Sarah Owens, Arlene Gerwin

The UWC Snowshoeing Group ventured to Caribou Ranch for the first outing of the season. The snow was hard packed so we wore spikes instead of snowshoes. The temp was in the 30's with some wind but it was exhilarating to be outside and share good times with UWC friends. If you are interested in joining the UWC Snowshoeing Group please contact the co-chairs- Arlene Gerwin or Joanie Cardone (see the UWC Directory for their contact information).
