that university for community college. She rebounded with appropriate treatment, and with great perseverance, set about regaining her goals to become an engineer. Eventually, that effort resulted in her being accepted into CU's aerospace engineering program. She became involved with CU's Sounding Rocket Lab where she has already had hands-on experience building a small rocket. She says, "I plan on continuing to work hard every day to meet my goals," which include working in the space industry, getting a graduate degree, and even of applying to the astronaut program.

**Paula Chacon Urrego**

Paula Chacon Urrego describes herself as motivated, persistent and goal oriented. Growing up in an impoverished section of Bogota, she lived with her parents and extended family. At age eight, she took care of her siblings while her parents worked 16-hour days. In high school, Paula applied for a hotel job, but was refused employment because she was not fluent in English. Undeterred, she won placement in a specialized program for English studies. While working full time in Bogota after high school, Paula got an associate degree in tourism management. With her savings, she came to Boulder to work as an *au pair* and took community college courses necessary for entrance to CU. Now she is studying marketing, is married, hopes to get an MBA and start her own business. Her mother's unwavering support of her dreams inspired Paula to be the first in her family to earn a university degree.

## *Scholarships to be Awarded & Donations*

**Congratulations UWC membership!** With your generous donations we have reached our goal to fund six scholarships for the coming year. Donations were \$562 more this year than a year ago. In March we received over \$3,800 in scholarship donations. When we had to cancel the Opera Brunch, the Scholarship Luncheon, and the May Centennial Gala, many members chose to donate their payments to our Scholarship Fund. This included \$420 from the canceled Scholarship Luncheon, \$1,300 from the Opera Brunch and \$120 from the Centennial Gala.

**A special thank you to all those donating this year!** Reading the stories of our recipients, you can see how your generosity can have a positive influence in their lives!

### Seeking a Historian!

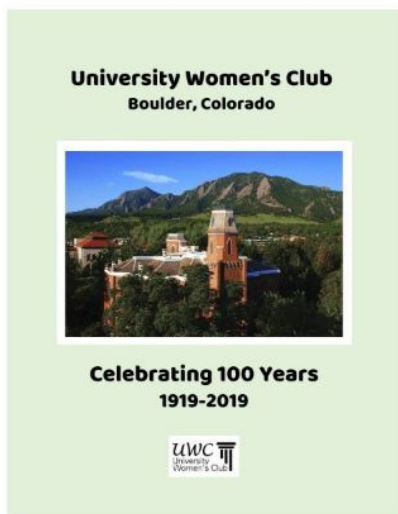

The Board of the University Women's Club has an opening for the position of **Historian** effective May 5, 2020 - May, 2021. The ideal candidate should be someone who enjoys photography, has her own equipment and is familiar with digital platforms. The Historian photographically documents all UWC events, submits pictures for *MESSAGES* and compiles a book of the year's activities. If this sounds fun to you, please contact Janet Brewer at [dtbjhb@aol.com](mailto:dtbjhb@aol.com) or 720-562-8254.

## *Are You or Other Member(s) in Need of Support?*

**IN THESE DIFFICULT TIMES – Now more than ever, it is important to reach out.** If you or a member you know, is in need of us to reach out with a card, note, or other personal contact due to illness, death, or other reasons for support, please contact Betty Huff, 303-919-8712, [bethuff1@msn.com](mailto:bethuff1@msn.com).

## *UWC Centennial*

Our Centennial Book has been distributed to 250 members (*or picked up by a friend*)! We still have about 100 more members to whom we are trying to deliver a copy.

Thanks to our generous sponsors, this book is **FREE** to our members.

The book is approximately 100 pages of history and photos. It took about two years to generate it.

When we are able to once again to enjoy our activities by getting together, we will work on getting the Centennial Book to the members who have not yet received a copy.

## *DO YOU LIKE PHOTOGRAPHY & ON-LINE SCRAPBOOKS?*

The UWC Historian position is both interactive and creative. The Historian collects photographs of all UWC events and interest groups, submits pictures for *MESSAGES*, and compiles a digital photo book highlighting the year's activities. Current Historian, Berry Todd, is happy to help out the new Historian in whatever way necessary for a smooth transition, including a tutorial on using digital photo book formats. It's a great way to meet UWC members.

If this sounds fun to you, please contact incoming President Janet Brewer at [dtbjhb@aol.com](mailto:dtbjhb@aol.com) or 720-562-8254.
