

Wildfire Support

It is with a very heavy heart that the University Women's Club wants to express our deepfelt empathy to members whose homes have been destroyed or damaged by the recent Marshall Fire. Your friends at UWC want to extend their thoughts and prayers to everyone impacted.

The UWC has formed a **Fire Response Team** with Co-chairs: [Andrea Kutinsky and Jonette Lucia](#). You may click on their names to send an email to them, or you can get their direct contact information from our UWC Directory (sent to all UWC members).

Fire Preparedness

Here are some resources that the Evergreen Rotary Club developed, which may be helpful.

For Grief Support:

TRU Community Care offers grief support in wake of fire

TRU Community Care is offering free grief support groups for those impacted by the Marshall Fire.

TRU is a Lafayette-based nonprofit health care organization offering hospice services and grief support. It's coordinated a weekly drop-in group for those affected by the fire as well as a mindfulness and meditation group.

The drop-in grief support group meets virtually from 6 to 8 p.m. Wednesdays. The mindfulness group meets virtually from 5:30 to 6:10 p.m. Tuesdays.

A third group, specifically for teens, will open in March and is set to meet from 4 to 5:30 p.m. every Thursday for four weeks beginning March 3.
